

2018-2019

SLSQ South Coast Branch Inc.

74th Annual Report & Financial Statements

A Nipper's Tale

The sun was close to setting in the Queensland summer sky
When they noticed a commotion in the corner of their eye
Driving down the coastline – there was something not quite right
There was someone in the ocean in a really desperate fight
Panic in the atmosphere had all the world assuming
That, on Easter Sunday afternoon, a tragedy was looming
“Stop the car Mum! There he is!” A man swept out of reach
The day is late, the flags are gone, there's no help from the beach
And then the words a mother speaks to spark her first-born pup
As he looks towards her surfboard, she says “OK Jayke... you're up”

...To understand that moment friends, I humbly implore
Close your eyes and cast your mind back 50 years before
The day dawns like a diamond on a sunrise warm with fate
A wave unfurls to change the world... t'was 1968
A great Australian vision rich with energy and truth
In the heart and in the health and in the happiness of youth
Despite resistant currents, it was full scale revolution
When its birth was celebrated in the QLD Constitution!
A new breed hit the water and that 'dolphin dive' was seen
From Maroochydore to Bundaberg, the Gold Coast in between!
Mowbray Park at Burleigh saw the 'States' first lend their swell
To a movement led triumphantly by Tallon and Frizzell!
Yes the ship was off and sailing as a cry came from the skipper -
And the words were etched in history “Go you little NIPPER!!”

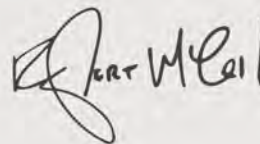

It was something that would soon exist in every youngster's reach
To emulate their heroes... to be legends of the beach!
There was movement at the Surf Club as the 'sign on' syndrome surged
And a million marching soldier crabs excitedly emerged!
The beachies and the boardies and the sparrows and the sprinters
A healthy hive of chaos through our summers and our winters!
A flock of seagulls scatter laying witness far and near
To that 'noddy' cap of red and yellow, grins from ear to ear!
Preparation paramount with parents on the prow!
Don't forget your water bottle! Don't forget your towel!
Set up done and here comes fun in togs of different shades
The happy hubs of all the clubs through all the different grades
So it goes, the whistle blows, a swarm of rashies splashing!
Through gnarly breaks, momentum takes with arms forever thrashing!
Around the cans unleashing plans of flying home and quick!
Catch a wave, be very brave, the surf today is sick!
Back on land, now hopes expand on legs made strong with coaching
Parents cheering, strain appearing! Finish line approaching!
Grab that flag, it's in the bag, the taste of life is sweet
Awards reward the happy hoard, the carnival complete!
And that's what rocks the weekend for the kids and coffee-sippers
A voice that roars across the shores... “Go you little NIPPERS!!”

But the greatest glories earned are those that trophies never teach
That truly priceless moment when they set foot on the beach
On a path carved out by giants of the red and yellow mission
It lives within the blood and bone – a vein of strong tradition
A pride that fills their lungs and, in their eyes, it really shows
Something almost sacred in the sand between their toes
In the grit of caps and goggles, in the gust of their corral
Through the stingers and the fin cuts from the 'foamie' to the 'mal'!
Where the relevance of teamwork is a gift that they receive
And three words make their presence felt – dream, believe, achieve
The essence of the lesson though is what this icon blesses....
Respect for Mother Nature and the power she possesses
Yes, the tide turns in a second and adrenalin is rife
When a young Australian person learns to save another's life
It shivers down our backbone in the land of 'young and free'
It echoes in the letters D – R – S – A – B – C – D!
A selfless contribution - someone's daughter, someone's son
That's what makes us who we are when all is said and done...

... He grabs his mother's surfboard now he's up and then he's in
And his heart, I think, is pounding but his instincts calm the din
It's the moment that he trained for and to properly set the scene
The nipper flying through the water isn't quite thirteen
But it doesn't seem to matter in the whitewash and the spray
It's with zero hesitation that he makes his move today
He paddles 80 metres to the man who's giving shout
A hundred kilos struggling, the rip had dragged him out
But a ray of hope arrives before fatigue propels him under
Another 15 minutes? Well, you hate to even wonder
The moral of the tale though is a prayer to beseech
His saviour is the surfboard... and this kid from Mermaid Beach
With the confidence to save a life, Jayke's bravery stood tall
The tears that fill his mother's eyes, the proudest tears of all...
No need for fuss or fanfare when the limelight calls its tune
Just a simple act of courage on a Sunday afternoon
With a humble smile behind it that eternally endears
And it typifies the spirit that we've seen for 50 years!

50 years of inspiration! 50 years of pride!
50 years of character – it just can't be denied
50 years of volunteers committed to the movement
Of community development and personal improvement

But when the sun sets finally, our brightest star ascends
This is 50 years of family... this is 50 years of friends
So stand and face the future, raise your glass up to the sky
Look towards the beach and with commitment in your eye
Pay homage to the effort of those little Queensland rippers!
In the name of surf lifesaving... here's to 50 years of Nippers!

Rupert McCall © 2018

Notice of Annual General Meeting

Notice is hereby given of the 74th Annual General Meeting of the Surf Life Saving Queensland South Coast Branch that will be held at the South Coast Branch Building, 178 Hedges Avenue, Mermaid Beach, 9:00am registration for a 10:00am start on Saturday 20th July 2019.

Branch Council

- 1 Opening – attendance including apologies and proxies
- 2 Confirm and adopt the minutes of the 2017/18 Annual General Meeting
- 3 Affiliation of the Clubs to the Branch and the Branch to SLSQ and SLSA
- 4 Presentation and Adoption of the 2018/19 Annual Report and Financial Statements
- 5 Endorsement of Councillors
- 6 Election/Appointment of Officers
- 7 Endorsement of the Executive, Lifesaving Committee, Surf Sports Committee, Junior Activities Committee, Youth and Member Development Committee, and other Committees
- 8 Election of Patrons for 2019/20
- 9 Appointment of Auditor
- 10 Appointment of Delegates to Auxiliary Organisations
- 11 General Business
- 12 Motions of which due notice has been given

The Chairperson reserves the rights to amend the order in which business is taken.

Executive & Branch Report

Patrick McCue, President

The 2018/2019 season has been another great year for our South Coast Branch. With the return of the Australian and State Titles to Broadbeach, the Youth Titles to North Burleigh and good surf conditions kept to our focus on the beaches. Off the beach there was plenty of activity with hosting the Governor of Queensland and patron of SLSQ, Paul de Jersey AC, to a visit at Mermaid Beach AEME SLSC and Surfcom, and Sophie Gerry from Mermaid Beach AEME SLSC taking out the Summer Surf Program. We also welcomed Ian Tannahill onto the Branch Executive Committee as Deputy President who brings much experience to the role.

Surf Sports featured large on the calendar this year and congratulations must go to Northcliffe SLSC for winning the Australian Championship point score for the amazing 16th year in a row. This is a brilliant showcase of teamwork from all of their team members, coaching and support staff. With Alexandra Headlands SLSC second and Currumbin SLSC third, these Aussie titles showcased the quality of lifesavers and strength of clubs from this south east corner of Queensland. With Kurrawa (6th) and Mermaid (13th) the South Coast Branch members should be very proud. The introduction of shallow water rescue kits and training by our Surf Sports team shows the movement is on the path of continual improvement. More results in the Surf Sports report.

Our 12 clubs from Burleigh Heads Mowbray Park SLSC in the south to Point Lookout SLSC in the north once again successfully upheld the safety of the bathing public on our beaches by achieving no preventable deaths between our flags. Unfortunately, there were 19 drownings in Queensland; a figure that can hopefully be reduced through further preventative measures. Congratulations to everyone involved in running our beaches. Patrol breaches were nil, and overall there were 97,889 hours patrolled and 513 rescues performed this season, which is a decrease of patrolling hours but significant increase in rescues from last year. There was a major stinger influx this season which kept everyone busy with first aid treatments. Overseeing the lifesaving patrols needs a special thanks to Evan Thomas, our Director of Lifesaving, the Branch Lifesaving Committee and all Club Captains.

There were a number of issues at club, organisation and legislative levels that distracted our energies from achieving some of our goals. One challenge this year was changes to the national RTO training and assessing qualifications, which meant our existing assessors had to undertake a significant upgrade process to upgrade their qualifications. This required a significant amount of effort to complete, and I thank all those who undertook this task. It can be understood why some chose not to continue, and we thank those for their efforts over the past years. Our Directors of Lifesaving and Education played a big part in ensuring this transition actually occurred in time. This is an area of concern for our Branch, which is expanded upon in the Education report. We thank our Director of Education for his efforts in ensuring the Branch continues to have skilled trainers and assessors.

Congratulations again to Mermaid Beach AEME SLSC, Southport SLSC and Broadbeach SLSC who continued their support south of the border by sending patrol groups to Fingal Rovers and Rainbow Bay. The SLSQ Surf Crew Car also provided support for Point Lookout which proved a success and will work towards continuing that support next season. It is heartening to see our organisation's resources being shared with others when needed. In regards to rescues, congratulations to everyone who was nominated for the Rescue of the Month Award. The nominations showed again there were some tremendous acts of courage exhibited by our members, putting themselves at risk to save others.

This year marked 50 years of Nippers and there were celebrations across the State. In this report you will see the poem specially written by Rupert McCall. These are the lifeblood of our organisation. Many members become involved because of children attending Nippers, and to see them grow into lifesavers and future leaders is a proud moment. Much effort has been put in by our Director of Junior Activities to ensure our young future lifesavers are kept safe while their skills are developed.

The year saw some technical innovations. The use of drones of course is at the forefront of innovation in surf safety. Whether it be for surveillance for swimmers in trouble, rips, shark spotting (or crocodiles up north), remote beaches, or assisting in actual rescues via the dropping of float devices, and for uses not even thought of yet, it appears their presence will become ubiquitous. Drone introduction stalled this season due to reasons outside our control, but it is expected they will be up and flying for the 2019/20 season in some form. One must ask, why is it that in Canberra you can already have doughnuts and coffee delivered to your home via a drone, but we can't use them to help save lives!

Another innovation was targeted Wi-Fi (Life-Fi) between the flags that was trialled at Burleigh Heads Mowbray Park. Although it is still in its pilot stage, it is positive that SCB clubs are willing to trial technology that may assist in surf safety.

It was an interesting and rewarding year with my role representing our branch on the State Council. The year saw some major changes at the senior leadership level within SLSQ. Both John Brennan OAM and George Hill ESM left the organisation in a professional status. They are both South Coast Branch life members who have contributed an enormous amount to surf lifesaving. We wish them well for the future; I have spoken to JB on the beach as he has continued his involvement as official and team member at carnivals. There is currently a very positive working environment between the Board and the State Council. With a new staffing and leadership structure being implemented, the new General Manager roles highlight the Boards intent towards the organisations sustainability and club support. Both the Board and Council members have been involved in the recruitment process. I have been a member of the interview panel for the CEO and GM Commercial roles, and the quality of candidates has been outstanding. SLSQ conducted a CTO conference and a Finance Summit as an investment in training and financial compliance.

Once again on the season ending weekend of 5th May I attended the Lifesavers Memorial Day at Coolangatta SLSC, hosted by Danny Hoyland OAM. This is a moving occasion and highlights the sacrifices we make as lifesavers to keep others safe. A wreath is dropped by the rescue chopper to commemorate those who have made the ultimate sacrifice and to those who have passed this year.

For the future we will continue to support our youth via development programs, camps and activities. The outcomes from the surf sports review will be considered with the aim to continually improve participation. Planning will continue with the branch building upgrades and a renewed lease agreement for the Surfcom area.

There are many people who contributed to the success of South Coast Branch this season. I would like to thank the Branch Executive Committee for their support, and their continued efforts in achieving the strategic goals. A special thank you to Charles Melloy who filled in when our Director of Surf Sports, Alex Walker resigned near the end of the season. Alex has done a huge amount of work in this portfolio over the last few seasons and it has showed in our results and participation. Thanks Alex. Special thanks to Denis Cahill, Director of Finance and Property for managing the budget and ensuring the Branch's finances are sound and returned well to the clubs. Thank you to the club presidents for their support in this regard also. Thank you to all members of the committees and officials for their engagement in their roles.

On behalf of all clubs in the South Coast Branch, thank you to the SLSQ Gold Coast Regional Office Manager Lachlan Sherrington and staff members Leah Campbell, Nathan Fife, Rebekah Austin and new recruit Cathleen Edgar. Without the help and advice you administer we would be unable to run the Branch and help the clubs and members.

Thank you to the City of Gold Coast, Redland City Council, Queensland Government and Australian Government for their continued support through various grants and donations to the Branch and clubs.

Lastly, thank you to all of our clubs and volunteers, trainers, officials, office bearers, parents, families who contribute in some way to keep alive the iconic red and yellow caps on the beach and keep the public safe on the beach.

Patrick McCue

President South Coast Branch

Strategic Plan Scorecard

Objectives	Notes	Score
Lifesaving		
1.0 Facilitate and promote world's best practice in the delivery of volunteer surf life saving services in the South Coast Branch		8.1
1.1 Meet patrol obligations within the Branch	No breach notices issued. No drownings in patrolled areas. All clubs meet required standard of equipment.	10.0
1.2 Encourage excellence in the provision of lifesaving services within the Branch	Successful Branch Patrol Competition conducted. Quality engagement with clubs through meetings	7.5
1.3 Coordinate the implementation of new life saving initiatives and standards	Supported the trial of Life-fi and the Kurrawa hot-water concept	10.0
1.4 Coordinate sharing and development of life saving resources within the Branch	Additional resources from 2 South Coast Branch clubs sent patrols to Fingal Rovers. Provided SMBM training to NQ Branch	5.0
Education		
2.0 Coordinate, facilitate and deliver high quality lifesaving education, skills maintenance and TAF Proficiencies services within the Branch		9.1
2.1 Coordinate courses, skills maintenance and TAF proficiency activities between the Australian Life Saving Academy, Branch and Clubs	Quality work between SCB and SLSQ to achieve delivery of 502 upgrades.	9.3
2.2 Identify training gaps and facilitate efficient training based on the needs of the Branch	Patrol gap calculators used to support identification of training needs	10.0
2.3 Deliver specialist training	Major focus on TAF upgrades. SLSQ State CTO conference at the start of the season was successful.	9.0
2.4 Maintain high quality training outcomes, standards and integrity	New resources being introduced for 2018/19 season.	9.0
2.5 Advocate and develop training resources and course content to meet the needs of lifesaving and South Coast Branch	SCB Education Sub-Committee provided opportunities for improved communication and advocacy	9.2
2.6 Advocate for the continued recognition, retention and promotion of volunteer TAFs, within South Coast Branch	Worked with SLSQ on upgrades	8.0
Surf Sports		
3.0 Facilitate the achievement of outstanding surf sports results in order to increase membership and life saving fitness and skills		9.3
3.1 Conduct effective and efficient carnivals to provide high level competition experience to Branch clubs and athletes	Improvements to safety and IRB duty boat made competition more efficient	9.1
3.2 Promote and facilitate involvement in surf sports	Launch Instagram and took on feedback from SLSQ sports review	9.3
3.3 Develop and support high quality officials, coaches, team managers and Surf Sports Directors	Overall communication and development improvements	9.5
3.4 Promote outstanding performance of Interbranch team	Improved overall point score	9.2
Junior Activities		
4.0 Promote, facilitate and deliver high quality, safe and enjoyable activities for juniors that develop confidence and leadership and encourage retention as active youth life savers in South Coast Branch		6.5
4.1 Facilitate delivery of high quality enjoyable junior activities programs by Clubs in the Branch	SLSQ App has improved information and provided support to clubs delivering programs	5.6
4.2 Promote and facilitate involvement in junior activities	Individual club promotions and SLSQ community awareness programs not linked well. Good media promotion for start of season and throughout with 50 Years of Nippers	6.1
4.3 Develop and support age managers and Junior Activities Coordinators	Forums, communication, club visits and meetings were well represented and conducted	8.4
4.4 Encourage progression to youth life saving and youth development programs	Solid involvement of members transitioning from nippers to youth programs by way of camps and events. Membership numbers increased from last season	6.0

Objectives	Notes	Score
Youth Development		
5.0 Promote, facilitate and deliver activities for youth that develop confidence and leadership and encourage retention as active life savers in South Coast Branch		7.1
5.1 Conduct Branch youth activities	Youth Ball, GCYD Camp, Fright Night and youth forums all conducted. All clubs represented.	8.0
5.2 Facilitate attendance at SLSQ and SLSA youth development activities	Good attendance and leadership outcomes for SCB youth representatives on all programs.	7.2
5.3 Develop and support Youth Activities	Minimal new programs. Forums conducted to generate ideas for future youth programs.	6.2
Member Development		
6.0 Promote growth, retention and recognition of members		6.6
6.1 Achieve an annual increase in Branch membership growth in all membership categories	2% increase in total membership across branch, 1% increase in active members and % increase with Junior Activities	8.1
6.2 Value and recognise contribution	61 nominations for Annual Branch Awards, a 23% decrease on the previous year.	6.0
6.3 Promote SLSQ membership development and peer support programs	Family Participation Program well supported among clubs. Junior Activities Audits demonstrated quality programs	4.9
6.4 Promote member involvement	Recognition and reward programs are positive	7.5
Finance and Property		
7.0 Ensure sufficient revenue and maintain facilities to support Branch and club growth and objectives		10.0
7.1 Manage Branch income and expenditure and maintain minimal prudential reserve	Branch budget managed with ratios maintained for responsible and sustainable growth.	10.0
7.2 Demonstrate value for money for clubs and members	No increase in fees for competitions and full rebate of grants to clubs.	10.0
7.3 Monitor the financial capacity of clubs and supporters clubs	All club reports reviewed with minimal issues, all clubs compliant with ACNC and ATO requirements	10.0
Administration		
8.0 Provide high quality administrative services to support clubs, facilitate compliance and deliver Branch objectives		8.1
8.1 Execute the SLSQ/SCB service agreement to a high standard	Very good relationship between GCRO and SCB	9.5
8.2 Integrate the provision of services between SLSQ and South Coast Branch	Solid linking of SCB directors with staff to provide high level service for the delivery of information and programs.	7.7
8.3 Set and provide administrative standards, advice and mentoring to clubs	Hosted admin workshop to improve club relationships and skill development	8.3
8.4 Promulgate and promote governance standards	Inductions and information provided as required	7.0
8.5 Promote efficiency and encourage innovation and the maximum use of technology	Ipads provided at carnivals. New safety measures adopted at carnivals	8.7
8.6 Establish and maintain relationships with key stakeholders	Effective communication and support from SLSQ staff	8.7
8.7 Facilitate compliance and quality assurance	Minimal uptake from clubs on safety audits. Ongoing issues with Blue card compliance.	5.0
8.8 Support and facilitate conflict resolution	An unusually high number of matters dealt with this season.	7.8
8.9 Promote achievement of member protection standards	CYRM, Family participation program, MPIO courses, Patrol Gap Calculator and Junior Activity audits conducted in the Branch.	10.0
Total %		8.1

South Coast Branch Club Presidents Reports

Point Lookout SLSC –Sean Fallon, President

This is the 71st season of the Point Lookout SLSC. From the AGM we knew that it would be a season of change and challenges, we had a new Club Captain, Vice Captain, Administrator, Surf Sports Director, CHD and Membership director and some important roles vacant.

We started the season a bit under-strength but rolled on till we got to a bit of a crisis point, we called a members meeting and from that point onwards our patrol strength has been generally fantastic on our beaches. We had 212 members who performed patrols this season, these strong results in part stem from the traction the Club is gaining from our Junior Activities program. We had a large number of rescues across all beaches with Frenchmans Beach yet again causing a lot of problems for the Club with rescues, near misses and an unfortunate loss of life. As a result the Club has yet again seen some very brave actions from our Lifesaving members and Lifeguards culminating in awards and recognition for both groups.

We had several successful events across the year including the SOS appeal (House to House), Prawns at the Point and the Aussie Titles workforce with the state IRB titles yet to be held. These are defining moments for our Club members to not only work as a team for the Club but ultimately for each other and for their own fulfilment.

Thank you to all members for a terrific season

Yours in sunburn, laughter and lifesaving.

Coochiemudlo Island SLSC—Colin Sloane, President

Coochiemudlo Island SLSC had a different year, we were down on numbers in the nipper groups but have strong cadet numbers that we are very proud of for a small club.

We had our club carnival at Coochiemudlo Island and camp at Mudjimba SLSC, which all went well, the weather gods were kind to us for both events but the best day was at Broadbeach SLSC. Coochiemudlo Island SLSC would like to thank Broadbeach SLSC and members for making us feel welcomed and allowing our cadets to stay overnight.

As a small club with limited resources but at the same time achieve our commitment, we would like to thank the South Coast Branch staff for their friendly support to us.

Southport SLSC—Shane Roberts, President

Southport Surf Life Saving Club's season has been underpinned by three significant achievements - membership, alignment and engagement.

Membership - our total membership has increased from season 2017-2018, adding to an initial increase from 2016-2017. This season the membership increase has been largely due to a 24% increase in junior membership. Conveniently this has resulted in an increase of active membership which results in greater public protection on Main Beach. Accompanying the membership increase is increased retention of members across all membership categories. Significantly SSLSC has retained 83% of cadet members and 94% of youth members from season 2017-2018, as a result of a purposeful focus on engaging those members within lifesaving activities.

Alignment - Across the last five seasons there has been a body of work to align the two major committees of the organisation; the Lifesaving management committee and the Supporters Club management committee. This season a statement of strategic intent for each committee was developed. The Lifesaving statement is underpinned by the SLSQ strategic plan whilst the Supporters statement is underpinned by the Lifesaving statement. To further strengthen the alignment between the committees, a revised Supporters club Constitution and By-laws were developed and registered by the Office of Fair Trading.

Engagement - SSLSC is proud of the passion and commitment our members demonstrate. This season we logged over 11000 patrol hours. Within these patrol hours we logged over 13000 preventative interventions. These statistics show that at least each patrol hour, each patrolling lifesaver enacts something to protect the public from danger. Of our patrol hours 31% were unrostered, suggesting an undercurrent of desire to help through voluntary patrols. SSLSC has increased engagement in training and education, evidenced by the processing of over 1000 awards this past season and increased numbers of competitors competing at carnivals. The expansion of the Surf Sports program to provide general fitness training for non-competitive members provides an opportunity for all members to be involved in developing their skills.

As we look forward to season 2019-2020 we intend to progress from statements of strategic intent to a collaboratively developed organisational strategic plan focusing on a significant interim event being our centenary in 2024.

Surfers Paradise SLSC—Trevor Hendy AM, President

This was another successful growth year for our club. We headed in with a heavy focus on short, medium and long term member growth strategies. We have aimed to attract more junior, active and associate members in particular but also attract more community partners and support role players into our club. We set about doing that by concentrating in multiple areas, including Member Experience, Member upskilling, training availability, junior recruitment, leadership position recruitment and creating an environment of one club, one family. As with all clubs this is an ongoing challenge but one that we are doing well with.

Our main focus as always was to make sure our beach remained safe and that the members patrolling it also remained safe. Our patrol roster is growing with strong membership growth and more members are taking the lead. Our lifesaving side was lead extremely well with Peter Callick and his two deputies, Andrew Thomas and Chris Wright turning themselves inside out for the club. With multiple years of wonderful support from Southport, Northcliffe and Mermaid Beach in particular, we are slowly but surely not just standing on our own two feet but also enjoying sending members either way and sharing skills and wisdom. With Darren Bailey leading our training team, this year, with a growing list of passionate trainers we have taken another step in ensuring we can train our growing members into increased skill levels and be better lifesavers.

Our surf sports crew enjoyed another strong year of success lead at the front with an all time great Ironman year from Ali Day and a strong year from Kirsty Higgison. Adding to this the success of coach Zayne Hamill and the multiple opportunities he has had to pass on his wisdom and outlook to other clubs, we are fulfilling our desire to perform at our best and inspire others.

Our Nipper program was lead by first year JAC David Mackie, he and his team doing an amazing job and leading to a second successive year of record growth. We also embarked on a successful leadership program to local schools to continue to inspire our community youth and provide surf safety knowledge and life inspiration. Together these programs are helping us not just help our nippers but make a difference outside of the club. For this we are extremely proud.

We once again enjoyed another wonderful year of support from President Jon Nielsen and his team at the SP Supporters Club. They continue to provide us with fantastic support and also have a lot of previous leadership wisdom sitting on their committee.

As a final note, thank you to the Branch for not only another year of wonderful support and understanding when most needed but also for each and every club in the region for turning out another great year of lifesaving, one that was highlighted by an amazing Australian championships back on our beaches. Gotta love that.

Northcliffe SLSC— David Shields, President

Our Club has had another successful season, both on and off the beach. Our lifesaving services have provided exceptional guidance and education to our members that conduct our volunteer beach patrols here at Northcliffe SLSC. Our prevention methods at Northcliffe are conducive to our low number of rescues recorded for the season.

Junior Activities has again provided young people of the Gold Coast an opportunity to learn lifesaving skills in a controlled and professional environment with friends and family alike. Our Surf Sports Programme continues to prove 'World's Best' with success at the World, Queensland and Australian Championships with the Club winning the Champion Club title at all three major events. The Queensland and Australian Championships were the 16th in succession.

Thanks to all our volunteer members and especially our Office Bearers for their time and commitment to our Association.

Broadbeach SLSC— Wayne McLennan, President

The most pleasing statistic any President can report is that 'no lives were lost between the red & yellow flags during the patrol season'.

With the club being honoured to host the Queensland and Aussie Titles, a renovation program took place to ensure the clubhouse shed its 'drab, tired, past its use by date' look. The male showers were renovated, the front was 'tricked up', new front steps installed, the exterior received a much needed coat of paint. All comments have been positive on the renovation.

The Patrol Operations Centre (rear of club) was completed and has relieved the pressure of having Patrol Gear scattered around the clubhouse, it's now stored in one place.

- The 2017/18 AGM was well attended with 42 members present.
- Prime Minister Scott Morrison visited the club during the season.
- We were the venue for the Branch Masters/Seniors Championship plus the Young Guns Teams Carnival.
- As usual Xmas Day Patrols weren't rostered, club members volunteered their time.
- The club had success in receiving grants for Patrol Equipment. The BSEF Grant supplied a 25HP IRB motor, the GCBF helped with the purchase of a new Patrol Trailer.

2019-20 season will see new faces at the 'helm' with the President, Treasurer and Administrator stepping down at the AGM.

South Coast Branch Club Presidents Reports

Kurrawa SLSC – Ian McKinnon, President

The principal goal of Kurrawa members is to ensure there are no deaths at Kurrawa beach from drowning during the 2018/2019 patrol season. I am happy to confirm that we have fulfilled that important goal this year.

The 2018/2019 season has experienced strong growth in both its surf lifesaving and surf sports functions. This growth and more importantly the manner in which it was achieved is due to the selfless contribution by our membership.

The implementation of a new office structure as part of Kurrawa's three year strategic plan incorporating Office administrator, Lifesaving Coordinator, Surf Sports Manager, Junior Activities Manager and part time admin assistant and accounts has been beneficial. The creation of the Kurrawa Leadership Team within the office structure has resulted in more efficient decision making and problem solving across the board.

At a helicopter level, the aim of the Kurrawa Board of Life Saving is to ensure the key aim of our lifesaving community is maintained.

To guarantee this occurs we need an environment where patrol leaders feel comfortable and at ease that:

- they are supported by a motivated BOLS team;
- they have the ability to lead their patrols and manage any situation that might occur;
- patrolling members have the passion and competency to carry out their duties.

At the start of the season, the Kurrawa Board of Lifesaving endorsed a number of key objectives to facilitate this sort of environment and which formed the basis of a three year Lifesaving plan.

The nipper season of 2018/2019 provided many positive experiences for our members. It was our first full season in our new clubhouse offering us facilities second to none. This is all thanks to our Kurrawa Supporters Committee who have worked extremely hard over a number of years to bring this to reality.

Mermaid Beach AEME SLSC – Ann Donnelly-Marshall, President

Some of our achievements this season include:

- Providing patrolling member assistance to other clubs that are struggling to fulfil their contracted duties
- Administration, Nippers and Surf Sports SWOTs (a SWOT is designed to identify an organisations internal Strengths and Weaknesses, as well as its external Opportunities and Threats)
- Introducing Take 3 from the Sea & Recycling 10c bottles through Envirobank
- Surf Sports competitors success
- Purchase of a new SSV (side-by-side vehicle)
- Successful rescue of one of our own members and the avoidance of spinal cord damage due to the correct techniques being used
- Successful Fundraisers contributing \$180,000 to the budget
- Sophie Gerry being crowned SLSQ Surf Ambassador 2019

Our hearts broke on 5 December 2018, when a much loved and valued member, Mr Rowen Dick, passed away after a courageous fight with cancer. Rowen and his family, wife Cathy & children Rosanna, Emma and Sam, have been members at Mermaid Beach since 1999.

Nobby's Beach SLSC – Wayne Homer, President

A massive thank you to all our dedicated and diligent members who yet again volunteered many hours of their own time patrolling Nobby Beach, helping with all of our fundraising and keeping our club running. Without people like you we would not be the club we are today.

Nobby's Beach SLSC can once again proudly boast that there were no lives lost on our beach throughout the 2018/19 patrolling season protecting 30,051 visitors to our beach. 190 Nobby's Lifesavers in 9 patrol teams put in a massive 7,027 hours patrolling our beach over the summer period.

Our membership was down a little this season with 613 overall members of these there were 217 Nippers, 190 Patrolling members and 186 Associate members. We are currently in the planning stages of some recruitment strategies to grow our membership again next season.

Well done once again to Nicholas Marshall for his ongoing commitment toward Albatross Nipper Inc. It was fantastic to see these children participate in the March Past at the SLSQ Youth Championships this year at Burleigh Beach. This is a fantastic program ... Keep up the great work Nick.

Nobby's Beach SLSC—continued

Congratulations to our lovely Summer Surf Ambassador Emma Kannemeyer, she has done a wonderful job in raising \$21,606 which is much needed funds for the surf club through organising barbeques, raffles, cake stalls and other functions and events. Thank you Emma for the continuous fundraising throughout the season and getting the Nobby's Beach SLSC name out there!

To my fellow Board of Directors, my personal, heartfelt thanks for your sterling efforts over the past season. Your support to me in this role was second to none. Thank you also to Patrick McCue and the South Coast Branch officers and staff as well as to Surf Life Saving Queensland officers and staff for all your assistance, guidance and advice throughout the season.

Miami Beach SLSC—Glen Russell, President

The four pillars of our club have all exceeded expectation this season with lifesaving activities taking the forefront of our club energies and our younger patrolling members have performed admirably when needed. The experience, skill and commitment of our Patrol Captains and Patrolling members has kept our part of the coast safe again.

Youth development has been a focus this season with numerous club camps, sports activities and support to the junior activities, as well as five members undertaking Certificate III in Sport and Recreation through the club.

Surf sports has increased engagement across the club and increased participation in pool rescue and patrol competition and IRB racing. Education of members is ongoing but somewhat 'numbed' by requirements to provide training to members.

North Burleigh SLSC—Jon Locke, President

North Burleigh SLSC had another challenging and rewarding season with our patrol's serving the community and delivering on our "not one, not ever" commitment to ensure the safety of the community that swims under the watch of our patrols.

As a club we continue to see encouraging growth in our Seahorse and Nippers program with families participating strongly on club weekends and in a number of carnivals supported by the South Coast Branch. On behalf of our club thanks to all the staff and officials that assisted these carnivals. The other major event for our club from a competition perspective was the hosting of the Youth Australian Titles. The work and planning that was required to host this event was a significant commitment from the club as a whole. We had a great representation from our "Old Boys" over the weekend as well as many members and families who all supported our workforce. We were fortunate to have good conditions with the best saved for the Sunday when competitors were putting their best foot forward in the finals.

As a club we continue to have strong commitment to IRB racing along with boards and skis. Both groups continuing to develop with support from a number of dedicated coaches, team managers and parents. We will also be celebrating North Burleigh's 70th Anniversary in the coming months as we begin the preparation for another season of patrols and competition for next summer.

Burleigh Heads Mowbray Park SLSC—Michael Boyce, President

Burleigh Heads Mowbray Park SLSC has now wrapped up its 96th season. The year has once again produced outstanding achievements from our members in all areas of surf life saving.

Our members continued to patrol Burleigh Beach from September to May and once again we had a fatality free season. The popularity of Burleigh continues to grow and with this our members have had some challenges to overcome. Whether there be preventions, rescues, first aid or general beach advice and assistance our members performed magnificently. We have a fantastic group of dedicated and committed Patrol Captains all who display a wide array of skills, expertise and experience which in turn is filtered through to our patrolling members that make up each patrol group. I thank all our Patrol Captains and patrolling members for the time and effort they put in to patrolling Burleigh.

Our tenth Norco Burleigh Ocean Swim took place in October and we had great weather. In addition to this we also conducted our Burleigh Swim Run. Both are great community events and enable the public to experience the activities that we are involved with in our surf clubs.

We are still proceeding with further redevelopment of our Club with Stage 5 comprises an extended kiosk and boathouse facilities, increased restaurant and kitchen and a third level pool area. We are currently awaiting approval from Council and then will look to proceed with development in 2020.

We take this opportunity of thanking our fellow Branch clubs for their assistance in the surf sports arena wherein we had many successful carnivals and training sessions with other Clubs. We look forward to this continuing in the future. We would also like to thank all the Executives of South Coast Branch, fellow Presidents and the Branch Administrative staff for their assistance throughout the year.

Lifesaving Report & Statistics

Evan Thomas, Director of Lifesaving

I would like to commend all of the clubs and their members for the diligence and service they provided over the 2018-19 season. Each club supporting its neighbour whenever required with the focus on keeping the beaches safe. While the season was not fatality free, these were not between the flags and my commendation to the clubs involved in the rescues away from patrolled beaches and outside patrol hours.

I would also like to thank the Club Captains who led their patrol teams over the season, and to members that went over and above expected duties to provide additional patrols along our beaches. I would like to thank each of the Club Supervisors for supporting their assigned clubs, and I would like to particularly thank Richard Morgan for leading the Branch Education panel over the season, and to my erstwhile Deputy Steve Owen for his support in managing the patrol inspections.

I would like to thank the trainers and assessors who have committed to undertaking the further awards required to maintain their skills this year. I would like to thank Ken Clark and the Education Team for helping the assessors, in particular, progress through the new material as painlessly as possible. I also commend the other clubs and individuals who have pursued these updates separately. I would also like to pass on my thanks and gratitude for the many years of service provided by the trainers and assessors who have not been able to undertake the not insignificant updates. Your service and dedication has not been forgotten and I hope that you will continue to support your clubs and the Branch with your knowledge and skills.

Once again, the support I have received from the SLSQ Gold Coast Regional Office, and from State officers has been outstanding - helping coordinate lifesaving decisions between both Branches in the region and in supporting the Branch Surf Rescue Championships. In particular, I extend my thanks to Lachlan, Nathan, Elena, Leah and Cathleen for the support they have provided to me personally, to the Life Saving Committee and Education Panel.

Finally I would like to thank Richard Morgan, Mike Chep, Steve Owen, Don Stevenson and Danny Zerbst for supporting the clubs as office holders on the Committee and the club supervisors and patrol inspectors for their diligent duties in continuing the development of lifesaving within our Branch.

I would like to thank all clubs for the honour and the privilege to serve as your Director of Lifesaving for the season.

Evan Thomas

Director of Lifesaving

Education Report & Statistics

Richard Morgan, Director of Education

South Coast Branch Trainers, Assessors and Facilitators have had another busy season, with 2,092 new awards gained by Branch members, with a further 5,645 awards updated through skills maintenance sessions. A couple of areas to note, are a decrease in Bronze and SRC Skills Maintenance and a decrease in both IRB Driver and crew Awards, particularly a significant reduction in IRB Driver Awards. Although the IRB is of concern, there was an increase through 2017/18, which may distort these figures, which is also reflected with an increase in both driver and crew skills maintenance numbers, leaving the Branch about even for season averages.

An ongoing trend and of greater concern is the continued reduction in Emergency Care Awards, particularly First Aid and with no Skills Maintenance for First Aid, this is indicating a continual decline in available First Aid Officers on patrols. During the 18/19 seasons, Club CTO's expressed a wish to revert back to Clubs being able to deliver Emergency Care Awards and develop new Trainers and Assessors. This request was presented to the State Education Panel and although discussed, the Branch request was declined.

Trainers, Assessors and Facilitators (TAF's) skills maintenance sessions were well attended this season, eight sessions were delivered, with 144 members attending with mostly positive feedback on the content and delivery of these sessions. The greatest concern identified by TAF's is the requirement for all Assessors and Facilitators to upgrade their Assessor Awards, and the limited options presented to the Assessors and Facilitators to update these Awards. It should be noted that a number of Clubs and individuals chose to fund the delivery of externally run courses to ensure they had sufficient Assessor for the start of the 2019/20 season. An additional concern for Assessors, is with the upgrade to the Assessor requirements, Assessor courses are yet to be developed and when delivered are likely to require several weeks commitment by Club members. Initial indications on these upgrade requirements is suggested the Branch is likely to have a significant reduction in Assessors for the next few seasons.

SLSQ through Federal funding ran a State CTO conference in Brisbane, which saw all South Coast Branch Clubs attending, with very positive feedback on both the content and delivery of this conference. All attendees were fully supportive that this conference should become an annual or bi-annual event.

Some targets for 2019/20 include the ongoing improvements of course paperwork and on-line learning, the development of new Trainers and Assessor and the support for existing Assessors to update their Awards.

Finally, I would like to thank the ongoing support and efforts of the dedicated and high-quality Trainers, Assessors, Facilitators and administrative support who continue to support our Branch and I cannot express enough my appreciation for the hours of hard-work, commitment and support provided by all, many thanks.

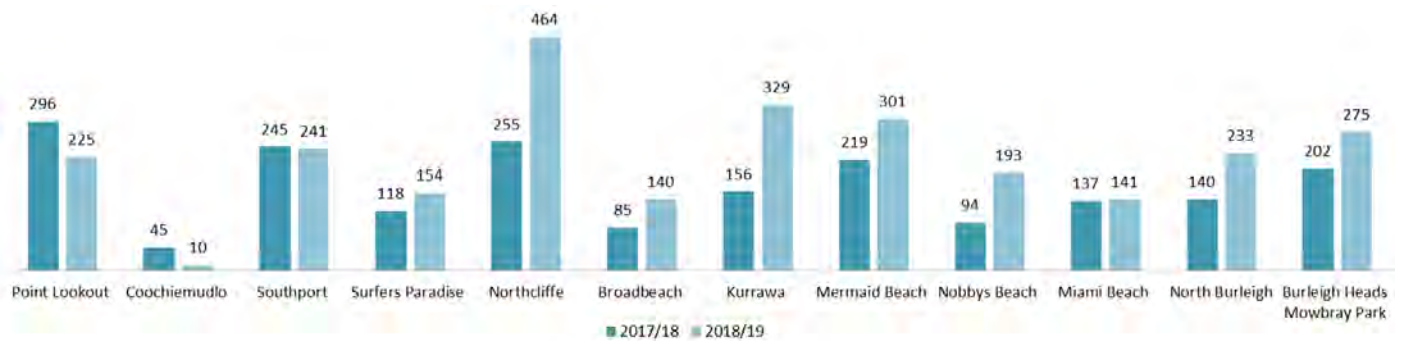

Richard Morgan
Director of Education

Surf Sports Report

Alex Walker, Director of Surf Sports

The priorities for our 2018-19 sports calendar were to ensure the safety of our competitors and to continue to improve the quality and enjoyment for all of our members. We are always at the mercy of the environment, however there was a significant amount of work put into planning back up locations and weekends to ensure we were able to host the best possible carnivals. The State delivered a sports review in the off season and the Branch was able to leverage off the findings of this review to improve our own product.

Surf conditions during the 2018/19 season were kind to us with seven of our eight carnivals being run. It takes an enormous amount of effort to ensure we have the necessary number of volunteers to run a smooth carnival and a thank you must go to all of our host clubs that worked tirelessly to assist in providing the workforce to welcome all of our competitors, officials and visitors. A number of Clubs within our Branch also successfully hosted a number of State and Aussie events during the year.

Another key achievement for the Branch was that we were able to host the Senior/Masters Branch Championship for the first time in several years. Being able to successfully combine these championship with our Young Guns Teams event, made for an enjoyable day on the beach for our youth, our senior and masters along with our officials. It is a credit to the Surf Sports Committee to be able to think laterally to achieve quality results for our competitors. Competitor numbers were strong for both our U8-10 and U11-15 Branch Championships. With an increase of 5.18% for U8-10 and 2.5% for U11-15, our Branch Championships are continuing to grow.

No matter how tiring the long days are at carnivals, there are always reminders of why Surf Life Saving is fantastic. A moment that sticks out in my mind was the sportsmanship on display by one of our youngest competitors. At the U8-10 Branch Championships an U9 member from North Burleigh SLSC displayed amazing sportsmanship and a real surf lifesaving spirit. A competitor from another club had just exited the water and was trying to run towards the finish line but was seriously fatigued, had swallowed a lot of water and his legs were giving way, the North Burleigh boy came up from behind to help the competitor regain his footing and assisted him across the finish line. Despite them both finishing last, the boy said that he too has been in the same position and saw that the other competitor needed a hand. The first person across the line may get the medal, but it isn't always the case that they are the winner. South Coast Branch would like to congratulate the North Burleigh competitor on his inspirational show of sportsmanship.

Competition is an important part of our lives, but on certain occasions during the season I was witness to a few people taking it too far. I was encouraged however, by the support of the clubs in recognising that inappropriate behaviour needs to be dealt with and that a positive resolution can be found if addressed early. The South Coast Branch continues to strive to provide a fun, happy and safe environment for all our members, and this will be further enforced next season.

This season saw 36 new accredited officials, 33 of those being Technical Officials. In addition to this, 14 Probationary Officials have also completed their online course with their onsite training to come next season. Further planning is being done to continue the development of our officials to ensure that our carnivals run as smoothly as possible. Being an official is a tough job, and we all need to take the time to thank them at every opportunity for the work that they do. Our wonderful officials volunteer their time and do a tremendous job out on our beaches to make our carnivals possible.

One of the most rewarding experiences of the year was to provide Shallow Water Rescue Training to a number of key personnel to improve safety standards of our competitors through leadership, vigilance and support. This experience provided an opportunity to learn from our own experience and share information to deliver processes for the committee to utilise in case of emergency. I am proud of the achievement and support of like minded individuals to deliver this on behalf of the Branch and look forward to conducting further mock exercises in the coming season.

See you on the beach.

Alex Walker
Director of Surf Sports

Junior Activities Report

Dean Love, Director of Junior Activities

Our junior ranks are the largest section within membership and collectively the clubs have achieved some great results this season. The relationship between the Branch and the juniors has continued in a positive nature, with regular meetings, junior information sessions (JAC Forum) and a continued focus on the Child Youth Risk Management Strategy for the development of the clubs and safety of the nippers.

The 2018/2019 season was another great season for junior membership. The Branch finished with 3427 nippers overall and saw a 3% increase on the 2017/18 season. After reviewing retention rates from previous seasons a number of clubs have worked towards implementing strategies this season to retain their high nipper numbers.

Throughout the 2018/19 season a total of 2935 awards were gained by all age groups resulting in a 2.95% increase on the 2017/18 season. Of this total, 2773 nippers gained their nipper age awards and 162 U14s gained their Surf Rescue Certificates. Throughout the season all JACs have had the opportunity to provide feedback into reviewing the following season's process and resources.

Over the 2018/2019 season, a total of 39 members became fully qualified age managers having now completed their Junior Activities Age Manager - Online Theory and their Junior Activities Age Manager Course. This season, 37 Junior Activities Accreditation Officer (JAAO) awards were issued; a JAAO is able to sign off on pool swims, run swim run sheets for preliminary evaluations/competition evaluations and age group awards. We would like to thank all our Age Managers, Bronze Assessors and JAAOs that assisted in supervising and signing off our Junior Activities members this season.

A final thank you to all those who made Junior Activities possible this season, with the help of clubs and their volunteers the 2018/2019 season was a successful one for South Coast Branch Junior Activities.

Dean Love

Director of Junior Activities

South Coast Branch Junior Lifesaver of the Year - Maeka Free

It was a great honour and achievement to receive the U14 SCB Junior Lifesaver of the Year. I am so privileged to be able to represent South Coast Branch in the State interviews. This award taught me how lucky I am to be surrounded by people in my surf club who believe in me, as they were the people who nominated me. Also, I am so grateful to have been chosen for this award against so many other outstanding U14's.

This award meant a lot to me as I can show others that it's not about being the biggest, but about putting yourself out there for opportunities and guidance and taking them when you can. To me, this award is an acknowledgment of all the hard work I have done over nine years, including all the fundraising events I have contributed to, being water safety, trainings and competitions with my surf club, contributing to the volunteer service with over 165 hours of patrol in my first season as an SRC and so much more.

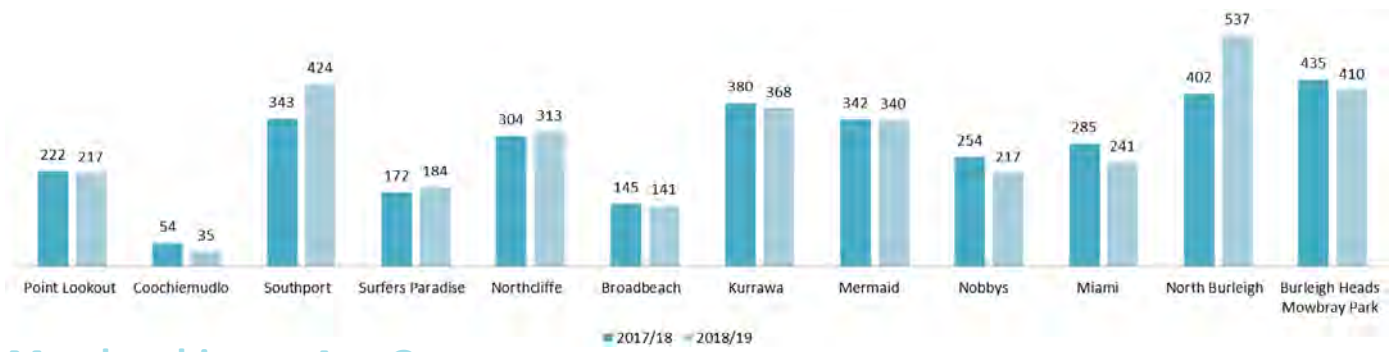

I am proud to look back on nippers as a positive and helpful experience, Surf Life Saving has given me so many opportunities; such as representing my club and Surf Life Saving in the 2018 Gold Coast Commonwealth Games, and proudly marching in ANZAC Parades in my patrol uniform annually each year. I am particularly passionate about mentoring younger age groups as there are so many aspects of Surf Life Saving that younger nippers can get involved in and I can't wait to share my experiences with others.

Youth Development Report

Ian Tannahill, Deputy President

Most parents I believe will agree with me that their children's mental health concerns them just as much as their children's academic results and future employment prospects. As young adults navigate their way through life's transitions, such as the progression from nippers to being a cadet; puberty; the realization for the first time that they have intense feelings for another individual and the overwhelming sense of loss that follows a breakup – and of course finishing school, young adults can, and often do, appear lonely and lost. Despite having large numbers of online friends and the ability to connect with them at virtually any time, day or night, for many, their 'Facebook friends' don't meet their need for support. Instead, this false sense of connectedness has left them vulnerable and socially isolated.

A primary focus of the Youth Development portfolio has always been to develop leadership skills and foster future leaders. Indeed, Melissa King, former CEO of Surf Life Saving Australia, once said to me, "Lifesaving builds leaders and employers look for a reference to lifesaving on resumes." However, more importantly, I believe the various youth related activities conducted by the Branch also help youth members connect with members from different patrol groups and from other clubs in a positive way that provides them a sense of belonging to a much larger 'family' that is surf lifesaving, while also giving their lives a meaningful purpose.

What I saw in my travels during the season were participants from past Branch events mixing at club events with young adults from other clubs. As the youth members progress through life's transitions, I believe the friends youth members have made through lifesaving will be there for them in the future when they need comfort and support. For this reason, I commend all clubs to encourage their youth members to attend Branch youth related events and that they extend a warm welcome to members from other clubs in relation to their own events. In doing so, together we can create a strong sense of community throughout the Branch.

Fright Night – 12 October 2018, Movie World (15 Years+)

Hundreds of youth from the South Coast Branch and Point Danger Branch descended on Movie World for an adrenalin night of terror that included navigating their way through terrifying mazes, exploring blood-curdling precincts and enjoying the thrill of Movie World's rides in the dark.

Gold Coast Youth Development Camp – 9 – 11 November 2018, Tyalgum Ridge Retreat (13 – 15 Years)

The Gold Coast Youth Development Camp is a joint initiative of the South Coast Branch and the Point Danger Branch. The camp, which is held annually, aims to develop participant's lifesaving skills, as well as skills in areas such as leadership, problem solving and teamwork.

UQ SLSQ Leadership Excellence Camp (18 – 30 Years)

The Leadership Excellence Program, ("LEP"), is conducted annually by SLSQ in partnership with the University of Queensland. The aim of the program is to provide participants aged between 18 and 30, who have been identified as future leaders within surf lifesaving, with the knowledge and skills necessary to advance as a leader within their club, branch and state.

Attendees

Lauren Sampson	Burleigh Heads	Samuel Lyon-Jones	Northcliffe
Harrison Gordon	Coochiemudlo Island	Christie Short	Northcliffe
Bradley Hall	Coochiemudlo Island	Nicholas Langenberg	Point Lookout
Zachary Henwood	Miami Beach	Juliana Grana	Surfers Paradise

Gold Coast Youth Ball – 26 April 2019 at Mantra on View, Surfers Paradise (13 – 18 Years)

280 youth from the South Coast Branch and the Point Danger Branch celebrated the end of the 2018/2019 Season in style at the Mantra on View, Surfers Paradise. The night was filled with laughter, dancing and lots of fun. During the evening, participants in the YIPs program who had achieved the Gold Level were presented with a medal and Certificate from Surf Life Saving Queensland. Certificates were also presented to the following individuals who had been nominated by their club for a Youth Excellence award.

Youth Excellence Awards

Youth Involvement Program (YIPs) (13 – 18 Years)

YIPs is a structured rewards program for lifesavers aged between 13 and 18. It comprises three levels, namely "Bronze", "Silver" and "Gold", and whereby, in order to reach a particular level, participants must gain points from participation in three or more lifesaving activities, including lifesaving patrols, educational development (awards gained), junior activities (nippers – water safety), competition (intra and inter club competition), fund raising, social activities, club activities and a community project (Gold Level only).

Congratulations to the following YIPs participants on achieving the Gold Level.

Alexandra Brosnan	Mermaid Beach
Sophie Gerry	Mermaid Beach
Skye Lees	Mermaid Beach

I would like to thank all of the club Directors of Youth Development/Youth Development Officers for their support during the season and for encouraging their members to attend the abovementioned events. Further, I would like to thank Kerrie Barnes and Claudia Fien from Point Danger Branch for helping to coordinate the activities involving both of our Branches. Lastly, a big thank you to Rebekah Austin (Regional Membership & Participation Coordinator Gold Coast) for the hard work that you do behind the scenes to ensure that events run smoothly, including in particular, the Gold Coast Youth Ball.

Ian Tannahill
Deputy President

Emergency Care Report

Don Stevenson, Emergency Care Officer

The 2018/19 Season saw me taking over the role of Emergency Care Co-ordinator from Doug Raby who has performed the role for many seasons. On behalf of the Branch I would like to thank Doug for his efforts in this role over the years.

This season I visited all clubs within the Branch and did a full First Aid Room inspection including a full audit as per the Patrol Operations Manual. I was made very welcome at every club I visited and was pleased to find every First Aid room in the Branch to be spotlessly clean and tidy. The First Aid Room audit list was quite extensive and I was very pleased to note that all clubs received a high result. So, a big well done goes out to all of the First Aid Officers and their Assistants within South Coast Branch.

Congratulations to all the members that gained a new CPR, First Aid or ART award over the past season, without these valuable skills we cannot patrol our beach so your attendance at these courses is valued by your clubs and the Branch. I would like to thank the small band of Emergency Care Trainers that gave up their time to train our members. Between them they trained and assessed 331 CPR, 330 First Aid and 151 ART awards. Many of these people also hold other volunteer positions with their home club, so well done and thank you.

If all goes to plan, I will continue the role in the coming 2019/20 season and I am looking forward to seeing you all on the beach during the coming season.

Don Stevenson
Emergency Care Officer

Patrol Inspector Report

Steve Owen, Patrol Inspection Coordinator

“No Lives Lost between the Red and Yellow Flags” on South Coast Branch beaches.

I would like to begin by thanking all 12 Clubs, Club Captains, Patrol Captains and Patrolling Lifesavers for now over 100 years we have been sticking the Red and Yellow Patrol Flags in the sand and keeping watch over all that use and enjoy our wonderful beaches.

This season, each club received four Patrol Inspections with a total of 48 carried out within the Branch, of which resulted in 35 patrols gaining scores of 100/100 and 13 patrols scoring in the 90's/100. Four clubs scored a perfect 100/100 for their four inspections totalling 400/400 to share overall winner's trophy. All winners will be announced at this seasons Annual Dinner and Awards Night.

Thanks to our Patrol Inspection Team consisting of myself, Jeff Gatenby, Lisa Maddison, Mark Flavell and Don Stevenson for carrying out these inspections and for Don who also carried out the Club's First Aid Room Audits within compliance of the Queensland Surf Life Saving Patrol Operations Manual.

Congratulations to the clubs and lifesavers who competed in the “South Coast Branch Surf Rescue Championships” which consisted of First Aid, Champion Lifesaver and Patrol Competition Events.

Congratulations and thanks to our Director of Lifesaving - Evan Thomas, Director of Education - Richard Morgan and our President - Pat McCue for an outstanding season in office on the SCB Executive Committee and for steering the Board of Lifesaving to a successful season.

Yours in lifesaving,

Steve Owen

2018 Interbranch Team

We wish to congratulate the 2018-2019 South Coast Interbranch Team for a well fought campaign on the Sunshine Coast. As a group, the team worked together to achieve the best results for our Branch in a number of years. We managed to improve in most areas of competition and had the eventual winners, Sunshine Coast, on the ropes to the last events.

A narrow loss by 34 points is a testament to the efforts that everyone put in. Special thanks must go to the team management, lead by John Brennan OAM, assistant team manager Brooke Ward and stand in assistant manager Nikki Karadag, to the age managers, our IRB Driver and crew, our water safety parents who put their hands up at the last minute to assist, Matthew Simons and all of the officials who gave of their time to come up to the Sunshine Coast. In most cases the officials attending did not have children competing. Thank you to the parents who helped arrange, organise, support and encourage the competitors to achieve the best they can. Our coaching staff Nick Marshall, Melinda Jackson and Murdoch Finch, thank you for your leadership and guidance.

The great thing about the competition is the comradery and support provided to junior competitors by the senior competitors. Our team captains Tahlia Dilkes and William Taylor and to outgoing second year under 17's we thank you for multiple years of service to the Branch.

Finance Report

Denis Cahill, Director of Property & Finance

It is with privilege that I present the South Coast Branch Inc Financial Report for the 2018/2019 lifesaving year.

This season, the planned affiliation fee to clubs was rebated by the Council at its January meeting in full as a result of the strong cumulative financial position the Branch currently finds itself. As part of the current budget it has been adopted to follow the same plan for the upcoming season with a review of the requirement for the affiliation fee to be taken at the January Council meeting.

For the fifth year running the Branch has been able to pass the full amount of \$65,000 of the Gold Coast Council Grant back equally to all Gold Coast Clubs in our Branch. All Gold Coast Clubs should be encouraged to acknowledge Gold Coast Council for their continued support in respect to the continuation of this Grant, which helps to provide lifesaving services on the beaches of the Gold Coast.

Through the Surf Sports events being run by the Branch, host clubs and providers of IRB's have received over \$21,000 (2018:\$17,000) (2017:\$24,000) (2016:\$28,000), (2015: \$18,000) which was down in comparison to 2017 and 2016 due to surf conditions causing cancellations in return for assisting with the running of these carnivals. We have managed to continue to run with a minimal charge of \$11 per competitor for a one day carnival and \$22 per competitor for a two day carnival which could be considered to be quite a competitive nomination fee rate in comparison to other carnivals on the calendar. For the next season, Branch will continue to reimburse clubs for fully crewed IRB's that are provided to assist with the running of the carnival, with a premium payment to be made for the Duty Boats in charge at each carnival next season, although, there will be a slight increase in carnival fees for the U11 and above age groups with the U10 carnival maintaining the same charges.

The Oceans 38 surf sports joint venture continued to be a success, although the 2019 distribution is still not known at the time of writing this report. In previous years our Branch has received as follows (2018: \$7,500) (2017: \$6,000) (2016: \$12,500) (2015: \$8,000) disbursements from this series of carnivals and we need to thank the organisers of this surf sports venture for its continued success.

At this time we need to acknowledge and thank as a Branch the continued support of the Gold Coast Council for its Annual grant of \$65,000; the Queensland Government for its support via the annual subsidies; The Star Gold Coast for its support of our 2018 Annual Dinner \$5,000, SLSQ for the grants received to assist with our youth programs and SLSQ for its continued agreement to provide a serviced office to our Branch for our continued operations.

Finally I would like to thank the members of the Executive, Branch Councillors and Office Staff for their support and assistance throughout the past year.

Yours in Surf Life Saving,

Denis Cahill
Director of Property & Finance

SURF LIFE SAVING QUEENSLAND, SOUTH COAST BRANCH INC.

Committee's Report

For the Year ended 30 April 2019

Your committee members submit the financial accounts of the Surf Life Saving Queensland, South Coast Branch Inc. for the financial year ended 30 April 2019.

Committee Members

Patrick McCue
Denis Cahill
Richard Morgan
Brooke Ward

Dean Love
Ian Tannahill
Evan Thomas

Principal Activities

The principal activities of the association during the financial year were:

"Promote, demonstrate and instruct the methods of Surf Life Saving and advance and control the work of Surf Life Saving".

Significant Changes

No significant change in the nature of these activities occurred during the year.

Operating Result

The profit after providing for income tax amounted to \$7,852.00, (2018: (\$11,145.00)).

The committee has determined that the association is not a reporting entity.

The committee has determined that this special purpose financial report should be prepared in accordance with the accounting policies in note 1 to the accounts.

In the opinion of the committee the accompanying accounts:

1. Present fairly the financial position of Surf Life Saving Queensland, South Coast Branch Inc. as at 30 April 2019 and the results and cash flows of the association during the year ended on that date in accordance with applicable Australian Standards and other mandatory professional reporting requirements; and
2. At the date of this statement, there are reasonable grounds to believe that the association will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

Patrick McCue
President

Denis Cahill
Director of Finance and Property

SURF LIFE SAVING QUEENSLAND, SOUTH COAST BRANCH INC.
Independent Auditor's Report to the members

We have audited the accompanying financial report, being a special purpose financial report, of SURF LIFE SAVING QUEENSLAND, SOUTH COAST BRANCH INC. (the association), which comprises the Statement by Members of the Committee, Income and Expenditure Statement, Balance Sheet, a summary of significant accounting policies and other explanatory notes for the financial year ended 30 April, 2019.

Committee's Responsibility for the Financial Report

The committee of SURF LIFE SAVING QUEENSLAND, SOUTH COAST BRANCH INC. is responsible for the preparation and fair presentation of the financial report, and have determined that the basis of preparation described in Note 1 is appropriate to meet the requirements of the Associations Incorporation Act of Queensland 1981 and is appropriate to meet the needs of the members. The committee's responsibilities also includes such internal control as the committee determine is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion of the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the association's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial report presents fairly, in all material respects, the financial position of SURF LIFE SAVING QUEENSLAND, SOUTH COAST BRANCH INC. as at 30 April, 2019 and of its financial performance for the year then ended in accordance with accounting policies described in Note 1 to the financial statements, and the Associations Incorporation Act of Queensland 1981.

SURF LIFE SAVING QUEENSLAND, SOUTH COAST BRANCH INC.
Independent Auditor's Report to the members

Basis of Accounting and Restriction on Distribution

Without modifying our opinion, we draw attention to Note 1 to the financial statements, which describes the basis of accounting. The financial report has been prepared to assist SURF LIFE SAVING QUEENSLAND, SOUTH COAST BRANCH INC. to meet the requirements of the Associations Incorporation Act of Queensland 1981. As a result, the financial report may not be suitable for another purpose.

Signed on: 5 JULY 2019

STEPHEN KAY, CHARTERED ACCOUNTANT
STEPHEN KAY & CO PTY LTD

SURF LIFE SAVING QUEENSLAND, SOUTH COAST BRANCH INC.

Notes to and forming part of the Financial Statements

For the year ended 30 April 2019

1. Statement of Accounting Policies

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the *Association Incorporations Act*. The committee has determined that the association is not a reporting entity.

This report has been prepared in accordance with the requirements of the *Associations Incorporation Act*, and the following Accounting Standards and other mandatory professional reporting requirements:

AASB 112:	Accounting for Income Tax
AASB 1031:	Materiality
AASB 110:	Events after Balance Sheet Date
AASB 117:	Leases

No other Australian Accounting Standards or authoritative pronouncements of the Australian Accounting Standards have been applied.

The financial report has been prepared accruals basis and is based on historic costs and do not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

(b) Property Plant and Equipment

Plant and equipment is stated at cost less accumulated depreciation. Buildings are valued at fair value less accumulated depreciation. Building Improvements are stated at cost less accumulated depreciation.

The Branch Headquarters are designated as a special purpose non-residential building and net replacement value is utilised as fair value. The building was independently valued on 30 April 2004. The building has since been revalued using ABS Index 6427 – Construction of Non-Residential Buildings Queensland. This revaluation was made effective from 1 May 2010. A review of this index in May 2012 revealed that the variation in this index was -0.4%. The Committee resolved that this movement was immaterial and not to revalue the building in 2013/14. No further revaluation has been made at 30 April 2019.

Depreciation has been applied over the useful life of the assets as follows:-

Buildings	2% straight line
Building Improvements	20% diminishing value
Lifesaving Equipment	25% diminishing value
Surf Sport Equipment	25% diminishing value
Other Equipment	25% diminishing value
Motor Vehicles	25% diminishing value

2. **Joint Ventures**

The South Coast Branch SLSQ Inc is a party to a joint venture. This joint venture is for Gold Coast Youth Development with the SLSQ Point Danger Branch Inc.

Youth Development

The purpose of this venture is to run programs for clubs in both Branches to assist them in developing and retaining younger members up to the age of 18. Administration of this venture is undertaken by SLSQ South Coast Branch.

A full set of statements has been prepared and are included in the report.

3. **Donations/Sponsorships**

Donations received in 2018/19 were:-

	This Year	Last Year
	\$	\$
Donations	1,250	7,500
Oceans 38 Distribution	-	7,500
Sponsorships: Surf Sports	38	5,000
Other	4,545	-
Total	5,833	20,000

4. **Grants and Subsidies Income**

Details of grants received during 2018/2019 are:

	This Year	Last Year
	\$	\$
DES Subsidy	23,091	22,181
GCCC Grants General	65,000	65,000
SLSQ Regional Subsidy	5,502	1,000
Deferred Grants	-	-
Other	13,861	-
Total	107,454	88,181

5. **Financial Earnings**

	This Year	Last Year
	\$	\$
Net Earnings from Investment	8,739	6,245
Bank Interest	520	576
Total	9,259	6,821

Investment earnings include capital gains/losses less fees. See Note 14 for additional information on investments.

6. **Insurance**

Insurance has been assessed on an accrual basis in 2018/19. The amount expensed represents insurance cover for the period 1 May 2018 to 30 April 2019. An amount of \$2,050 is included on the Balance Sheet as a prepaid expense and represents the balance of the premium for the period 1 May 2019 to 1 October 2019.

7. **Lifesaving Expenses**

	This Year	Last Year
	\$	\$
First Aid	782	451
Training Lifesaving	-	-
Uniforms – Lifesaving	-	1,209
Lifesaving Expenses – Travel	15	29
Lifesaving Expenses – Conference	-	-
Total Lifesaving Expenses	797	1,689

8. **Sports Expenses**

	This Year	Last Year
	\$	\$
Travel and Accommodation	-	-
Trophies & Medallions	7,400	7,400
Carnival Expenses	30,461	18,862
Training Surf Sport	-	2,839
Officials Expenses	1,496	402
Interbranch Expense	12,449	7,795
Other	1,083	-
SLSQ Awards + Conference	1,800	736
Total	54,689	38,034

9. **Club Disbursements**

The Association receives a donation from the Gold Coast City Council and disburses these to Clubs within the Gold Coast City Council area under a grant scheme. The Association also distributes a portion of revenue it receives from carnival nomination fees to host clubs. Details of disbursements in 2018/19 are:-

	This Year	Last Year
	\$	\$
Carnival Disbursements	3,500	3,500
GCCC Grant Disbursements	65,000	65,000
Club Disbursements	-	6,000
	68,500	74,500

10. **Cash**

Details of Cash Items held as at 30 April 2019 are:

	This Year	Last Year
	\$	\$
<i>Accounts held with Westpac</i>		
Interest Earning Account	57,537	39,842
Cash Reserve	79,581	84,096
Gift Fund Account	1,271	1,268
Cash Drawer	-	-
	<u>138,389</u>	<u>125,206</u>

The Westpac Cash Reserve account is used to enable the Branch to take advantage of higher interest rates and lower fees from this account structure.

11. **Receivables**

As at 30 April 2019 aged accounts receivable were as follows:-

Total Due	0-30 Days	31-60 days	61-90 days	90 Days
\$177.00	\$0.00	\$0.00	\$22.00	\$155.00

12. **Other Assets**

Other Assets comprise prepaid expenses and deposits. As at 30 April 2019 these comprised:-

	This Year	Last Year
	\$	\$
Prepaid Medals	7,401	14,801
Prepaid Insurance	2,050	1,299
	<u>9,451</u>	<u>16,100</u>

13. **Investments**

On the 16th May 2004 South Coast Branch invested an amount of \$100,000 in the Surf Rescue Trust Fund administered by the Surf Lifesaving Foundation. The foundation engaged Perpetual Trustee Co Ltd as fund managers. Funds can only be withdrawn from the investment fund upon resolution of the Branch Council. This is in accordance with the initial resolution by the Branch Council and subsequent instructions given to the Trustees.

As at 30 April 2019 the balance of our account was \$192,079.44. This represents a net increase of \$8,739.10 after management fees of \$542 were deducted and a 4.77% return on our investment over the 12 months to 30 April 2019. This amount is included under the Financial Earnings in the Profit and Loss statement. Movements in the account for 2018/19 were:-

	This Year	Last Year
	\$	\$
Opening Fund Value	183,340	177,095
Earnings	6,937	5,766
Capital Value Movement	2,344	1,041
Less Fees and Charges	(542)	(562)
Closing fund Value	<u>192,079</u>	<u>183,340</u>

The investment is part of the Lifesavers medium Term Fund and represents 3.8156% of the total value of this fund. Portfolio asset allocation of this fund as at 30 April 2019 was:-

Asset Class	Market Value
Australian Cash	59.90%
Australian Fixed Interest	8.97%
Australian Property	6.89%
Australian Shares	12.05%
International Shares	12.19%
International Fixed Interest	0.00%
Other	0.00%
Total	<u>100.00%</u>

14. Property Plant and Equipment

Rent	326	310
Maintenance	984	527
Rates	528	561
Total	<u>1,838</u>	<u>1,398</u>

2017/18 Clive Hammond OAM Recipient

Philip Chipman

Phil Chipman, President of Mermaid Beach AEME Surf Life Saving Club from 2011/12 – 2017/18, was awarded life membership of Mermaid Beach AEME SLSC in 2015. In seasons 2015/2016 & 2016/2017, in addition to being the President at Mermaid, Phil was also the President of South Coast Branch and has served 17 continuous years on his clubs management committee.

Phil commenced his contribution to lifesaving in 1990 when he joined Southport SLSC. He showed his passion to be a leader within the movement when he became a Patrol Captain and, in addition, he was the Club Vice Captain the following year. When Phil joined Mermaid in 1999, he was Patrol Captain and Boat Captain within two years. During this time, Phil had a passion to learn all he could about how to be a leader within a volunteer movement. In 2007 Phil became the Surf Sports Director which he held for two seasons. In 2010 he was the Secretary. During this year, Phil was mentored by the President and was fully engaged in determining how his future leadership might improve the club. As a result, Phil was voted in by the membership the following year, 2011, as the President.

Phil has achieved so much this season; his contributions have included all sections of the club, resulted in continued growth and achievements for individuals within the club and the club as a whole. His contributions include – introducing and updating club procedures, supporting and attending club fundraisers, offering support and assistance to the Club Captain who was new to the role, water safety at nippers every week and 128 hours as a coach for the Boat Section. Phil has been an integral part of building the Boat Section at Mermaid. His passion for team work and inclusiveness has culminated in the Male 180 Years Masters Team, The Mermaid Mayhem, in which he rows, winning the Gold Medal at both the 2018 SLSQ State Championships and the 2018 SLSA Australian Championships.

Over the past four years, Phil has been heavily involved in the consultation and coordination with the new Coffee Shop Managers, Supporters Club, Gold Coast City Council and Surf Club members regarding the design and construction of the Coffee Shop. Phil also facilitated the discussion and coordination of the Disabled Youth Support Program in partnership with FSG which will culminate in the relationship with teenagers with a disability who will be trained to patrol as a part of the team at Mermaid Beach AEME SLSC.

Phil's contributions to Mermaid Beach AEME SLSC have been outstanding and resulted in the development of members, and therefore, the club as a whole. Phil understands and values building into members in order to empower them, increase their personal well-being and encourage them to achieve even more than they believed possible. The well-being of Mermaid Beach members is of the highest priority to Phil, he shows this as he is always available to meet with people to assist them with whatever task or issue they may be facing. Phil is patient and understanding and strives to instil a sense of oneness within the club whilst valuing the individual and their particular reason for being part of the club family. With Phil directing the club culture within the values described in the strategic plan, he has instilled a sense of trust and integrity within the club which has resulted in the friendly, welcoming club that Mermaid pride themselves to be known as.

As well as Phil's commitment to building the members at Mermaid, his ability to design processes and coordinate projects has made him an invaluable and special part of the team at Mermaid. He has the ability to present vision to the members in a way that they can identify with the vision and understand how to achieve it.

Phil exemplifies the vision, values and mission at Mermaid Beach AEME SLSC and this has earned him the 2018/19 Clive Hammond OAM Medal.

Congratulations Phil!

Vision

Zero Preventable Deaths in South Coast Branch Patrolled Waters

Mission

To promote and facilitate services to ensure all clubs within South Coast Branch remain healthy, vibrant and sustainable in all areas of surf lifesaving.

Thank you to all of our members that helped to support our vision and mission during the 2018-19 season.
