# SLSQ ANNOUNCES TWO NEW LIFE MEMBERS

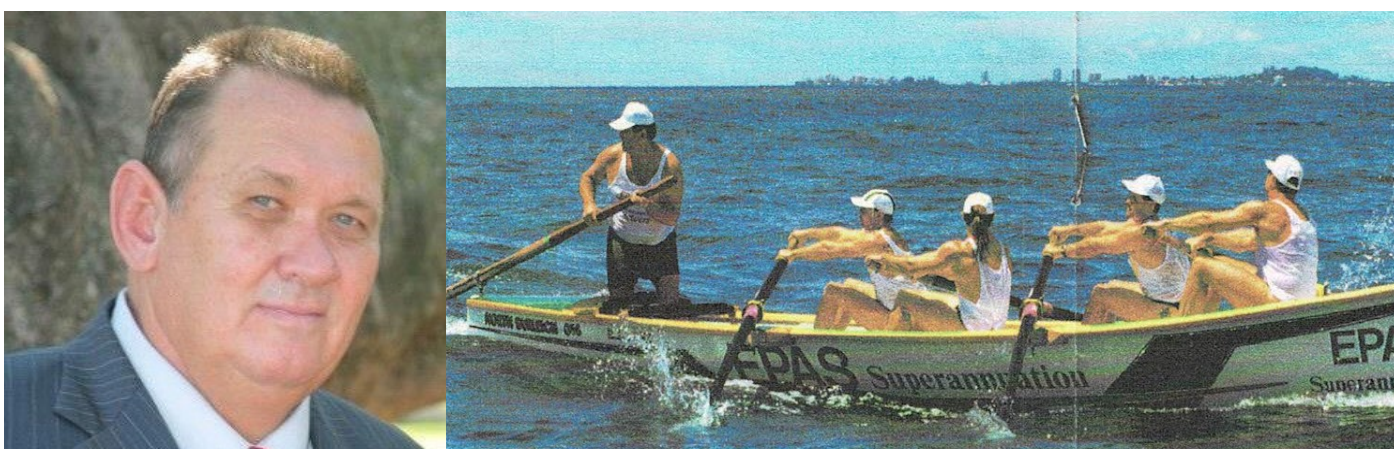

Surf Life Saving Queensland has recognised two members for their outstanding contribution to the movement by awarding them SLSQ Life Membership at the 2019/20 Annual General Meeting held on Friday 30 October 2020. Mark Fife OAM SLSQ President stated:

*"We would like to congratulate those honoured with Life Membership and thank them for their dedication over the years," he said. "Life Membership is the highest honour that can be bestowed upon a member who is considered to have rendered special service to the organisation."*

**Charles Melloy** joined North Burleigh SLSC in 1964 and has gone on to devote countless years of service to the organisation. Charles has a strong passion for surf sports, having been initially involved in Junior and Open Boat crews since the 1960's.

He has gone on to serve 20 years of continuous service as a Surf Sports Official at all levels, even officiating at World Championships across the globe.

Charles has held various roles across a range of committees including Chairman of the State Surf Sports Committee, Officials and Assessors Finance Committee, State Selection Committee and State Surf Sports Meritorious Awards Selection Panel.

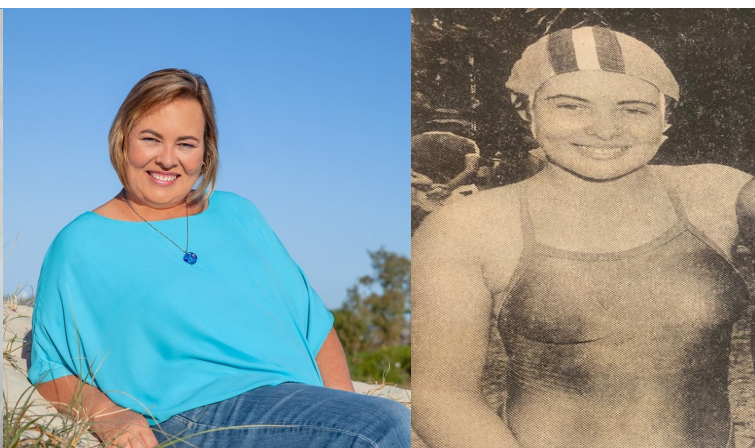

**Melinda Jackson** commenced her life saving journey at Ellis Beach in North Queensland back in 1981. After over thirty years in the region, Melinda and her family made the move to South Coast Branch, joining Kurrawa in 2014 and, Northcliffe in 2017.

She has contributed to all aspects of the organisation from surf sports to junior activities and lifesaving. Melinda has a total of 137 lifesaving awards which reflect her extensive knowledge, skills and ability to give back to the community in a proactive and positive manner. She remains an active patrolling member to this day.

Melinda has been a Trainer and Assessor for over 30 years, a highlight being recognised for contributing more than 20 years of Assessor Service. She has also been a coach for over 20 years. Melinda is the Team Manager for various Branch, State and Australian teams and also coaches pool rescue.

Additionally, Melinda has fulfilled executive roles including North Queensland Director of Junior Activities, Deputy Director of Lifesaving and Deputy Director of Surf Sports. She currently is Director of Surf Sports for South Coast Branch. Melinda has also contributed to member development by coordinating and presenting at various lifesaving and youth camps.

# CHIEF LIFEGUARD WARREN YOUNG PSM RETIRES AFTER 48 YEARS

Warren has spent most of his adult life patrolling some of the busiest beaches in Australia, pulling struggling swimmers to safety and coordinating the nation's largest unit of professional lifeguards.

However, after close to 50 years in the job, Warren Young still refuses to watch Jaws. "I don't need to have that in my head," he said. Despite his reluctance to see the Spielberg classic, Warren's last day on the job after 48 years has been celebrated across the Gold Coast.

Ironman legend Trevor Hendy said Mr Young has been a **"Gift to the Gold Coast"**.

"Not just as a lifeguard and chief lifeguard, but as an incredible human, the energy you bring," he said.

Miami Surf Life Saving Club mate Jon Schubel takes a morning swim with Mr Young every Friday.

Mr Schubel said, after 53 years as a club member, Mr Young had been happy to give the club's volunteers some tongue-in-cheek advice. For his dedication and commitment to Lifesaving, Warren was named Life Member of Miami SLSC in 1991.

He'll ask us after patrol 'did anyone drown today?'.

We'll say 'no' and he'll say 'oh you did a good job'. "Same thing every week."

Mr Schubel said Warren's friendship and humour had been 'good for the soul' and the Miami Surf Club community.

"It's contagious," he said. "It's good to unwind after a week at work and just speak absolute rubbish."

Mr Young's daughter, Jessica Weatherall, said growing up with her father had been "just a constant extroverted extravaganza".

"Dad remembers everyone, he likes to talk to everyone," she said.

"When I was younger, I was a little bit embarrassed by it but as an adult I feel really proud of him."

Jess said she's grown to appreciate how important his job has been but is looking forward to him spending more time with her children.

"He's just got a really innate ability to play with kids and they just love him and he loves them back."

"One really beautiful thing about retirement for us is probably getting a bit more time with him," she said.

## Warren Young says Goodbye

Mr Young said amongst his top achievements was the establishment of lifeguard towers between Surfers Paradise and Southport in 1989. At the time this location was known as 'death alley', because of the number of rescues and drownings that occurred due to the proliferation of high-rises and no safety measures were in place at that time.

The City of Gold Coast named the lifeguard centre in Burleigh Heads after the 71-year-old. However, Warren Young deflected the honour modestly, instead thanking and praising his fellow professional lifesavers. Our crew have been ambassadors for our Gold Coast beaches. It's the one job where there's no script when people come up to you," he said.

"It's a really, really rewarding job ... a lot of people do say thanks."

As for his last daily surf report, Mr Young told ABC Gold Coast that "it's a glorious morning".

"It doesn't get much better does it?"

# Notice of Annual General Meeting

Notice is hereby given of the 76th Annual General Meeting of Surf Life Saving Queensland South Coast Branch that will be held at the South Coast Branch Building, 178 Hedges Avenue, Mermaid Beach, 9.00am registration for a 10:00am start on Saturday 17th July 2021.

- 1 Opening – attendance including apologies and proxies
- 2 Confirm and adopt the minutes of the 2020 Annual General Meeting
- 3 Affiliation of the Clubs to the Branch and the Branch to SLSQ and SLSA
- 4 Presentation and Adoption of the 2020-2021 Annual Report and Financial Statements
- 5 Endorsement of Councillors
- 6 Alterations of the Constitution/By-Laws
- 7 Election/Appointment of Officers
- 8 Endorsement of the Executive, Lifesaving Committee, Surf Sports Committee, Junior Activities, Youth and Member Development Committee, and other Committees
- 9 Announcement of Life Membership Awards
- 10 Appointment of Delegates to Auxiliary Organisations
- 11 Appointment of Auditor
- 12 Election of Patrons for 2021-2022
- 13 Motions of which due notice has been given
- 14 General Business

The Chairperson reserves the rights to amend the order in which business is taken.

# Executive & Branch Report

*George Hill ESM, President*

The 2020/21 season has been a very exciting and challenging year for the South Coast Branch of Surf Life Saving Queensland. With the continued challenges forced upon us by the COVID restrictions, once again our Surf Life Saving members have excelled in performing their volunteer lifesaving duties on behalf of their respective Surf Lifesaving clubs and the organisation in general.

I am constantly in awe of our volunteers that continue to go above and beyond to ensure that our beaches are patrolled safely, our members are well trained, our youth is developed, money is raised, club governance is maintained, our skills tested and honed in the competition arena, while always having the safety and wellbeing of the community at the forefront of everything we do.

Our 12 clubs from Point Lookout to Burleigh Heads have again successfully upheld the safety of the beach going public by achieving zero preventable drownings between the red and yellow flags. Congratulations to our club captains and patrol captains of whom lead their patrolling members to ensure rescue numbers and drownings are minimised and for their unwavering focus remains on our motto of vigilance and service.

One of our key challenges is to ensure how we can collectively engage the wider community effectively enough to minimise the drownings (a total of 5 this season) occurring outside of our flagged areas and outside of our patrol times. This would have to be the biggest challenge we face today if our visionary goal is to be met.

With the rapid increase of new residents moving from interstate to the Gold Coast and Brisbane we will certainly need to think outside the square on how we monitor our beaches collectively in the future. There is a great opportunity now to embrace our relationships with the Gold Coast City Council, The Queensland Government and emergency service agencies to take our service delivery to the next level.

Personally I also found the year very challenging due to the changing of our human resource structure within the Gold Coast Regional Office and the loss of 2 key staff members was a huge hole to replace prior to the season getting underway. We believe there's still some work to be done here to improve our Branch service model of which the Branch Council is continuing to monitor.

What pleased me the most is the rapport between our clubs, club councillors and Branch to ensure that we continue to deliver the support to our members that is required for them to achieve success in their respective clubs.

Each of our clubs has had their own challenges. Not all clubs are exactly the same in their size, financial position or needs, hence it is imperative that the Branch, supported by SLSQ continues to be flexible and engaged with its members to ensure that each individual club's challenges are well known and supported accordingly.

I can ensure to all of our members within the South Coast Branch that your Branch Executive continues to remain focused on supporting our clubs and members where possible, with decisions and actions that are taken, assisting our clubs to achieve your goals and objectives while also making sure we meet organisational strategy, standards and member safety and wellbeing.

The focus on club support will be an imperative goal of the Branch next season and we will work closer with our club's to review their respective priorities in line with our association's strategic priorities to ensure our members are well supported so their goals can be achieved.

There are many people who contribute to the success of South Coast Branch this season and I would firstly like to thank the Branch Executive Committee Ian Tannahill, Denis Cahill, Evan Thomas, Melinda Jackson, Richard Morgan, Dean Love and Sonita Leng-Cole for their continued support and their sustained focus in their respective portfolios.

It was great to see the Branch take on the feedback of our competitors, coaches and officials which saw us adjusting our carnivals and event timetables accordingly. I thank the sports committee led by Melinda Jackson in bringing us an improved delivery of our South Coast Branch events.

Also what a great result by our South Coast Branch team in taking out the Inter-Branch Championships, bringing back the trophy to where it rightfully belongs.

A special thank you for his unwavering support to Director of Finance, Denis Cahill who will not be seeking re-election for next season. We wish Denis well with his future endeavours and thank him for the many years he has led our finance area, leaving us in a sound financial position.

To the Club Presidents, I thank you for your support and commitment to your respective clubs and the trust and respect that you have given me in my role as your chairperson of the Branch Council. I believe we have a strong, positive working group that can take this branch onto further success in the immediate and long-term future, thank you Councillors it has been an honour to serve you.

It was also pleasing to see the Lifesaving Committee led by Evan Thomas review their long-term patrol inspection panel by renaming and refocusing the panel towards patrol development with a key focus on educating and supporting our respective patrol groups, while maintaining a high quality of patrol service delivery. I believe other Branches are now looking into a similar model.

It would be remiss of me not to mention the retirement of a Gold Coast icon, Miami SLSC Life Member and one of our very first Lifeguard Superintendents Mr Warren Young PSM.

Warren, on behalf of the Branch we thank you for all your commitment to the community and visitors of the Gold Coast. Thank you for your contribution and the respect you've always shown towards the red and yellow volunteer Surf Lifesavers. We wish you the very best in retirement, hopefully you will not be lost to the South Coast Branch and Surf Lifesaving in general.

I would also like to thank the support of the staff from Surf Life Saving Queensland and the Gold Coast regional office particularly Cathleen Edgar, Belinda Doman, Stu Hogben, Nathan Fife and Kerrie Barnes who have assisted with supporting our Clubs and office bearers whenever possible. We look forward to enhancing that support and building closer relationships that will further prosper our Branch. I would also like to thank Craig Jones for his tireless work as our Honorary Grievance Officer.

Thank you to the Gold Coast City Council and Redland City Council for their continued support of our Clubs and the Branch as a collective by providing financial assistance, grants, facility compliance management and special event approvals.

We would also like to acknowledge the Queensland Government who continue to support the 12 clubs within South Coast Branch with grant funding, service subsidy payments and emergency services support.

Sadly this year we have lost some pioneers, long serving members of our respective clubs who have helped create our heritage. Our condolences must go to those clubs and the families that have lost their loved ones throughout the year.

Throughout this annual report you'll be able to identify the wonderful achievements and success experienced by our clubs and their members and to the award recipients and champions, event winners and those that have been recognised for life membership and Australian honorariums I salute you and pass on our congratulations for your efforts and dedication.

I wish to extend my heartfelt gratitude and appreciation to our member's families and partners for their support of our organisation and to all of our, leaders, office bearers, operation support members, sport officials, assessors, facilitators, Nippers, Age Group Leaders and JAC Parents, thank you for making a difference with your positive contribution to your respective clubs and the South Coast Branch thank you one and all.

Again it has been an honour to represent our South Coast Branch members and clubs as your President. I will always continue to lead with a focus of engaging our members, ensuring compliance to the safety and wellbeing of our members and inspiring community safety while delivering the best service standards possible. I encourage you all in your time as a member of Surf Life Saving to ask yourself a question when pursuing your life saving duties, is what I'm about to say or do in the best interests of my club, my organisation, my members safety and my reputation?

Thank you everyone for the season and I look forward to seeing you all in the very near future.

George Hill ESM

# Rescue of the Month

Congratulations to the following members who were nominated for rescue of the month this season:

## **Brianna Free, David Morgan, Caitlin McNamara, Clare Copsey, Jack Dwyer, Charlie Dwyer — Southport**

At around 5:00pm, two swimmers, entered the water about 50m North of the flags, just beyond the IRB launch area. I moved across to move a couple of other swimmers who were just outside the flags, to ensure a clear path for the IRB to return to the beach and also request these other two swimmers return to the beach and swim between the flags. Almost immediately, the two swimmers found themselves getting swamped by a large shore break and getting washed into a hole off the edge of the bank. Both swimmers were immediately in difficulty and the male swimmer waved for assistance. I immediately called for the patrolling members on the Northern Flag to enter the water to assist, this being David Morgan and Jack Dwyer, at the same time I called the IRB, which was out the back being driven by Brianna Free with Caitlin McNamara crewing. Bri immediately responded and raced in to assist the one swimmer, who by this time had started to go underwater and I lost visibility of her in the Surf. Due to the conditions, Caitlin and Bri threw the lady a tube and circled, allowing David to swim to the other person and secure this swimmer with a tube. Bri and Caitlin circled and returned to the lady and although she was now under water, and washed under the boat, they managed to grab her, and again due to the Surf could not immediately get her into the boat, so dragged her out beyond the waves and then managed to get her into the boat and bring her safely back to the beach. Whilst bringing her back to the beach, she started to panic and was screaming in their face about where her husband was. In the meantime, Clare Copsey also entered the water to offer David some assistance to bring the male swimmer up the beach, which took some-time with them all stuck in the hole where the swimmers had got into difficulty and were being hit by some sizeable waves. At this time, Jack did not realise the boat had rescued the second swimmer and proceeded further out into the surf area to continue to look for the second swimmer. I then dispatched Charlie Dwyer on a board to help Jack, as from the beach it looked like he was also struggling to get back to the beach. As it happens, he was fine and when he realised we had returned both swimmers to the beach he made his own way back to the beach. I trust you will appreciate that Bri, Caitlin, David, Clare, Jack and Charlie were all somewhat shaken by this incident and immediately after the Patrol finished Julien and I sat with them to discuss the incident and praise their actions, which almost certainly saved this couple from drowning. When talking to the couple after the incident, the wife, who was fully covered from head to toe in a traditional outfit, which is why it was difficult to get her into the boat, also, the husband had specifically told his wife they should not swim between the flags, possibly a cultural thing. I would like to recommend these members be nominated for the rescue of the month, as I believe had the Patrol not been there, this couple would not have got back to the beach and possibly a third member of their group, may have also perished as I had to shout at him to get out of the water and leave the rescue to the Patrol, he was making gestures of attempting to go after the couple.

## **Matthew Whelan, Michael Dawes — Point Lookout**

Michael (IRBD) and Matthew (IRBC) took the IRB once they were called out to South Gorge. Due to the position of the patients (close to the rock wall) and the large waves pushing into shore and bouncing off the rock wall, the IRB was unable to spend much time next to the patients. Being a experienced IRB racing team, Matthew dove out of the IRB without a tube as it had been caught up inside the boat to hold the two patients above water. Matthew and Micheal successfully transferred one patient to the IRB, as well as Lifesaver Andrew Pryor who had swum out to assist as the Crewperson, returning the patient to Main Beach. They then left the patient with the patrol and drove the IRB Back to pick up the second patient.

## **Graham Adams, Sheldon Alcantara, Scott Bradford, David Bryant, Nick Tate, Matt Gunn—Northcliffe**

Just before Nippers began on Sunday morning 25/10/20 two Nipper Dads, Matt Gunn and Nick Tate were returning from a quick swim when they noticed a man, who had just exited the water, sit down and then fall back wards into an apparent seizure. He was only 10m from the patrol van so they alerted the patrol. Sheldon Alcantara, Scott Bradford, Graham Adams and David Bryant immediately grabbed the soft pack and headed to the patient. Andrew Moore got on the radio to Surfcom for assistance. Once he became non responsive they had the AED out and a shock administered in under 3 minutes. They did around 5 compressions and then the patient began to vomit. He was rolled into the recovery position and gradually became responsive. Oxygen therapy was also administered once vomiting ceased. Paramedics arrived and patient was transported to hospital. The man was identified as living alone quite close to the club. Follow up with members who know the gentleman advised he had suffered a blockage of one of the coronary arteries and had gone into cardiac arrest. He was scheduled for heart bypass surgery the next day and is doing well. Paramedics praised our members for their swift and professional action. Follow up with all members that afternoon and the next day to offer support/counselling. Younger members of the patrol were also debriefed and their parents advised. NB. Sheldon and Scott are both life members of Northcliffe SLSC with each completing over 25 consecutive years as Patrol Captains.

# Rescue of the Month

Congratulations to the following members who were nominated for rescue of the month this season:

**Sarah Williams, Jesse Mantell, Caitlin Ferguson, Kathryn Harris, Calan Lovitt, Matthew Whelan, Lisa Maddison, Alex Langenberg— Point Lookout**

\*A call was received from Surfcom that the missing diver was located at Flat Rock, then a few minutes later off Cylinder Headland. \*Correct location was given a few minutes later at the Group (off Deadman's/Frenchman's Beaches). Wave Runner 8 and Cylinder IRB were at each location assessing and passing information onto authorities, within minutes Main IRB and Racing IRB were assisting at the Group. \*local knowledge was essential in the search of the missing diver, the currents and sweep move water at a very fast pace. \*search widened as diver was not located. \*search moved south to follow current. \* 12:46pm QPS advised this could be a retrieval search \* Cylinder IRB searched down to the Main Beach access track along the shark cans, no patient was found. \* 12:53pm WR8 returned to the same area and went an additional 1km south and further out to sea and located patient in water alive. \*Patient was at least 4.5km south from original dive site and 1.5km out to sea. \*patient was collected from water and became unresponsive in the IRB, he was semi conscious when on the beach. \*first aid was administered by Ann-Sophie Sullivan, Calan Lovitt, Lisa Maddison & Caitlin Ferguson until QAS arrived \*Standard Operating Procedures were followed during this rescue. \*Safety of our members and the rescuers involved (LS45, WR08, water police, Manta dive boat) were assessed correctly. \* LS45, wave runner 8, the radio operator, PC's and IRB's along with SurfCom and external parties all communicated efficiently to have a successful result. Appropriate paperwork was completed as required. It was a sunny day with good visibility but conditions were rough and windy. It has been noted that Manta Dive didn't send boat to this area as the weather conditions were too unpredictable for diving. The rocks in and around The Group are treacherous and make searching in the area difficult due to rocks being submerged. This presents a hazard to our IRB's as they can sustain damage. The results of the search would have been vastly different if we were not involved. He also had a pre-existing muscular injury which prevented him from moving his legs (sciatica). Our members initially thought he was paralyzed.

## **Colt Graham—Point Lookout**

Colt (14 years old) correctly used a Rescue Tube to conduct a successful rescue on two swimmers dragged out by a flash rip in South Gorge. Colt used his knowledge of the headland and ocean currents to assist in his swim to the patients, then to pull them away from the cliff face and return them to a sandbank nearby. Being in a remote location and surrounded by cliffs, Colt's decision in taking a tube was the correct choice as the waves would have pushed a rescue board onto the rocks, either getting caught and damaged, or pushing Colt onto the cliffs too. As Colt conducted the rescue, his fellow member Lachlan Caldwell used the radio to inform Main beach patrol of the incident taking place, ensuring assistance was arriving as Colt was conducting the rescue. Procedures were followed by both Colt and Lachlan, who correctly called for assistance as Main Beach was closed and South Gorge was also subject to treacherous conditions. Colt was able to reach the patients quickly, and using the tube he assessed that he would be able to move the patients over to a sandbank, away from the currents and return to shore. Colt and Lachlan both kept a cool head in the situation, and conducted both of their tasks flawlessly. As an outpost, they were the both the first on the scene, and Lachlan showed outstanding delegation and management skills despite still being a young SRC member. The rescue tube was the correct tool to have been used, and one of the two patients were taken to the First Aid Room for examination, but nothing was used and QAS response was denied by the patient. Due to being a changeover of patrols and a few new Patrolling Captains learning the ropes, there was some confusion and this rescue was not logged in LIMSOC. The incident took place in South Gorge, by the northern rock wall, around 40m out to sea. There was a deep gutter alongside the rock wall, which contributed to the powerful currents that sucked out the patients. Main beach was closed due to strong currents, although due to being a hot day members of the public made their way to South Gorge, which looked more appealing for a swim than Main Beach, due to the lesser waves. Patrolling members had set up two red "No Swim" flags and two "No Swim" condition boards (two by the stairs when accessing the gorge, and two by the water's edge in the centre of the beach), although members of the public still continued to swim, despite the signs and directions of the Lifesavers. If Colt had not swam out to the two members who were struggling in the water, there is no doubt they would not have survived. Members of the public who were unaware came to assist Colt, and without them all working together under Colt's guidance, they never would have retrieved both of the members. Point Lookout SLSC Instagram account mentioned this rescue ( @pointslsc ).

## **Taylah Birch (nipper) Sienna Pearce (nipper) - Burleigh Heads Mowbray Park**

On January 14th, Taylah (10) and Sienna (13) were at Burleigh beach surfing on their nipper boards. They had just caught a wave and were using the rip to get back out when they spotted a man and 2 children getting dragged out. The surfer paddled over to the family and the family looked to be hanging onto the surfers board and ok. The surfer then signalled to the girl and the girls paddled over to assist. Thanks to the girls experience doing board rescue at competitions they assisted the children back to the beach safely. Sienna took the 11yr old girl and Taylah the 5yr old boy so the surfer could paddle alongside with the dad. When they were back on the beach, the family and surfers were very happy that the girls were there and commented on the skills that they had shown. Later, the lifeguard came down and said good job to the girls and put the danger - no swimming sign.

# South Coast Branch Club Presidents Reports

## *Point Lookout SLSC –Sean Fallon, President*

We have had a terrific season, our Club spirit is strong, all members young and old are fully engaged, our members have collectively patrolled over 12,000 hours, below is a snapshot of the last few seasons:

Total Patrol Hours (per season)	# Members
2020/21	12,071.00hrs
2019/20	10,921.50hrs
2018/19	8,304.00hrs

This comes at the right time for the beaches of Stradbroke Island, the volume of people on the island is considerably larger than ever before; accommodation, eateries, ferries, buses and especially the beaches have seen and benefited or in some cases struggled with the numbers. In our case the team at Point dug deeper and covered the beaches in red and yellow. We have had some great rescues with equally amazing outcomes. Covid had a big effect on us all this season. As mentioned above our bathing public numbers has increased but on the negative side our traditional fundraising efforts and income have been severely affected. The club building like so many other Clubs is a big drain on our funds and the last two seasons seem to have been the worst. Thankfully our Old Boys, the Supporters Club, the Redland City council and our very special sponsors stick by us to make up some of the shortfall.

I again take my straw patrol hat off and say thank you to all Club members across the state who pull on a uniform and do their duties, on behalf of the bathing public.

## *Coochiemudlo Island SLSC—Colin Sloane, President*

Coochiemudlo Island SLSC had a good start to the season. Our numbers were up in the nipper groups and we still have strong cadet numbers that we are very proud of for a small club. We are finding it harder every season to get patrolling members with the busy lives of many and the training requirements to achieve patrolling awards.

This year we were able to have our club trip to Mudjimba Apex Camp and a morning with the Mudjimba SLSC, which all went well. The weather was beautiful with the surf presenting a challenge for our nippers, but they all took on the challenge and did not want to get out of the surf in the end.

Our club carnival day went well with the only challenge a rising tide. We were able to finish all events with most of our members being able to attend.

Coochiemudlo Island Club would like to thank Mudjimba SLSC and their members again this year for making us feel welcomed and with a great morning of surf events.

As a small club with limited resources, we are proud that we achieve our commitments to our movement and the community. We would like to thank the South Coast Branch staff for their friendly ongoing support to us.

## *Southport SLSC—Shane Roberts, President*

Whilst season 2019-2020 was the 'season of unprecedented times', season 2020-2021 could be termed the season of remarkable comebacks. I was amazed and inspired by the intensity of the drive to return to lifesaving as we know it. Our total membership has increased, and our member retention has increased. This yet again tells a story of people wanting to join our club and people wanting to stay at our club. We do recognise some of the increase in junior membership is due to Point Lookout and Coochiemudlo clubs having to restrict early season membership due to restrictions on travel to the islands.

Southport SLSC has the second largest total membership of all Gold Coast lifesaving clubs. Our recruitment of new members continues to be strong, also being second highest on the Gold Coast. We have the second largest junior activities (nipper) cohort on the Gold Coast, which requires an impressively large team of volunteers to organise and implement a purposeful and successful program. Although our numbers of active (bronze medallion) members has decreased since last season, we are still blessed with the 3<sup>rd</sup> highest number of all Gold Coast clubs. This is a result of the efforts of the education team throughout the season, and a credit to the lifesaving team who manage the patrolling of Main Beach.

Our competitor numbers in a range of surf sports events continues to rise, resulting in significant increases in the number of members attending training sessions, and a steady increase in numbers progressing to finals. Strategic progress this season includes the submission of a formal sub-lease with Supporters to City of Gold Coast, which guarantees an increased income each year. The management committee has engaged the services of a strategic planning consultant to guide us through the development and actioning of our strategic plan. This included two opportunities thus far for members to provide feedback and guidance. The strength of this club is in its membership. I am consistently struck by, and in awe of the contribution of our members. I consider the current health of SSLSC to be strong.

### *Surfers Paradise SLSC—Trevor Hendy AM, President*

Well this year certainly was a good one for SP. Our patrols grew in strength with great training of new members and with the further development of strong patrol captains and upskilling of members. We also saw continue growth, particularly in the Junior club and the filling out of different age groups and varying interests in the club, even having an under 19 Girls Boat crew compete for us. One of our living legends Peter Anderson ticked over 5000 patrol hours and 10000 voluntary hours for SLSQ this season and is still going strong, reminding us what this is all about.

Despite Covid challenges we had a record profit for recent years with a strong financial performance from both Supporters Club and Surf Club holding us in good stead in the coming years. The Supporters club were able to do some outstanding refurbishments and the vibe at the club has been getting better and better.

On the competition side, we achieved club best performances, since 2005, at various levels of competition. We made a recent record amount of finals and took away 9 medals at Australian Championships with a number of events being won at State level that we haven't won in many years. With strong representation in surfing, boats, beach and surf, the club has made big steps forward in providing something for everyone. Our home grown head coach, Zayne Hamill, helped steer Ali Day to a historic year with a clean sweep of the Nutri-Grain series and the final major trophy on his mantle as the Australian Ironman Champion, making him only the 2<sup>nd</sup> person ever to win the 4 major titles. He also guided our Open Womens squad to their first Aussie medal in many years, with multiple finals and tops 6 places. Our under 19 crew were also tremendous and displayed the future strength of the club.

We once again received wonderful support from Branch and SLSQ and also our neighbours Southport and Northcliffe at varying times, not to mention the general feeling that all clubs feel a little bit more as though we are all in this together.

### *Northcliffe SLSC—David Shields, President*

Northcliffe Surf Life Saving Club has proudly once again fulfilled our responsibilities and service to our community for the season just completed. Whilst, like all Clubs, the season was somewhat disjointed and unique due to the Covid 19 Pandemic, it has nonetheless been a memorable season with many positive and worthy accomplishments achieved.

Our youngest members utilised our Junior Activities Programme which provided our juniors and their families with a diverse and well balanced selection of activities combining appropriate lifesaving skills and an introduction to surf sports.

Our experienced Lifesaving Services oversaw and guided our volunteers through a long season of beach patrols with no serious injury or loss of life to report. What is pleasing is to hear regularly that our members do in fact get called upon to use their skills to assist people in need away from the beach.

Unbeaten as a Club in surf sports since 2003, winning our first Queensland and Australian Champion Club title in 2004, it was humbling to see our Club continue to evolve and develop our surf sports programme so as to remain, after all these years, the dominant Club in the country. Winning the 2021 Australian Champion Club title by 203 points from Newport SLSC.

Whilst saving lives is our primary responsibility, it's pleasing we continue to offer so much to our members in return for their committed voluntary service as we look forward and plan for the next season.

### *Burleigh Heads Mowbray Park SLSC—Michael Boyce, President*

Club activities were extremely curtailed during the season and we all had to adapt appropriately. Our Supporters Club restaurant and bars were required to close on the 23rd March 2020 and this severely impacted the Surf Club as without the regular trade from these areas the financial benefits for the Surf Club were restricted. Our beach kiosk continued with its take away menu. In early July our commercial areas reopened but with limited seating. We traded our way through and retained all our staff in both the Supporters and Surf Clubs so this was great to do.

With the restrictions in place our patrols were for surveillance only so it was only necessary to have 3-5 members. We were not set up in the usual manner but were located on our hard stand area a very different situation. Our patrolling members were fantastic during this time and supported each other through these difficult times.

All surf sports were limited and the Club was unable to hold its annual Norco Burleigh Ocean swim. Our Nipper and Senior squads continued to grow and develop and the Club had some great results with a 2nd at Junior State and 3rd at Senior State in 2021.

The Clubs Stage 5 redevelopment commenced in Aug 2020 and now in June 2021 we are nearing completion. The end result will be basement cold rooms and storage, extensions to the kiosk, restaurant, bars, kitchen and patrol storage area. In addition we have constructed a 25 metre pool on level 3 for the benefit of our members.

It has been a difficult year for our Branch with the lack of staff and awaiting direction from SLSQ. Thank you to all our volunteer committee members and officers who completed their roles in 2020/2021. A great job with little to none back office support. Thank you to Cathleen at Branch for her assistance as and when she could.

Let's all hope that next season will be easier and streamlined.

# South Coast Branch Club Presidents Reports

## *Kurrawa SLSC –Ian McKinnon, President*

The principal goal of Kurrawa is to ensure there are no deaths at Kurrawa beach from drowning during the 2020/2021 patrol season. I am happy to confirm that our Club have fulfilled that important goal this year.

Members would be aware that COVID-19 has presented significant challenges for Kurrawa, the Supporters Club, our members and staff. In the first instance I would like to recognise and thank the Supporters Club, our members and staff for the manner in which they have addressed the various challenges provided by COVID-19.

Lastly, the Club Executive have finalised Kurrawa's three (3) year Club Strategic Plan. The Kurrawa's strategic plan provides a sound framework to be executed in future lifesaving seasons.

## *Mermaid Beach AEME SLSC –Ann Donnelly-Marshall, President*

Back in the summer of 45, A new surf club was born ,a few blokes from the AEME, set up their flags one early morn

They were good blokes, Who wanted to keep their fellow Aussies safe

In the waters off Los Angeles beach, They learnt to surf the break

There was lots of fun and laughter, Lots of mischief too

As they learnt to be lifesavers, Working hard as the AEME do

They got their red and yellow caps, They wore them with pride

They welcomed the public to swim at the beach, Each person they would guide

There were dances till dawn, A romance or two bloomed and compulsory morning surf swims, If you stayed in the bunk room

The years went by, The membership grew

Nippers were added to the mix, Along with the first female members too

The ladies brought a lot of class, To the club at Mermaid, we train and patrol alongside the men, In the water and first aid

We've had many competitors over the years, Some average, some really great

Some compete on the water, some on the sand, The boaties go through the gate

We've had 75 years of fun and friendship, We've many memories to share

A great one of which has got to be, Getting SLSA Club of the year

Thank you to all officers, Thank you to everyone

You are the club in every sense, Thank you for 75 years of fun

## *Broadbeach SLSC— Nathan Fife, President*

Our patrol season came to an end and Broadbeach lifesavers continued to keep Broadbeach safe with zero lives lost. This season our patrols went from strength to strength with an increase of our youth gaining their Bronze Medallion and Surf Rescue Certificates. They brought an enthusiastic approach to patrols and willingness to further develop their skills.

Broadbeach SLSC again had a dramatic growth in our Junior Activities area and for the first time implemented a strategic plan that directly focused on the Junior Activities area. This is a credit to Broadbeach SLSC's Junior Activities Committee who are always forward thinking and continue to develop a fantastic program for the Nippers.

Our Surf Woman - Rizu Sawaki was a positive role model for our club and brought the club together with many fundraising activities. She had a multicultural approach to delivering surf safety messages to the public and engaged high risk areas. She did it all with a smile on her face.

We had another successful season in IRB racing with a number a great results throughout the Ocean Roar Series and QLD State IRB Championships. This form of competition is not only a great retention tool for our club but also further developed the skills of our lifesavers.

The Surf Club has also had several improvements around the Surf Club for our members. This include a shade sail, new fence in our club cap colours and improved access for our members. We have been very successful through a number of grants that have helped us to give back directly to our members.

I would like to thank my Committee and Surf Club members for their support and contribution during the 2020/2021 season and look forward to a bigger and better 2021/2022 season.

### *Miami Beach SLSC—Zach Henwood, President*

It was a busy season for Miami Beach, and once again, our members have continued to demonstrate their hard work and commitment to the Club and Surf Life Saving. As President, a significant part of the year was spent on updating and strengthening our governance framework – with the first milestone, an updated Constitution, soon to be completed – and finalising the renewal of our ground lease. The completion of both these tasks will set our Club up well for the future.

This season, Miami recorded its largest total membership in its history, and I am quietly confident that the skills and resources of the Club and our members will be sufficient to accommodate the extra numbers. Our patrolling lifesavers were again, a credit to our organisation, and served the community well this season to ensure the safety of our beachgoers.

With respect to member development, our Junior Activities Committee has been fantastic in delivering another successful season of the nipper program, and it is always a pleasure to see our young, future lifesavers fully engaged in the surf. Last season, our Club was recognised as the Queensland Junior and Youth Development Club of the Year last season, thanks in no small part to the excellent work of junior committees and members past and present, and I am proud to see that our members are continuing to go the extra mile. Nowhere is this more apparent than in the efforts of our young Youth Development Officer. Our youth have been consistently engaged, both in Club activities and those of the wider organisation, and I am excited to see how they progress in the seasons to come.

To close, it has been a busy season and our members have been instrumental in its success. I must acknowledge and thank the contributions of our Committee members, patrol captains and lifesavers, officials, trainers and assessors, coaches, and our water safety and age managers. Your efforts have not gone unnoticed.

### *North Burleigh SLSC—Adam Barbour, President*

Well, a great story to tell is another year with NO lives lost between the Red and Yellow flags at North Burleigh, well done to all members. We started the season strong with great numbers in the Junior and Cadet's section, with most of the Cadets moving forward into the Senior racks to gain their BM and boosting numbers on our patrols this is a great achievement for some of these young members starting in Nippers from u6's.

With the season hit with Covid -19 we did not know what would happen for the rest of the season patrols in surveillance mode, Junior activities and the Sea Horse Program cancelled and not knowing if they will return and how this could impact the club overall, but with a supportive Board of Management we come out the other side quite well with patrol members returning to patrol as normal and Nippers returning to support the club they love.

I would like to take this opportunity to thank Ken Green, Troy Draman for your support during lock down gaining Grants, Job Keeper and Government handouts for vital new equipment ATV, New Rescue Boards and a New IRB boat and motor for Patrols. With North Burleigh this year entering 2 women into The Women Surf, Josephine Dutton and Michaela Whitmee congratulations and well done.

To Steve Copper, Deb Hazlewood, Mandy Hargrave, Danny Zerbst, and any other fellow trainers that I have missed, what a remarkable job you do running all the course for hours for no pay, THANK YOU.

To the North Burleigh Nippers Committee and your Junior Co Ord, Congratulation for your achievements during the season and ending up winning the 2019/20 Junior Branch u8/u10, Junior Branch and the Juniors State Titles held at North Kirra, great achievement last won 20 years ago.

### *Nobby's Beach SLSC—Shaun Hourigan, President*

We had some changes again to the management committee with Bruce Serisier stepping down. I would like to thank him for the work that he has done over the many years for our club. We also welcomed some fresh faces to the committee in Luke Sullivan and Tatum Wilson.

Our nipper rank has increased in size over the past season after suffering a loss last year with our change of days. Also, our active and associated members have recorded an increase in their ranks.

Our Albatross nippers, under the guidance, of Nick Marshall continues to thrive. It brings a lot of joy, not only to the kids and their family, but also to everyone at the club that lends a helping hand. It is always encouraging to see the amount of young surf lifesavers helping far more less fortunate individual than themselves.

We have managed to obtain a new major sponsor which has helped us supply much needed equipment for our nippers and patrolling members.

The club has had a successful season with good results at the state carnival and, hopefully, this will continue next season.

# Lifesaving Report & Statistics

*Evan Thomas, Director of Lifesaving*

COVID-19 has been with us throughout this season and will continue to be part of life in Australia for some time to come. Nonetheless, I would like to commend all of the clubs, and their members, for working through this period and applying the diligence and service expected, making the beach safe to the bathing public. This season also saw significant changes to the administration of the Branch, and I apologise if this may have impacted clubs and members.

Thanks to the SLSQ Regional Office staff particularly Nathan, Brendan, Kerrie, Kylie, Corey and Cathleen for their support to the Branch. I would also like to thank the Club Captains who led their patrol teams over the season, and to members that went over and above expected duties to provide additional patrols along our beaches. the additional services. I would like to thank each of the Club Supervisors for supporting their assigned clubs.

I would especially like to thank Lisa Maddison for her exceptional work in reshaping the patrol inspection role into Patrol Development and to the team of Patrol Development Officers and to Don Stevenson for the work they do in developing the quality of our patrols and first aid facilities with the clubs..

I would like to thank Richard Morgan for leading the branch Education sub-committee and working with Ian Tannahil and myself in the updating of the Branch Constitution over the season. There has been a number of significant changes to training over this season and I would like to thank the trainers and assessors for working with the changes and continuing to develop our lifesavers and clubs skills and abilities in lifesaving.

## Education Report

*Richard Morgan, Director of Education*

Covid-19 brought an interesting start to the 2020/21 season, with many uncertainties on how Courses and Skills Maintenance could be run. With the cancellation of several Club courses towards the end of the 2019/20 season and no training through the off-season, it was welcome news when approval was finally provided for courses to start again. On top of the unknowns relating to course delivery, 2020 was also very interesting with the introduction of a new structure to the Bronze Award, updated requirements within the Certificate II Aquatic Rescue (Cert II) and the introduction of 4 Units of Competencies (UoC's) to the Surf Rescue Certificate.

The season started early for the Trainers, Assessors and Facilitators (TAF's), with the requirement to attend two 2 hour TAF Proficiency Sessions, followed by the submission of a sequence of online theory assignments. In addition to this, with the update of the Cert II, meant all TAF's had to update their Cert II, before they could teach the Awards. Part of the update required all TAF's to hold the new First Aid and current CPR Awards, another full day of training. Ironically, a further update to the Healthcare Awards came during October 2020, which will be introduced by SLSQ from 1<sup>st</sup> July 2021 and will require all TAF's to undertake a further upgrade of these Awards, before they can teach them.

South Coast Branch (SCB) Trainers, Assessors and Facilitators (TAF's) have had a relatively busy season, with 2,005 new awards gained by Branch members (Table 1) and a further 7,187 awards updated through skills maintenance (Table 2). The increase in new awards is not surprising as although the Aquatic Rescue Awards, which includes the Bronze Medallion and Surf Rescue Certificate Awards (SRC) are tracking well, along with the IRB Awards, the numbers are distorted with the disproportionate number of Emergency Care Awards, since the introduction of the First Aid into the Bronze, and the CPR Award into the SRC. Skills Maintenance numbers have increased, reaching a five year high and do not appear to have been influenced by Covid-19, not unusual, as most Skills Maintenance for 2021/20 were completed before Covid-19 reached Australia, and restrictions were relaxed before this season started.

The following is a number of ongoing concerns currently being presented to the State Education Panel for consideration:

Lack of available Facilitators to deliver the Emergency Care Awards – this is likely to be a significant problem through 2021/22 and 2022/23, whilst existing ART Officers upgrade their Awards. As the First Aid is now a pre-requisite, ART Upgrades may require all current holders to update or obtain their First Aid Award.

IRB Facilitators – With the Facilitator name being used to replace TACO's, there is no mechanism to approve IRB Cert IV holders to both train and assess courses.

IRB Assessors – There is a lack of IRB Assessors across the Branch, albeit this appears manageable for new courses, it is difficult to plan for Skills Maintenance sessions

Director of Education not endorsed as SCB Representative on the State Education Panel, additional responsibility placed on the Director of Lifesaving to attend these meetings.

Lack of new Trainers and Assessors – Those wishing to become Trainers, now need to be members for three years and have held the Award they wish to train for 12 months.

Every season, the training of Awards requires the support of water safety and general helpers, I am sure all members will join me with their appreciation of the efforts of all those involved in Education. I would also like to thank the ongoing support and efforts of the dedicated and high-quality Trainers, Assessors, Facilitators and administrative support who year on year keep on committing to the delivery of high quality Education within the Branch. I cannot express enough my appreciation for the hours of hard-work, commitment, dedication and support provided by all, many thanks.

# Emergency Care Report

*Don Stevenson, Emergency Care Officer*

The 2020/21 patrol season saw me continue in the role of Emergency Care Co-ordinator for South Coast Branch. During the season I visited all clubs in the South Coast Branch. Lisa Maddison was kind enough to assist and complete Point Lookout's First Aid inspection for me when she was there doing a Patrol Development visit. It was actually much easier this season as I did not have to worry about patrol inspections as we now have enough Patrol Development Officers (Patrol Inspectors) in the branch. As usual, I was made very welcome at every club I visited and was pleased to find every First Aid room in the branch to be spotlessly clean and tidy. Once again, the overall standard has improved again on prior seasons, as for the first time ever we had clubs achieve 100%. This is an outstanding achievement as the First Aid inspection report is very comprehensive, covering every listed First Aid item in the Patrol Operations Manual. Congratulations to Surfers Paradise, Northcliffe and Miami on achieving 100%. I expect even more next season as the overall standard is very high. Well done to all the First Aid officers and their assistants for ensuring their roles were performed thoroughly.

We saw an increase in ECT courses this season, this was due to the fact that many clubs are starting to bundle in First aid courses with the Bronze medallion and also, we could start to train again as Covid-19 restrictions were relaxed. Once again, congratulations to all the members that renewed or gained a new CPR, First Aid or ART awards over the past season, without these valuable skills we cannot patrol our beaches so your attendance at these courses is valued by your clubs and the branch. I would like to thank the small band of Emergency Care Trainers that we have in the branch, these people put in time over and above what they give to respective clubs to deliver these courses across the South Coast Branch as volunteers. We had approximately 534 First Aid and 173 ART awards issued to our members this season. New CPR awards went through the roof to just under 1,000 new CPR awards as every SRC now gains the full CPR unit of competency as a component of the SRC award. I know that many of our ECT trainers made a big effort during the September school holidays to assist at the SRC camps that were happening around the branch, helping these young members to gain their new CPR award.

Once again well done to all involved this season, I am looking forward to seeing you all again in the 21/22 season.

# Patrol Development Team Report

*Lisa Maddison, Patrol Development Coordinator*

***The following quotation by author Bede Maxwell symbolises the ideals that built our association namely Altruism: 'Having your main principle of action as wanting to help others'***

The 2020/2021 Surf Lifesaving season saw a number of changes in the manner that South Coast Branch approached Patrol Inspections. The impetus for these changes was the retirement of Steve Owen, Patrol Inspection Coordinator, after 5 years in the position. Steve Owen is widely acknowledged and respected for his numerous contributions to surf lifesaving. After working with Steve for the four past years as one of his Patrol Inspectors he encouraged me to step up into his formidable footsteps.

The lingering impact of CoVid and its impact of society and, the subsequent disruptions to the consistency and availability of training, led us to reconsider the impact of inspections upon our volunteer workforce. We recognised that our volunteers were donating large amounts of time and effort towards keeping our beaches safe and that the concept of an inspection increased stress which seemed counterproductive to the goal of keeping our volunteers enthusiastic whilst on our beaches.

After consultation with Dr Evan Thomas, DOLS, and, Richard Morgan, DOE, it was decided to change our focus and positively reinforce specifically agreed upon targets. SLSQ members contribute varying amounts of time and commitment to surf lifesaving and it was acknowledged that varying levels of knowledge retention resulted, so the team decided to use our visits to consolidate knowledge discrepancies that emerged in the knowledge section of our visits where and when the necessity arose. New uniforms were designed and the attainment of bonus points became possible.

South Coast Branch clubs were approached and asked to nominate a respected Patrol Captain, Trainer, Assessor or Senior Member to join the team. I am extremely grateful to Jeff Gatenby, Chris Wright, Sophie Gerry, Ashley Wilson, Shelley Schultz, Darren Bailey, Greg Moreton, Mick Slattery, Mark Hendriks and Mark Dore for joining me and embracing the new strategic direction.

The team of 10 Patrol Development Officers were responsible for 120 patrol inspections across the 12 clubs, demonstrating growth of over two hundred percent from the previous season. Many thanks also to Don Stevenson who contributed the 12 First Aid Room audits.

It is with pleasure that I report that the new format was successful and that numerous clubs and members have provided positive feedback. It was a highlight to hear back from one Patrol Development Officer, that Southport's PC Sue McDonald, OAM, stated that she had enjoyed her first 'inspection' in 30 years and that she liked the new direction.

Due to the increase in the number of Patrol Development visits, it was challenging for any club to receive a perfect score of 100% for 12 visits however, Mermaid, Point Lookout and Southport clubs are to be highly commended on achieving 100/100, four times throughout the season. Their high standards of patrol viability in terms of correct uniform/ active patrolling, IRB availability, correct equipment and member knowledge was apparent to our Patrol Development Officers. In terms of First Aid Room audits – Northcliffe, Miami and Surfers Paradise are to be commended on the standard of their First Aid Rooms, achieving perfect scores of 100/100. After all reports are collated and finalised, winners will be determined and announced at this season's Annual Dinner and Awards night.

Congratulations to all Clubs and Lifesavers who competed in the 'South Coast Branch Surf Rescue Championships' which consisted of First Aid, Champion Lifesaver and Patrol Competition Events.

Thanks also to our Directive of Lifesaving – Evan Thomas, Director of Education – Richard Morgan and our South Coast Branch President – George Hill for an outstanding season in office on the SCB Executive Committee and for steering the Board of Life Saving to a successful season.

It would be remiss to not applaud each and every patrolling member of the South Coast Branch who remain vigilant towards keeping our South Coast beaches safe in, sometimes, challenging conditions. My admiration towards all lifesavers continually grows as this position enables us to see first-hand what so many incredible people are doing on our beaches as they demonstrate professionalism, resourcefulness, morality, compassion, passion and enthusiasm in the quest to ensure that they are doing their best for others.

To those of you who wear the respected 'Red and Yellow cap' with pride, thank you for a terrific season and we look forward to seeing you on the beach next season.

# Youth Development Report

*Sonita Leng-Cole Director Youth Membership & Development*

## South Coast Youth Director Report

I took on this role at the start of 2021 and it has been an honor to meet so many beautiful youth members and representatives at our various events and programs. Youth development and retainment is a vital part of continuing the growth of this organisation and it is the branch and states responsibility to ensure there are avenues and pathways for our youth to grow as young leaders, make great friends and develop their skills inside and outside of Surf Life Saving.

It has been a quiet year for our Youth Development programs, however, we have used it to gather a base of fantastic mentors who will be delivering more initiatives and programs throughout the next few seasons.

I'd like to thank all of the clubs, their management committees and particularly their Youth Officers for their hard work, dedication and support of all youth members, activities and initiatives.

## Gold Coast Youth Development Program 29<sup>th</sup> - 31<sup>st</sup> January 2021

South Coast Branch and Point Danger Branch combined to create a program to test, develop and create memories for our 57 participants, 3 leaders and 3 coordinators. We focused on teamwork, leadership skills and getting everyone out of their comfort zone. Painting shirts, treasure hunts on SUP boards, blow up mascots, singing games, minute to win it, guest speakers and so much more, it was an adventure packed weekend with something for everyone.

A huge thank you to Claudia Fien, Courtney Taylor and the team at the Regional Office for their tiresome work to get the program happening this year.

## Gold Coast Youth Ball

The Gold Coast Youth Ball this year was a huge turn out with over 250 members from all over Gold Coast coming together to celebrate the end of a terrific season. The pinnacle of our youth year, it's fantastic to see all our members enjoying each others company, having a dance together and getting to know new people.

## SLSQ Youth Excellence Program

Thankfully we will not be missing this opportunity again, with this wonderful program being held in late July. A 3 day program for our 15-17 year youth members to demonstrate their skill, expand on leadership skills in more intense scenarios whilst getting to make friendships from all over the state.

## SLSQ Leadership Excellence Program

Unfortunately, this was not run this season however it is in the works for November 2021, so stay tuned and keep an eye out on applications if you're interested. This 3 day 18 + leadership program is another step deeper into leadership skills in a lifesaving environment, managing stress and networking with like-minded members from all over Queensland.

## Gold Coast Youth Development Program Attendees

# Surf Sports Report

*Melinda Jackson, Director of Surf Sports*

It is with great pleasure that I present the 2020/2021 South Coast Branch Annual Surf Sport's Report.

The beginning of the season threw up its own challenges with clubs, coaches and athletes feeling the effects of the restrictions and uncertainty of the previous few months. We had to adapt quickly, choose teams from limited results and adjust to the loss of essential staff without notice. But for all this we saw disappointment turn into enthusiasm; solitary training turn into mass participation; and clubs build stronger, tighter relationships.

Seventeen carnivals and a number of special events were coordinated by clubs in the South Coast Branch in the 2020/21 season. Surfers Paradise SLSC hosted its first carnival in many years and Northcliffe SLSC secured significant sponsorship to put up the biggest prize pool in surf sports for many years at the Shannon Eckstein Shaw and Partners Classic/Summer of Surf event. Southport SLSC hosted a successful Master's carnival and Burleigh Heads Mowbray Park SLSC were flexible in hosting the U11-U15 Branch Championships over two weekends. Broadbeach SLSC old boys and club members worked tirelessly to conduct the Gold Coast City Titles, Branch and Queensland Surf Rescue Championships as well as the Queensland IRB Championships. The Queensland Interbranch Championships were held at Nobby Beach SLSC and Miami SLSC continued their support of the Junior Activity carnivals. North Burleigh hosted the Kozii Iron Challenge, the Boaties went to Mermaid and the Beachies went to Kurrawa for the Beach Series.

To all the clubs who hosted Surf Sport's events, we thank you for the considerable time and effort your members committed to guaranteeing surf sports in our Branch continues to prosper.

There have been many individual, team and club competitive successes over the last 12 months. Congratulations to the following South Coast Branch clubs, their competitors, coaches, team managers and extended surf sport community for a successful 2020/21 Championship event season.

Queensland IRB	1 <sup>st</sup> Kurrawa SLSC, 3 <sup>rd</sup> Miami SLSC
Queensland Pool Rescue	1 <sup>st</sup> Northcliffe SLSC
Queensland Endurance	2 <sup>nd</sup> Burleigh Heads Mowbray Park SLSC
South Coast Branch Surf Rescue	1 <sup>st</sup> Point Lookout SLSC, 2 <sup>nd</sup> Northcliffe SLSC, 3 <sup>rd</sup> Southport SLSC
Queensland Surf Rescue	3 <sup>rd</sup> Northcliffe SLSC
South Coast Branch U08-U10	1 <sup>st</sup> North Burleigh SLSC, 2 <sup>nd</sup> Burleigh Heads Mowbray Park SLSC, 3 <sup>rd</sup> Mermaid Bch SLSC
South Coast Branch U11-U15	1 <sup>st</sup> North Burleigh SLSC, 2 <sup>nd</sup> Burleigh Heads Mowbray Park SLSC, 3 <sup>rd</sup> Northcliffe SLSC
Queensland Youth	1 <sup>st</sup> North Burleigh SLSC, 2 <sup>nd</sup> Burleigh Heads Mowbray Park SLSC
Queensland Masters	1 <sup>st</sup> Kurrawa SLSC
Queensland Seniors	1 <sup>st</sup> Northcliffe SLSC, 3 <sup>rd</sup> Burleigh Heads Mowbray Park SLSC
Australian Masters	2 <sup>nd</sup> Kurrawa SLSC
Australian Seniors	1 <sup>st</sup> Northcliffe SLSC

I would like to congratulate all South Coast Branch Clubs and their competitors for their involvement in the various carnivals throughout the season ensuring another successful competitive year. The calendar of events and variety of racing on offer continues to require significant juggling and with this in mind, we will continue to liaise with Clubs and competitors on events for the upcoming season.

AND, after 13 years, the awesome South Coast Branch Team won the U13-U17 Queensland Interbranch Championships. A separate report is included but what an amazing achievement. The athletes were outstanding and the support crew from coaches to age managers, water safety and team manager, parents and officials were all there to support the team and ensure a great carnival. Congratulations to all involved.

Special thanks to the Gold Coast City Council who worked tirelessly with us this season to finalise COVID19 Safety Plans and to relocate carnivals at late notice. Unsafe ocean conditions saw the U11 Branch Championships being held at Evandale Lake for the first time. The flexibility and understanding of all clubs and their members was greatly appreciated. The Branch Open and Master's championships did not go ahead this season due to a lack of nominations.

Thank you to Graham Rice for accepting the position of Deputy Director of Surf Sports and for diligently assisting all the new Level 1 Officials to complete their accreditation from afar. This season we saw 47 register for the course and 26 who went on to complete their practical assessments and be awarded the qualification. Without the dedication from all voluntary officials our carnivals would not be able to run. Your time, wisdom, professionalism and commitment to providing opportunities for our athletes to compete in a fair and safe environment is much appreciated. Special thanks to our officials who took on Senior Carnival roles throughout the season – Jo Bisby, Stuart Hogben, Kylie Innes, Jenny Miller, Alex Walker and Karyn Wood.

Along with our officials, carnivals require a massive workforce, both volunteer and professional, to ensure the standard of the events are maintained. An enormous and heartfelt thanks to everyone who assisted in any way – club coaches, deep water rescue teams, first aid officers, host club workforce, IRB drivers and crew, parents, team managers and water safety personnel and coordinators. I dare not leave out our ever reliable Wayne 'Rabbit' McLennan who maintains our gear and equipment and ensures everything is on the beach before the rest of us arrive. Rabbit and his helpers go above and beyond season after season, often the first to arrive and the last to leave.

The endless support from the SLSQ Sport's team of Ryan Bennett, Karen Degnan, Stuart Hogben and Dan Homer is greatly appreciated. In a season where South Coast Branch faced many unplanned challenges, the SLSQ team has been amazing. Please accept my personal thanks. Cathleen Edgar stepped up and learnt about Surf Sports on the run. Thank you for helping get the carnivals on the beach and the competitors in the water.

I continue to be very proud of the way clubs and members embrace Play by the Rules and look forward to this being maintained over future seasons. We are all on the beach as volunteers to give athletes an opportunity to have some fun and put their new learnings and hard training into action. As a whole, we are all members of the lifesaving community.

To the members of the Branch Executive, I thank you for your guidance and support throughout the season. Your knowledge in your own respective fields is outstanding and together the Branch is in a strong position as we move into the new season. There have been some changes and challenges over the past 12 months but I am confident that as a team, we will be there to support the Clubs and their members.

My apologies to anyone I have missed in this report, it is certainly not intentional. I have enjoyed the energy on the beach and the wonderful people we get to spend time with throughout the season. Thank you to everyone who has played some part, however big or small, in the success of surf sports in the South Coast Branch. See you on the beach or pool deck in 21/22.

## Officials Training Report

*Graham Rice, SCB Officials Training Officer / Deputy Director of Surf Sports*

This season was met with many obstacles which impacted on the delivery of the South Coast Branch Officials program. This unfortunately had a great impact on new and probationary officials and the online and assessment programs. With the support of the Clubs and Senior Officials Branch staff we were still able to maintain a high level of participation with excellent results.

Contact was maintained with Branch enabling programs to continue. As a Member of SLSQ Assessors, Officials Advisory Panel, I was able to assist in the updating of the New Seniors Officials Course and other related Surf Spots business, liaising with Karen Degnan maintaining New Officials online, Assessment Data Base.

### OFFICIALS STATISTICS FOR 2020-2021—67 REGISTRATIONS

- 24 Technical Officials completed all required Modules of the online Course, Assessed.
- 12 Core Officials completed all required Modules of the online Course, Assessed.
- 17 Technical Probationary to complete course requirements.
  - 8 Core Probationary to complete course requirements
  - 3 Candidates' were not Final Club Members.
  - 1 Candidate registered but has not started.
  - 2 Candidate Exemptions

On concluding this report, I would like to thank the Team at South Coast Branch for their professional ongoing support during this difficult year, Senior Officials, Clubs for the ongoing contribution assistance in the Development pathway for our new Officials.

Special thanks to Melinda Jackson for her outstanding Leadership and tireless contribution to Branch in the roll "Director of Surf Sports South Coast Branch. Thank you to Jo Bisby as she has come on board as my Deputy Training Officer.

# 2020 Interbranch Team

## Overall Point Score

1	<b>South Coast Branch</b>	<b>1008</b>
2	Sunshine Coast Branch	979
3	Point Danger Branch	835
4	Queensland Country Team	686

## Team Manager's Report

This year South Coast Branch was successful in winning the overall competition for the first time since the reintroduction of the Interbranch competition in the 2008/2009 season. This was no mean feat given the challenges faced by team management and coaches in selecting a team, with limited results from 2019/20 branch or state carnivals to go by due to COVID -19 restrictions. Each branch brought strong teams and the final results showed a closing of the gap between all branches making for a strong competition for next season.

As always what would an interbranch competition be without challenges. In the week of the competition, we had to replace 4 competitors due to injuries outside of Surf Lifesaving. The competitors who stood in at the last minute and in 1 case actually on the day of the competition on Friday Night. Held their own and exceeded our expectations.

Thanks, must always go to the Selectors My Self, Dan Homer, Melinda Jackson, the coaches Nick Marshall, Melissa Ann Cracroft-Wilson and again Melinda Jackson whose input, guidance and leadership is invaluable to the Branch team. 8 x Age managers, who supported all of the competitors equally and made sure they got to their events on time. Officials and Water safety personnel. Team Captains Kye Harland and Ella Moore. All of the competitors were exemplary in their representation of South Coast Branch and we all owe them great thanks. It heartens me to see that the future of our branch appears to be in good hands.

Alex Walker

## Coaches Report

It was again an honour to be the Ocean coach for the South Coast Branch team. Despite the chaos of 2020 limiting the available carnivals to select the athletes, the selectors assembled an exceptionally strong team. Injury and late withdrawals forced a number of changes at the 11<sup>th</sup> hour and firmly put the pressure on the group to be able to cover un-familiar events, which they excelled at.

As it is the 75<sup>th</sup> anniversary of the South Coast Branch and with limited time to provide any real training sessions or catch ups, the focus of my role changed to be one about reconnecting to the branch, the past and those people the team represented. With the athletes presented their caps by Life Member Wayne 'Rabbit' McLellan and the walls of the tent reflecting the 10,000 strong active South Coast Branch members the team represented, the group formed a stronger connection to each other and the task. The effort by the team was exceptional. As is so often the case with representative teams, it is not about performing your best in your 'pet' event, but rather performing at your best in the un-familiar events the team needs you to do. This year more than ever our group excelled at covering all the events. So, finally after a 13 year hiatus, South Coast Branch are back as Queensland Interbranch Champions.

Special mention must go to Melinda Jackson, South Coast Branch Director of Surf Sport and Team Pool Rescue Coach who worked tirelessly to put everything together. Thanks also to our hard working Team Manager Alex Walker and Superstar Beach Coach Mel Cracroft-Wilson who helped to bring the team together and get the result we've been working towards for so many years. Finally, a massive congratulations to all of the team, their attitude, commitment and effort over the weekend of racing, despite limited preparation, was outstanding.

Nick Marshall

# Finance Report

*Denis Cahill, Director of Property & Finance*

It is with privilege that I present the South Coast Branch Inc Financial Report for the 2020 / 2021 Lifesaving year.

This season the continuation of the rebated affiliation fee to clubs was confirmed by the Council at its January meeting in full as a result of the strong cumulative financial position the Branch currently finds itself. For the upcoming season it has been recommended to follow the same plan for the upcoming season with a review of the requirement for the affiliation fee to be taken at the January Council meeting although this review can be made earlier if required.

For the sixth year running the Branch has been able to pass the full amount of of the Gold Coast Council Grant back equally to all Gold Coast Clubs in our branch along with matching funding that was made available from SLSQ for the two clubs outside of the gold coast area. All Gold Coast Clubs should be encouraged to acknowledge Gold Coast Council for their continued support in respect to the continuation of this Grant which helps to provide lifesaving services on the beaches of the Gold Coast. Additionally we need to acknowledge SLSQ for their matching support of the two northern clubs from our branch.

Through the Surf sports events being run by the branch host clubs and providers of IRB's have received over \$20,000 (2020: \$30,000) (2019: \$21,000) (2018:\$17,000) (2017:\$24,000) (2016:\$28,000), (2015: \$18,000) which was down as result of an unfortunate requirement to cancel a couple of carnivals due to conditions throughout the season.

At this time we need to acknowledge and thank as a branch the continued support of the Gold Coast Council for its Annual grant of \$40,000; the Queensland Government for its support via the annual subsidies.

Finally I would like to thank the members of the Executive, Branch Councillors and Office Staff for their support and assistance throughout the past year.

Yours in Surf Life Saving

**SURF LIFE SAVING QUEENSLAND  
SOUTH COAST BRANCH INC.**

**AUDIT OF FINANCIAL STATEMENTS  
YEAR ENDED 30 APRIL 2021**

Stephen Kay & Co Pty. Ltd.

**SURF LIFE SAVING QUEENSLAND, SOUTH COAST BRANCH INC.**  
**Committee's Report**  
**For the Year ended 30 April 2021**

Your committee members submit the financial accounts of the Surf Life Saving Queensland, South Coast Branch Inc. for the financial year ended 30 April 2021.

**Committee Members**

George Hill ESM	Dean Love
Denis Cahill	Ian Tannahill
Richard Morgan	Evan Thomas
Melinda Jackson	Sonita Leng-Cole

**Principal Activities**

The principal activities of the association during the financial year were:

"Promote, demonstrate and instruct the methods of Surf Life Saving and advance and control the work of Surf Life Saving".

**Significant Changes**

No significant change in the nature of these activities occurred during the year.

**Operating Result**

The profit after providing for income tax amounted to \$29,500.00, (2020: \$634.00).

The committee has determined that the association is not a reporting entity.

The committee has determined that this special purpose financial report should be prepared in accordance with the accounting policies in note 1 to the accounts.

In the opinion of the committee the accompanying accounts:

1. Present fairly the financial position of Surf Life Saving Queensland, South Coast Branch Inc. as at 30 April 2021 and the results and cash flows of the association during the year ended on that date in accordance with applicable Australian Standards and other mandatory professional reporting requirements; and
2. At the date of this statement, there are reasonable grounds to believe that the association will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

George Hill ESM  
President

Denis Cahill  
Director of Finance and Property

**SURF LIFE SAVING QUEENSLAND, SOUTH COAST BRANCH INC.**  
**Independent Auditor's Report to the members**

---

We have audited the accompanying financial report, being a special purpose financial report, of SURF LIFE SAVING QUEENSLAND, SOUTH COAST BRANCH INC. (the association), which comprises the Statement by Members of the Committee, Income and Expenditure Statement, Balance Sheet, a summary of significant accounting policies and other explanatory notes for the financial year ended 30 April, 2021.

**Committee's Responsibility for the Financial Report**

The committee of SURF LIFE SAVING QUEENSLAND, SOUTH COAST BRANCH INC. is responsible for the preparation and fair presentation of the financial report, and have determined that the basis of preparation described in Note 1 is appropriate to meet the requirements of the Associations Incorporation Act of Queensland 1981 and is appropriate to meet the needs of the members. The committee's responsibilities also includes such internal control as the committee determine is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express an opinion of the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the association's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial report presents fairly, in all material respects, the financial position of SURF LIFE SAVING QUEENSLAND, SOUTH COAST BRANCH INC. as at 30 April, 2021 and of its financial performance for the year then ended in accordance with accounting policies described in Note 1 to the financial statements, and the Associations Incorporation Act of Queensland 1981.

**SURF LIFE SAVING QUEENSLAND, SOUTH COAST BRANCH INC.**  
**Independent Auditor's Report to the members**

---

**Basis of Accounting and Restriction on Distribution**

Without modifying our opinion, we draw attention to Note 1 to the financial statements, which describes the basis of accounting. The financial report has been prepared to assist SURF LIFE SAVING QUEENSLAND, SOUTH COAST BRANCH INC. to meet the requirements of the Associations Incorporation Act of Queensland 1981. As a result, the financial report may not be suitable for another purpose.

Signed on: 8 JULY 2021

**SURF LIFE SAVING QUEENSLAND, SOUTH COAST BRANCH INC.**  
**Notes to and forming part of the Financial Statements**  
**For the year ended 30 April 2021**

**1. Statement of Accounting Policies**

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the *Association Incorporations Act*. The committee has determined that the association is not a reporting entity.

This report has been prepared in accordance with the requirements of the *Associations Incorporation Act*, and the following Accounting Standards and other mandatory professional reporting requirements:

AASB 112:	Accounting for Income Tax
AASB 1031:	Materiality
AASB 110:	Events after Balance Sheet Date
AASB 117:	Leases

No other Australian Accounting Standards or authoritative pronouncements of the Australian Accounting Standards have been applied.

The financial report has been prepared accruals basis and is based on historic costs and do not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

**(b) Property Plant and Equipment**

Plant and equipment is stated at cost less accumulated depreciation. Buildings are valued at fair value less accumulated depreciation. Building Improvements are stated at cost less accumulated depreciation.

The Branch Headquarters are designated as a special purpose non-residential building and net replacement value is utilised as fair value. The building was independently valued on 30 April 2004. The building has since been revalued using ABS Index 6427 – Construction of Non-Residential Buildings Queensland. This revaluation was made effective from 1 May 2010. A review of this index in May 2012 revealed that the variation in this index was -0.4%. The Committee resolved that this movement was immaterial and not to revalue the building in 2013/14. No further revaluation has been made at 30 April 2021.

Depreciation has been applied over the useful life of the assets as follows:-

Buildings	2% straight line
Building Improvements	20% diminishing value
Lifesaving Equipment	25% diminishing value
Surf Sport Equipment	25% diminishing value
Other Equipment	25% diminishing value
Motor Vehicles	25% diminishing value

2. **Joint Ventures**

The South Coast Branch SLSQ Inc is a party to a joint venture. This joint venture is for Gold Coast Youth Development with the SLSQ Point Danger Branch Inc.

**Youth Development**

The purpose of this venture is to run programs for clubs in both Branches to assist them in developing and retaining younger members up to the age of 18. Administration of this venture is undertaken by SLSQ South Coast Branch.

A full set of statements has been prepared and are included in the report.

3. **Donations/Sponsorships**

Donations received in 2020/21 were:-

	<b>This Year</b>	<b>Last Year</b>
	<b>\$</b>	<b>\$</b>
Donations	-	7,000
Sponsorships: Surf Sports	13	14
Other	-	-
<b>Total</b>	<b>13</b>	<b>5,833</b>

4. **Grants and Subsidies Income**

Details of grants received during 2020/21 are:

	<b>This Year</b>	<b>Last Year</b>
	<b>\$</b>	<b>\$</b>
DES Subsidy	25,193	23,856
GCCC Grants General	40,000	65,000
SLSQ Regional Subsidy	9,000	10,091
Other	27,626	-
<b>Total</b>	<b>101,819</b>	<b>107,454</b>

5. **Financial Earnings**

	<b>This Year</b>	<b>Last Year</b>
	<b>\$</b>	<b>\$</b>
Net Earnings from Investment	15,564	839
Bank Interest	72	235
<b>Total</b>	<b>15,637</b>	<b>1,074</b>

Investment earnings include capital gains/losses less fees. See Note 14 for additional information on investments.

6. **Insurance**

Insurance has been assessed on an accrual basis in 2020/21. The amount expensed represents insurance cover for the period 1 May 2020 to 30 April 2021. An amount of \$2,432 is included on the Balance Sheet as a prepaid expense and represents the balance of the premium for the period 1 May 2021 to 1 October 2021.

7. **Lifesaving Expenses**

	<b>This Year</b>	<b>Last Year</b>
	<b>\$</b>	<b>\$</b>

	<u>163,822</u>	<u>156,853</u>

The Westpac Cash Reserve account is used to enable the Branch to take advantage of higher interest rates and lower fees from this account structure.

11. **Receivables**

As at 30 April 2021 aged accounts receivable were as follows:-

<b>Total Due</b>	<b>0-30 Days</b>	<b>31-60 days</b>	<b>61-90 days</b>	<b>90 Days</b>
\$34,165.00	\$495.00	\$8,600.00	\$23,100.00	\$1,970.00

12. **Other Assets**

Other Assets comprise prepaid expenses and deposits. As at 30 April 2021 these comprised:-

	<b>This Year</b>	<b>Last Year</b>
	<b>\$</b>	<b>\$</b>
Prepaid Medals	-	-
Prepaid Insurance	2,432	2,127
	<u>2,432</u>	<u>2,127</u>

13. **Investments**

On the 16<sup>th</sup> May 2004 South Coast Branch invested an amount of \$100,000 in the Surf Rescue Trust Fund administered by the Surf Lifesaving Foundation. The foundation engaged Perpetual Trustee Co Ltd as fund managers. Funds can only be withdrawn from the investment fund upon resolution of the Branch Council. This is in accordance with the initial resolution by the Branch Council and subsequent instructions given to the Trustees.

As at 30 April 2021 the balance of our account was \$208,482. This represents a net increase of \$15,564 after management fees of \$790 were deducted and a 8.07% return on our investment over the 12 months to 30 April 2021. This amount is included under the Financial Earnings in the Profit and Loss statement. Movements in the account for 2020/21 were:-

	<b>This Year</b>	<b>Last Year</b>
	<b>\$</b>	<b>\$</b>
Opening Fund Value	192,918	192,079
Earnings	4,804	8,118

# 2019/20 Clive Hammond Recipient

## Julia Allison

Julia has been an active patrolling member with Southport Surf Life Saving Club since 2015. She has completed 278.25 patrolling hours in her career and holds numerous awards. She is currently Vice President of Southport SLSC Supporters Club and was previously a committee member. Julia is a valued member of the Education team and has volunteered 75.5 instructor hours for the 2019-20 Season. Julia is a master's competitor for Southport.

Julia has led the development and review of the Supporters Club strategic plan which will ultimately have a significant impact on the Club and how we can further grow.

Julia initiated an environmental sustainability audit across the club, with the intention of reducing the clubs carbon footprint. This is something that Julia is very passionate about and can see this in her leading the action to reduce our carbon footprint.

She has led the refinement of the Supporter's Clubs General Manager contract of employment.

During the 2017/18 Season Southport's Chief Training Officer fell ill, in which Julia stood in and helped with tasks that would normally be fulfilled by the CTO.

Julia models careful thought in her approach to all club matters. She gathers information and considers it prior to making an informed decision.
