2022-2023 SLSQ SOUTH COAST BRANCH INC.

78TH ANNUAL REPORT
& FINANCIAL STATEMENTS

Member Recognition

National Medal for Service to Surf Lifesaving

Established in 1975 as a military recognition award, the National Medal has since branched out into government and voluntary organisations and is now Australia's most awarded civil medal.

The National Medal is awarded to individuals on behalf of the Governor-General of Australia and recognises long and diligent service in organisations that are dedicated to protecting life and property at a degree of risk to their members. It is awarded to individuals who risk their lives or safety to protect or assist the community in enforcement of the law or in times of emergency or natural disaster.

Surf Life Saving Australia volunteers with a minimum of 30 patrolling hours over a minimum period of 15 seasons, since September 18, 1986 are eligible for the National Medal.

2022/2023 South Coast Branch Recipients

National Medal - First Clasp - 25 years service

Southport / Surfers Paradise SLSC Susan Neil OAM

National Medal - 15 years service

Point Lookout	Gavin Kuglar	Kurrawa	Garry Jackson
Southport	Gillian Maddigan	Mermaid	Carly Fritsch
	Jonathon Woods		Christian Sealy
	Trenton Baker		David Pollard
Northcliffe	Andrew McQuitty		Gregory Moreton
	Mark De Cean		Jeremy Sturges
	Michael Roberts		Thomas Sealy
	Samuel Trueman	Nobby's	Michael Sullivan
	Sheldon Alcantara		Wayne Homer
	Thor Harrison	Miami	Colin Johnson
	Trent Rowe		

The Royal Humane Society

The Royal Humane Society of Australasia is a charity that grants awards for acts of bravery in the saving of human life and provides financial assistance to recipients disadvantaged by their gallant actions.

Peter John Brennan (Surfers Paradise SLSC) was awarded the Silver Medal for his courage and humanity displayed (at age 21) as he went to the rescue of Peter Spronk attacked by a shark at Surfers Paradise Beach on 23rd November 1958.

Lifeguards Lose Battle With Shark

SURFERS PARADISE, Australia (UPI) — Hundreds of persons at this fashionable swimming resort watched five lifeguards battle a killer shark for the life of a youth Sunday. The shark won the battle.

The 20-year-old youth was dead when the five lifesavers got him back to the beach. He was identified as Peter Gerard Spronk of Brisbane.

Hundreds of persons were sunbathing on the Riviera — like beach, which is a playground for the wealthy, when the 12-foot shark attacked the youth as he swam 250 yards from shore.

Within minutes the blue Pacific was churned into a bloodstained arena as the sleek killer shark turned on its back and dived in to attack the helpless youth.

The five lifeguards plunged through the surf breakers and raced to his aid, while the shark circled and then swam off.

They found the shark had bitten through his thigh to the bone on both legs and had savagely mauled his chest.

The beach is on Australia's east coast. At this time of the year schools of sharks are attracted to the warm currents running down its coastline.

Air patrol and lifesavers in towers on benches keep a constant watch for line killer sharks which break off from the pack to swim inshore and attack persons swimming in the Pacific rollers.

Member Recognition

SLSA Rescue Medal Honours

Volunteer surf lifesavers and lifeguards are honoured with Surf Life Saving Australia's SLSA Rescue Medal in recognition of their outstanding rescue efforts and commitment to keeping Australia's coastline safe. It recognises outstanding rescue skills and displays of resourcefulness in exceptional circumstances on or off the beach.

Point Lookout SLSC | Dune Rock—Alexander Langenberg, Ann-Sophie Sullivan, Keith Weinert, Lucy Serafini, Sarah Williams, Jesse Mantell, Caitlin Ferguson, Kathryn Harris, Calan Lovitt, Matthew Whelan, Lisa Maddison

On Saturday 13 March 2021, at 11:40am, Point Lookout SLSC were notified that a diver was missing in the waters off North Stradbroke Island. An RWC and multiple IRB's were immediately deployed to begin the search. As the diver was unable to be located, the search area was expanded. At almost 1pm, the patient was finally located in the water alive and at least 4.5km south and a further 1.5km out to sea, from his original dive site. The patient was collected from the water and became unresponsive in the IRB. On shore, surf lifesavers immediately began administering first aid to the patient until Emergency Services arrived.

Without the fast response, expertise and teamwork of those involved, the outcome would have been loss of life.

Point Lookout SLSC | South Gorge—Michael Dawes & Matthew Whelan

On Wednesday, 12 August 2020, Michael Dawes and Matthew Whelan were called to South Gorge with a report that two people were in trouble. On launching the IRB they located the two patients who were dangerously close to the rock wall which was being hit by a large swell. Matthew dove into the water and swam towards the two patients, securing them and moving them away from the rocks and swell. Each patient was eventually transferred into the IRB in an exhausted state and returned to shore for assessment. Their quick response was instrumental to the rescue and without the readiness of the assets and the skill in navigating the IRB in the tricky conditions and Matthew swimming into the rock area to bring the patients out to safety, the likely outcome would have been loss of life.

SLSA Hall of Fame

The Surf Life Saving Australia Hall of Fame permanently displays, commemorates and recognises members and teams who have achieved outstanding accomplishments and exceptional contributions to the development of surf lifesaving in Australia. The Hall of Fame awards were first introduced in 2004 and have over 100 inductees across Lifesaving, Sport and Administration in Surf Life Saving.

Georgia Miller – Northcliffe SLSC—Sport

Georgia Miller's record as a surf sport athlete is outstanding. Georgia's illustrious gold medal tally started in 2013 and has grown consistently having won 34 gold medals, including nine at a single Australian Championships. She has won the open female surf race an impressive six times and was named the SLSA Athlete of the year in 2019 and in 2021.

In 2018 Georgia took home the Coolangatta Gold and placed an impressive third in 2021. Her 2021 Aussies campaign saw her secure nine individual and team golds, being named the coveted Athlete of the Carnival.

Georgia's successes continued through the Kellogg's Nutri Grain Iron Series as runner up in the 2021-22 season. She has excelled internationally as a member of the ALT in 2018 at the World Games and Interclub, World Championships, earning valuable golds to cement the team's success on the world stage.

Dean Mercer OAM – Thirroul SLSC / Kurrawa SLSC—Sport

Dean Mercer is one of Australia's most recognised and greatest ironmen and compiled a surf lifesaving record almost without parallel over his senior career spanning 1984-1999. He won 25 Australian Championship Medals including eight gold (two ironman titles) and he won five NSW State championships. He represented Australia on four occasions winning eight World Championship medals.

In 1995 Dean held every international Ironman title available winning the Australian, Japanese, South African and US National Ironman titles. His record in the prestigious Kellogg's Nutri-Grain Grand Prix series was outstanding, twice finishing runner-up in the Series. In the Coolangatta Gold, he also placed a commendable third in 1992 and fifth in 2005. Sadly Dean passed away in 2017.

Member Recognition

SLSA Meritorious Awards 2022

SLSA Meritorious Awards recognise acts of bravery by members who have gone above and beyond, putting their lives on the line to rescue people who have found themselves in trouble. There are three levels of awards -

- . Certificate of Merit;*
- . Certificate of Merit with Bronze Medallion insert, and*
- . Certificate of Merit with Silver Medallion insert.*

These are awarded to both individuals and groups where there is a high to very high level of risk to the rescuer combined with very good to optimal application of skills and supporting systems. The group or club award is issued for rescues of exceptional merit, in which a group of members are involved and where no individuals can be singled out for an award.

Individual Certificate of Merit with Bronze Insert—Bill James—Surfers Paradise SLSC

In 1974, three tropical cyclones battered the Gold Coast and South-Eastern Queensland. The Bureau of Meteorology measured the average wave height that day between four and five metres. Cyclone Pam was intense, with high wind speeds producing extreme force waves. The young man rescued, had been board riding with a friend when conditions had rapidly changed. He lost his board and was dragged out to sea. Fortunately, he managed to hang on to the shark nets one kilometre offshore.

Lifeguards from various beaches had been alerted to the unfolding situation and had arrived to assist. ABC journalist Gary Scully referred to the tremendous effort by all on that day, saying “Lifesavers put their wellbeing on the line that day in extremely hostile circumstances”. Over the course of two hours, the first responders experienced many near misses using rescue boards or belts. They were either pummelled by the crashing waves or swept away from their arduous endeavours to reach the patient. Bill persevered and finally found a way through and secured the patient on a rescue board.

Bill and his patient were then swept further out to sea. As a massive set started capping behind them, Bill recalls there was no option but to turn and go. In Bill's words “The ride in was unbelievably wild, none stop! I remember that as the swell lifted, I could see over the top of the three-story buildings, through to the hinterland behind”. An interesting antidote is that Bill was driving along the esplanade, saw a crowd gathering and had to borrow Harold ‘Whoopsie’ Phipps togs before he could head into the water.

Bill's brave attitude and quick thinking saved the person's life that day in a story that has become legend on Surfers Paradise beach.

Individual Certificate of Merit—Colt Graham—Point Lookout SLSC

On Saturday, 10 November 2021 Main Beach at Point Lookout was closed due to treacherous conditions. Beach goers were seeking alternative locations for their swim on this warm spring day. South Gorge was also subject to the treacherous conditions.

On a roving patrol, 14 year old Colt and fellow member Lachlan observed swimmers caught in a flash rip. Assessing the situation, and using his knowledge of the headland area and the ocean currents, Colt decided the rescue tube was the quickest and safest means to reach the swimmers as a board would have been knocked around by the waves washed up on the rocks.

Whilst Colt retrieved the patients, Lachlan radioed the Main Beach patrol for back-up, and alerting the Ambulance Service of the situation. Colt bravely returned all swimmers to safety, moving them to a near-by sand bank. His quick thinking and excellent delegation and communication skills were praised as being particularly mature for a 14 year old SRC member. Colt and Lachlan executed their duties flawlessly without hesitation, sending all swimmers safely home from the beach that day.

Notice of Annual General Meeting

Notice is hereby given of the 78th Annual General Meeting of the Surf Life Saving Queensland South Coast Branch that will be held at the South Coast Branch Building, 178 Hedges Avenue, Mermaid Beach, 9.00am registration for a 10:00am start on Saturday 15th July 2023.

The business to be conducted at this meeting will be as follows:

- 1 Opening – Attendance including Apologies and Alternates (proxies)
- 2 Confirm and adopt the minutes of the 2022 Annual General Meeting
- 3 Affiliation of the Clubs to the Branch and the Branch to SLSQ and SLSA
- 4 Presentation and Adoption of the 2022-2023 Annual Report and Financial Statements
- 5 Endorsement of Councillors
- 6 Election/Appointment of Officers
- 7 Endorsement of the Board, Lifesaving Committee, Education Committee, Surf Sports Committee, Junior Activities Committee, Membership Committee, and other Committees
- 8 Election of Patrons for 2023-2024
- 9 Appointment of Auditor
- 10 Appointment of Delegates to Auxiliary Organisations
- 11 Notices of Motion
- 12 Announcement of Life Membership Awards
- 13 General Business

The Chairperson reserves the rights to amend the order in which business is taken.

South Coast Branch President's Report

George Hill ESM

I would like to take this opportunity to sincerely congratulate and thank our Clubs and their volunteer members, office bearers and staff for their commitment to keeping our beaches patrolled and also thank the many members and officers that work tirelessly behind the scenes to support our core objective of preserving life on our beaches to save lives and which supports the Branch volunteers to achieve their goals and the enjoyment of being a clubbie.

We have a fantastic community of clubs and people however we have experienced another challenging season with volunteering becoming increasingly difficult due to the many external factors in life that can dramatically affect people from wanting to give freely of their time, because of this we must be thankful for and not waste the time of our members and support them wherever we can.

On behalf of the South Coast Clubs, I thank SLSQ and their team of staff for their support and guidance and look forward to growing this engagement even further for the betterment of our State lifesaving communities.

A big thank you in particular to President Gerard O'Brien for listening and acting on the key issues, CEO Dave Wimpy for his support and of course Regional Manager Nathan Fife, Administration Assistant Cathleen Edger and our own Kym Trinca for their support, professionalism and persistence and understanding when working with our Branch Officers and Management.

The engagement and conversations we have at our Branch Council meetings have been very positive towards leading improvements in how we operate as a Branch and more im-

portantly how we operate as an organization. I thank all the Presidents for their commitment to a very difficult role and wish those that are standing down this year the very best with their future in Surf and thank you.

I would also acknowledge our hard-working Branch Board Members for their commitment to their roles. This year we will see the retirement of Director of Surf Sport Melissa Jackson and we wish Mel all the very best with her future lifesaving endeavors.

Thank you to our Local Governments, Gold Coast City Council and The Redland City Council, for the fantastic support you provide our Clubs and of course the Queensland State Government's support which continues to provide our clubs with the resources required to assist with achieving our objectives and vision.

Next season we will be operating under a new Constitution and By-Laws and a fresh Strategic Plan that focuses on Healthy, Safe and Vibrant Clubs, not to mention a few new ideas to grow further interest and engagement into lifesaving at the South Coast.

I encourage you all to have a read of our report from front to back to witness the wonderful work we all do in making this Branch successful during 2022/23 and beyond.

Thank you to everyone that has been a part of that success and I wish you all the very best for a well-deserved off season and hope to see you all back saving lives in season 2023/24.

Vigilance and Service

George Hill ESM

South Coast Branch Club President Reports

Point Lookout SLSC—Matt Robinson (Emu)

In this our 75th season, Point Lookout has delivered yet another successful year patrolling the beaches on North Straddle. Throughout the season, all members young and old were fully engaged, however we continue to see our rostered patrol numbers drop which is a growing concern, however the quality of patrol operations never faltered. Our members have collectively patrolled over 8,900 hours, below is a snapshot of the last couple of seasons:

Season	Total Patrol Hours	Active Members
2022/23	8 905	194
2021/22	12 071	220
2020/21	10 921	241
2019/20	8 304	212

The volume of people visiting North Stradbroke Island (Minjerribah) post Covid has increased again over the last 12 months, putting extra pressures on areas such as accommodation, eateries, ferries, buses and especially on our beaches. Point Lookout stood strong and ensured that not only the two beaches we patrol had the red and yellow flags flying, but through roving patrols, wave runner operations and radio room patrols, we kept a close eye on most of Straddie. We have attended numerous rescues and critical

incidents throughout the season with positive outcomes, with the standards shown by our members who attended these cases were truly exemplary.

At the start of this season Covid continued to have a big effect on us however as society began to “normalise” again things began to return to normal.

We have seen remarkable success with our traditional fundraising endeavours and income for this season. However, the club building, like many others, remains a significant burden on our financial resources, and the past two seasons have been particularly challenging. Fortunately, we are grateful for the unwavering support of our Old Boys, the Supporters Club, the Redland City Council, and our exceptional sponsors who stand by us and help alleviate some of the financial gaps we face.

As the flags go down for another season and I take my noddy hat off, I once again say thank you to all our fellow Club members across the state who pull on a uniform and do their duties, on behalf of the bathing public.

South Coast Branch Club President Reports

Coochiemudlo Island SLSC— Des Kerr

The responsibility of holding the elected position of President of a volunteer led community club is not one I take lightly, especially given the commitment from those that held the role before me to get us to where we are today. This season, whilst there are always positives, we were certainly tested as a committee with a few challenges particularly around our decline in active membership.

As I write this report, I read the 2022 research from Volunteering Australia that, *“despite a small uptick since lockdowns ended, there were 1.86 million fewer volunteers than before the pandemic.”* These statistics have certainly been reflective of our patrolling membership where at mid-season point, we have suffered a 23% decrease to 30 active members across 6 patrol groups. At the same time last season, we have achieved a 50% increase in numbers.

Whilst we are working on strategies with the assistance of South Coast Branch and SLSQ to ease the load for next season, I do sincerely want to thank our Club Captain Jarrod Salt for his tireless work in still ensuring we met our Patrol Service Agreement requirements of having a patrol on the beach Saturdays, Sundays, and Public Holidays. A massive thank you once again to our core group of members who as a collective we amassed 1400+ hours in volunteering our time to service the community as Lifesavers.

Our incredible Nipper program still continues to be a highlight for us, and I want to thank all that are involved in making that happen particularly our Age Managers, Water Safety, BBQ crew, our wonderful families and all the support team that carry out roles that sometimes can go unnoticed week in week out – it is a big team effort to make it happen and we do it all so that Sundays can be our Nippers best day of the week! This season we saw the return of some of our nippers to the SLSQ State Champs and other Branch events and thank you to

Shannon Chappel for putting her hand up to take on the role of Carnival Convener in making that happen for us.

Like any volunteer organisation we rely on funding and sponsorship, and we do thank SLSQ for the QFES support, which is incredibly important to us, SLSA for the Beach Safe Funding and to McPherson Group for coming on board in sponsoring our nipper's great new carnival shirts.

In having a successful club, it is extremely important to have the support of an incredible Executive Committee and I want to acknowledge the following people:

Colin Sloane – Deputy President & CTO

Debbie Price – Treasurer

Jarrod Salt – Club Captain

Katrina Kerr – Secretary

Thank you also for your time and input from our committee members Kath Sloane, Deslee Ball, Shannon Chappel, Eliza Kerr, Brad Hall, Molly Watters-Whyte and Lara Burton. Thanks also to our Club Supervisor Shelley Shultz who has been an amazing support again this season.

We look forward to another positive season ahead.

South Coast Branch Club President Reports

Southport SLSC—Greg Foster

I would like to start by acknowledging and thanking our most recent past Management Committee members, President Shane Roberts, Secretary Adam Sambrook, Treasurer Craig Harwood, Membership Officer Jason Free and Junior Age Chairperson Brett Wentworth. Their commitment and passion for our club is greatly appreciated.

As I reflect on the past season, and my first year as President, it becomes clear that I have been afforded a unique vantage point to view our clubs operations. This has allowed me to clearly see and understand the commitment that all members of committees make to fulfil their roles. It's humbling when you consider that they do it all willingly as volunteers. It brings out your best whilst amongst people of this calibre. I thank them all for their past and continued efforts in these crucial club roles.

For me personally it has been a season of learning to embrace and celebrate the clubs highs then accept and learn from the clubs lows. I think the core reason for being a lifesaving member for vast majority of our members is the act of giving. I try to keep that foremost in my thoughts whilst navigating the functionality of the club.

We have once again fulfilled our patrolling obligations to the highest standards whilst operating in the powerful and often challenging Main Beach surf. We continue to be blessed with strong patrolling numbers due to a passionate and dedicated education team which is fed by a motivated JAC and fun filled Nipper program. This is reflected with our standing within Branch as having the second largest active membership and second largest total membership bases.

Our Surf Sports cohort continue to compete and strive for their best in elite company, we have had some amazing achievements both individually and team this season. Kudos to our coaching group and program, the benefits of a well-planned development pathway are now starting to be seen.

We are very fortunate at present to have the Supporters Club functioning at full capacity. The Supporters Committee, under the stewardship of President John Wood and on the ground expertise of the General Manager Mick Ryan has ensured ongoing financial stability to our club. For their efforts and those of the complete inhouse team I would like to acknowledge and thank.

It was great for our club to host once again its much-loved annual Golf Day after what seemed like a long COVID lay off, this was a fun filled day generously supported by our sponsors and members alike. We celebrated World Pride Day by

hosting our inaugural Rainbow Run and BBQ breakfast to show support to our LGBTIQA+ members and the cause. Our International Womens Day function which combined a morning tea with motivational guest speakers and networking opportunities with community leaders was well received by attendees.

Our successful Surf Woman of the Year (SWOTY) entrant Brianna Free represented our club with passion and dignity. Her drive to actively get the most out of the program was inspiring to many. Congratulations to all involved in a great SWOTY program.

I would like to thank the Federal Member for Moncrieff Angie Bell, State Member John-Paul Langbroek, Division 10 Councillor Darren Taylor, and the Gold Coast City Council for their continued support to our club throughout the season. It's crucial for us as a club to maintain and nourish these connections with the leaders in our community.

I thank all the members for their support to me this season and look ahead to the 2023/24 season motivated to continue building on our clubs Strategic Pillars of, Our People, Our Culture, Our Place, and Our Connection.

South Coast Branch Club President Reports

Surfers Paradise SLSC—Trevor Hendy

Firstly, congratulations to Branch all South Coast Branch clubs for another successful year in keeping our beaches safe, putting on some wonderful events and some amazing results for Branch clubs at a National level.

Our club is happy to report another successful year in looking after all beach goers in Surfers Paradise. We were able to work with Branch throughout the year to address some shortfalls and challenges that we are challenged with as we continue to grow our membership to a level that provides a healthy compliment of full patrols. Whilst, we have a unique challenge with a lack of 'local' living members and therefore a lack of organic 'off the street' growth, we were able to identify new ways to build our membership over the next few years and finish the season with strong patrol results.

On an organisational level, our Supporters club achieved a record year of financial growth and were able to support the club to levels never before achieved. Well done and thank you to them, we have made massive steps forward in planning and moving as one club. With an exciting new management team, a continued powerful admin team, some wonderful refurbishments and rave reviews, we look forward to feeding and entertaining many more Surfers Paradise visitors in the coming year.

At a nipper level we maintained a strong level of junior participation and look forward to another wave of growth in the coming year.

At the surf sports level, our squads grew in surfboats, beach events and Ironman/woman, boards and skis. We saw a significant growth size in both male and female athletes with a massive growth in the female area, something we have aimed to do for a long time. With wonderful coaching in Boats,

beach and water, we are excited to welcome more new members in the coming year, many of which are choosing us as a destination from the southern states, to pursue their surf sports dreams. We saw amazing results and powerful cultural leadership from our senior athletes, all on challenging journeys. We had outstanding victories and high level podiums with Jett Milford-Ferguson, Tex Dixon, Ali Day,

Courtney Hancock, Lucy Derbyshire, Finn Askew and TJ Hendy.

We enjoyed incredible support from Goodings Transport, Ray White Surfers Paradise, Paradise Centre, Novotel Surfers Paradise, Surfers Stingrays and even had our own line of Merchandise through Cotton ON stores in Australia, New York, Las Vegas and LA.

We have had a wonderful committee this last year and preceding years, with great youth, diversity, profession and personal development and high standards for cultural change. Personally, I am proud to step down as SP President this coming year after 9 years on committee and 7 years as President. I will be supporting our newly refreshed and refined committee from the background and on behalf of all SP members we thank you all for your assistance over the last few years, particularly Southport, Northcliffe and Brisbane

Lifesaving (and many other clubs and presidents who have been there when we needed you) who have all gone above and beyond to help us through our re growth back into a strong club.

As we are 18 months away from beginning our 100th year, we are super proud to be part of the South Coast Branch family. See you on the beach with SPLOVE.

South Coast Branch Club President Reports

BMD Northcliffe SLSC— David Shields

With another season completed it gives me great pleasure to report on once again, another successful year for BMD Northcliffe SLSC. The most important aspect we attend to here at BMD Northcliffe is to provide a voluntary lifesaving service to our beach during the surf club season, and to ensure that it is a safe environment for all that frequent it, whether they be locals or the many tourists we have visit the Gold Coast.

Our Life Saving services have once again kept our beach fatality free, and we thank all our members that performed volunteer beach patrols this season, especially our Patrol Captains, Vice Captains and IRB Drivers that have taken on that extra level of responsibility.

Our Life Saving Committee have managed their responsibilities admirably again this season and on behalf of all members, I wish to thank Andrew McQuitty, Vice President Life Saving and Jonathan King, our Club Captain and our two Vice Club Captains, Christie Short and Scott Davis for the tireless work and countless hours on the beach ensuring that our commitment to saving lives is professionally administered.

The success of our lifesaving and education services here at the club are predominantly due to the professional management delivered by our Manager of Lifesaving & Education, Caroline Fildes, our Lifesaving Admin Assistant, Christie Short and the Life Saving Committee. Saving lives is our primary purpose and we should all be very proud of the level of service we do provide.

New members are often attracted to our club by the facilities and services which we offer here at BMD Northcliffe. Our Junior Activities and Surf Sports programs have been an excellent form of recruitment over the years thus ensuring a steady flow of volunteer patrolling members to our club.

Our Junior Activities have had another great year with over 400 nippers taking part in a diverse range of activities and competitions throughout the season. A program that can involve the whole family through a wide and varied range of activities, organised and supervised by experienced and compassionate senior surf life savers.

Their season culminated with some excellent results at the Queensland Youth Championships. A special thanks to all our

members that have assisted in any way for such an integral part of this club: our junior coaches; JA Coordinators; JA Committee; Age managers; Water safety; IRB drivers & crew for working so well together as a team and providing such professional and caring tuition and coaching to our young members.

Our Surf Sports program under the guidance of Vice President Surf Sports, Brian Booth and Mark Williams, Manager of Surf Sports, have together with our coaching staff Naomi Flood, Kev Morrison and Paul Wotherspoon, continued to keep the

club at the forefront of Surf Life Saving Competition in Australia and the World. It provides our members with opportunities to showcase their skills and talent to other members within our organization and also to the general community. What a season! Winning the Queensland and Australian Champion Club titles for the 20th year in succession in record margins.

On behalf of all members of our Club, we would like to sincerely thank the President of the Supporters Club, Scott Bradford, and the Supporters Club Management Committee for their continued support of the Surf Club.

South Coast Branch Club President Reports

Broadbeach SLSC— Nathan Fife

This has been another eventful year for us at Broadbeach SLSC. Patrols have been a major highlight of our club's performance. We take pride in our exceptional patrol services and would like to acknowledge our first-year club captain for leading the way. We extend our heartfelt appreciation to all our patrol members for going the extra mile in serving the public.

We were thrilled to see our Greek Lifesavers return to Broadbeach to complete their Bronze Medallion. They did an excellent job patrolling the beach during the bustling Christmas season. Hopefully we will see them next season.

Our Nippers program is thriving, as we continue to train future lifesavers and instil valuable lifelong skills. Thanks to the remarkable efforts of our Committee, Age Managers, and Nipper Award Assistants, our program has become one of the most highly sought-after programs on the Gold Coast.

We are pleased to announce our recent accomplishments in the IRB racing arena. Our team, the Broadbeach SLSC IRB Racing team, has attained a significant victory by winning the State IRB Championships. This is a testament to the hard work and dedication put in by our wonderful team. It has taken us 20 years of planning and commitment to achieve this milestone. At the IRB Australian Championships, we also had some impressive results. Our Open Female teams won the gold medal in a fiercely contested race in large surf. Our Under 23 Male teams also achieved a remarkable feat by winning the Under 23 Male Surf Race. Furthermore, our master competitors have made us proud by being crowned the National Masters IRB Champions after two days of intense racing. It is worth mentioning that if there was an overall SLSA IRB Point Score Champion, we would have undoubtedly claimed the title.

I am grateful to the exceptional Management Committee of Broadbeach SLSC for their outstanding work this season. The Management Committee is focused on the Surf Club and all our members.

Nobby's Beach SLSC—Justin McShane

Together with our dedicated lifesaving members, Management Committee, subcommittees, and the unsung heroes working tirelessly behind the scenes, our focus this year was to further enhance our membership with high skill and active engagement.

Through the incredible support of our sponsors, successful fundraisers, and grant applications, we have secured funding throughout the year for essential equipment and innovative ideas. This support has fostered an inclusive and open culture within our club. I am thrilled to share that our collective efforts have yielded positive results across the entire club, aligning with our goals for this year.

Under the exemplary leadership of our lifesavers, their skills and capabilities have earned the respect of the wider Nobbys community. Countless rescues and preventative actions have contributed to our most important measure of success - the fact that no lives were lost under our watch this year. We are committed to maintaining this outstanding record.

Looking ahead, I have great confidence in the future of Nobbys Beach SLSC. Our exceptional Education and support teams have laid strong foundations for the coming years, ensuring that we uphold the highest standards in personnel and equipment to prioritise the safety of our beachgoers.

South Coast Branch Club President Reports

Kurrawa SLSC—Ian McKinnon

This 2022/23 season our Club has successfully upheld the Surf Lifesaving Queensland vision of zero preventable deaths in Queensland public waters. Kurrawa patrolling members have provided a safe beach experience for the ever-increasing Broadbeach population and Gold Coast community. Our members have performed 9,000 volunteer patrol hours on our beach.

Thank you to all the Club staff and coaches for their efforts throughout the season, to provide our members with top tier programs. I would like to acknowledge the contribution of all our Surf Sports Officials, IRB crew and Water Safety personnel. These members work tirelessly and volunteer their time to make our carnivals successful. Thank you to our athletes and their contributions this season. The club thanks them for their dedication to the sport and professionalism.

I would now like to take the time to highlight some events during this 2022/23 season.

- The 2023 Australian Titles held in Perth saw a team of 80 members from Youth to Masters. As a Club we were successful; placing 3rd in Masters and 9th in the Opens competition. On behalf of the Club, I would like to extend the Clubs appreciation for the significant contribution from the Kurrawa Old Boys, Office staff and Coaches.
- Congratulations to Di Marchant, Chief Trainer, for the many awards and proficiencies successfully completed this season. She has strengthened our members' skills and provided pathways for our youth members graduating from the Junior Activities Program.
- Our Nipper program has become stronger this season again, under the faithfully eye of Shayne Bikneris our Junior Activities President, the Junior Activities Committee, coaches, age managers, and water safety personnel.

Lastly, I would like to thank our Supporters Club Board of Management for the continued financial support and the Surf Club Board of Management for their respective contributions.

South Coast Branch Club President Reports

Mermaid Beach AEME SLSC—Paul Mann

Season 2022/23 was a busy season the Mermaid Beach AEME Surf Lifesaving Club, I had the privilege to becoming President in January. It's big shoes to fill and I want to recognise the work Ann has contributed over the last 14.5 years, thank you Ann.

In November 2022, we had the honour of being recognised as Australian Club of the Year. This is recognition of all the hard work all members and staff contribute within the club. This contribution can be patrolling, water safety, training, first aid, competing, officiating at carnivals, age managing, parent representative, working on a BBQ or any other way you positively contribute to the club, thank you.

Congratulations and thank you to all that made the program a success.

- Nippers continued to remain a strong part of the club with an increase in membership, regarding competition we went from zero points to 65 at the QLD Championships, a big congratulations to all of those who competed and trained. Thank you to Bonnie and Chris for your hard work at training and carnivals.
- Our Masters continued to punch well above their weight, with strong results at State and Aussies, well done to all Masters competitors for your hard work throughout the season.

Some highlights of the past season:

- Our membership has remained strong and was over 1,100 members again.
- Fulfilling our patrol obligations for the season with no lives lost at Mermaid Beach. Like all clubs, we have some challenges around IRB drivers and crew, if you are interested in gaining these awards, please let the office know. Thank you to all active patrolling members for your hard work and dedication throughout the season.
- We trained 29 people in gaining their bronze medallion and 22 people in gaining their Surf Rescue Certificate. Thank you to all of our trainers and assessors for your hard work and many hours behind the scenes in completing paperwork.
- Introduction of the Mermaid Marvel program. This program is designed for children with disabilities to be able to enjoy the beach in a controlled and safe environment. This was an outstanding success in which the parents of the participants were very happy with their experience. I look forward to seeing the program grow next season.
- Our Surf Sports Head Coach Mike departed mid-season, Mike over the years put a lot of hard work in at Mermaid and we wish Mike all the best for the future. This provided the opportunity to rebuild our Surf Sports program, this saw Ky Hurst and Jared Wiseman join the coaching ranks mid season. Our team competed strongly at State and Aussies with our results exceeding expectations. Bianca Crisp won the 2km swim at Aussies and the boys, Ando and Aston picked up 3rd in the 1km beach relay. Well done to all of our competitors for all of your hard work and training throughout the season. Well established and credentialed coach Trevor Gee will be our head coach next season, I look forward to welcoming Trevor to the Mermaid family. It's exciting to see how our program will grow over the coming seasons.

Thank you to Lee, Jo, Justine and Michael for all of the work you do for the club. I would also like to thank all office holders and the Management Committee for all of your hard work in making the club a success. Finally, thank you to all members, we have our strategic plan which guides our direction but our core value of being a family club remains strong.

South Coast Branch Club President Reports

Miami Beach SLSC— Zach Henwood

The 2022/2023 season held many successes and significant events for our Club, but most importantly, our core function of keeping our beach safe for the bathing public was met with zero preventable deaths during our patrol operations. We welcomed over 95,000 visitors to our beach and incredibly, only 3 rescues were performed. This, I believe, is a credit to the capabilities of our patrolling lifesavers and their focus on preventative measures.

We started this season with a celebration of our 75th Anniversary as a Surf Life Saving Club. The event was spread over a weekend in late-July and featured a variety of activities including a trivia night, a cocktail evening, rescue demonstrations, and was highlighted with a Community Day to showcase our Club as it currently is. At the cocktail evening I was asked to present my thoughts on where I saw the future of Miami Beach. And I reflected on one key element: our membership. It is the life of our Club and the driving force for our family-friendly, inclusive, and supportive Club culture. To that end, our members will continue to be the focus as we move forward, an investment in the future leaders, lifesavers, and volunteers of the organisation.

In membership, we saw a slight decrease in our numbers, particularly in those associated with Junior Activities. However, our numbers are still above those of the seasons before last, so the general trend continues to be positive. And while we experienced a decrease in our Nipper numbers, our Junior Activities program remained as strong as ever. The hive of activity and smiling faces we see on the beach every Sunday is exciting, and that is in no small part due to the good work of our Junior Activities Committee, age managers, coaches, and water safety.

Our Surf Sports season was highlighted with our IRB Racing Team taking out the U23 Point Score at the Australian IRB Racing Titles. This is a significant achievement for our small Club and growing team, and an impressive feat of dedication and training from our competitors, coaches, team managers and officials. IRB Racing continues to be a viable pathway for our younger members, and it's exciting to see some more uptake in our Master's

competitor base as well. In other areas, our Junior Activities surf sports season was quite successful, with several medals from our young beach competitors at the State Titles. Our Club is looking at some new initiatives to grow our junior surf sports program in the seasons to come so I'll be watching that space with interest. Lastly, while it was unfortunate to see the Senior Branch Titles cancelled due to lack of interest, it was great to see that we had a motivated group of members ready

to go. I do hope we see some opportunities in the future for more social competitions for our senior athletes within the Branch.

To touch a little on governance, we have spent considerable time updating our framework with the development of Club Policies and induction materials, streamlining of our member protection checks, and the general documentation of our processes. Most recently however, we have commenced work on developing a new strategic plan for the Club. It will be an extensive and iterative process, and I look to our members for their valued input.

South Coast Branch Club President Reports

North Burleigh SLSC—David Rhodes

As we reflect on the accomplishments of the past season, we also look towards the future and are excited about the opportunities and challenges that lie ahead. We remain committed to building a strong, inclusive, and dynamic community and take great pleasure in reporting the following summary for North Burleigh Surf Life Saving Club At North Burleigh, our primary focus is providing a voluntary lifesaving service and ensuring the safety of our beachgoers. I am proud that we have once again kept our beach fatality-free. This achievement is a testament to the dedication and commitment of our members who volunteered for beach patrols throughout one of our most trying seasons.

I wanted to acknowledge the efforts and contributions of all our patrolling members in upholding our commitment to saving lives, I extend my sincere appreciation to all our Patrol Captains, Vice Captains and IRB Drivers for taking on that extra responsibility. To our Club Captain – Russell Codlin for the work in overseeing our lifesaving services and obligations, with the additional support from our operations team behind the scenes.

To our lifesaving education team who continue to ensure our members develop the knowledge and skills required to participate confidently within their patrols once they've attained their respective awards. This has been coordinated by our CTO Danny Zerbst and supported by our entire training team.

The continued success of our Supporters Club has been instrumental in our ability to navigate challenges and make significant contributions to our community. Their success has allowed us to provide the necessary resources and services to our members and beyond.

One of North Burleigh's achievement's in attracting new members has been through our Junior Activities and Surf Sports programs. This season, our Junior Activities program once again saw the club retain the overall State Youth Championship, for the past 5 year's we have circa of 500 members support and participate in this program. It is heartening to witness the participation and engagement of our nippers in the diverse range of activities and the genuine grass roots development of their surf and beach skills guided by the coaches, age managers and water safety. I would like to congratulate Brad Rodgers – JAC President and his entire team in the Junior Activities Committee as well as age managers, water safety personnel, IRB drivers and crew, officials and all the members who have contributed to the success of our Junior Activities program.

Our Senior Surf Sports program continues to grow and provides the opportunities for our members to showcase their skills and talent and in the following few year's I'm sure we'll see it continue to grow from strength to strength replicating the JAC results.

Our Club takes great pride in some of its additional community programs. Our Seahorse and Safe on Social programs embody North Burleigh's commitment to community well-being. Our "Seahorse" program is an inclusive beach activities offering that provide participants to engage in beach and aquatic activities. This program fosters inclusivity and empowers individuals to enjoy the water safely. Our "Safe on Social" program promotes digital safety, equipping individuals with knowledge and tools to navigate social media responsibly. Through workshops and educational resources, participants learn about privacy settings, online bullying, managing digital footprints, and recognizing potential risks. By empowering individuals to make informed choices, we strive to create a safer digital environment.

As we conclude another successful season, our future is looking bright with the clubs pending renovations. I would like to express my gratitude to all our members, volunteers, and leaders for their dedication and commitment to North Burleigh Surf Life Saving Club. We continue to grow and I am immensely proud of the achievements of our club, and I am excited about the opportunities and challenges that lie ahead for the 2023/24 season.

We are temporary custodians of our club which exists for the future generation of our members and we serve to leave our position whenever that time may be, one step closer to what success looks like to North Burleigh, we'll continue to strive for excellence and uphold our mission of saving lives and serving our community with utmost dedication.

South Coast Branch Club President Reports

Burleigh Heads Mowbray Park SLSC—Michael Boyce

The 2022/23 Season was an opportunity that all Clubs had to get back to business as normal and do what we do best in patrolling the beaches. Let's hope our days of COVID and any other disastrous events are behind us.

The season was one that enabled our Club to consolidate in all areas and we saw an increase with our patrolling members in not only numbers but attendances.

Burleigh Beach was once again fatality free, however we did have our fair share of rescues, preventative actions and first aid cases. All our Patrolling Members did a great job and we thank both Branch and SLSQ for their assistance in this respect.

In the Surf Sports area, our programs were well attended by our Members and both our Nippers and Seniors were involved in plenty of training and activity. The Club continued to support Members in this area with making available coaching sessions at the beach, in the pool and in the gym. This paid benefits in that our Nippers finished 4th in the State Titles

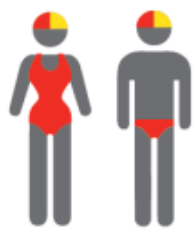

with our Seniors finishing 2nd and at the Australian Titles our Seniors finishing 3rd and won the Handicap Trophy. A great effort from all our coaches and Members alike. This in turn enables our Club to ensure that the Patrols are resourced with well-trained life savers.

Our Club has benefited financially through donations from the Supporters Club and the continued stream of donations by way of cash product and on-going support at all Member functions is much appreciated. The Club is looking at a further redevelopment – Stage 6 which will comprise an enlarged basement for storage of equipment and a Members Club Room. It is necessary to continue with development so that we can provide our members with state of the art facilities and to continue in line with the growth of the Gold Coast region.

I would like to take the opportunity to thank Cathleen Edgar for all her support and direction during the year. Also thank you to George Hill our Branch President for his input and dedication. We would also like to thank all other volunteer Committee Members and Officers who completed their Roles in 2022/23. We look forward to next season and as we all work together.

Lifesaving Report

Don Stevenson — Director of Lifesaving

This was my second year as the South Coast Branch Director of Lifesaving working once again with Mark Hendriks who stayed on in the role of deputy. It was great to have this continuity and Mark was of great assistance managing the Club Supervisors and always being there to help me out with good advice.

Our Pre-Season Day took on a new format this season with Surf Sports, Junior Activities, Education and Lifesaving all coming together at Broadbeach SLSC. We started the morning with Mitch Gray from Qld Water Police giving us a presentation on missing people and search techniques. We then broke into our respective groups to share relevant information before lunch. The day was very well attended, with plenty of input from members and interaction between the clubs that attended. I suspect we will be following the same format for Pre-season Day next season.

Throughout the season I visited patrols at all our clubs a few times. It was great to see our patrolling members doing a great job looking after the public on our beaches. I continue to be amazed that so many people give up their time and are so passionate about what we do.

I would like to take the time to thank all our hard-working Patrol Development Officers and Club Supervisors. It is good to see them working on the beaches both in and with the clubs. Thankyou to Lisa Maddison and Mark Hendriks for all of their efforts working with these teams. The time all these members give over and above their own Club and Support Ops commitments is very much appreciated.

Unfortunately, this season we were not able to secure an Emergency Care Officer. In their absence I performed the First Aid room inspections and was very pleased to again see the high standard in our First Aid rooms with nearly all our clubs scoring over 95%. There were a few 100% scores as well so very well done to all our First Aid Officers in the clubs.

It was great to see the Branch Rescue Carnival up again in full swing. I had the honour of being involved with Patrol Competition and was amazed at the high standard of our members competing in this event as well the other lifesaving events. Great work and thank you to Melinda Jackson for organizing such a great event.

Last of all I would like to thank my fellow South Coast Branch board members for their support over the past season, it is great to work with such a dedicated group of people.

Have a great off season I will see you on the beach again next season.

Education Report

Richard Morgan —Director of Education

2022/23 season started, as with most over recent years, with some apprehension as to what the year would bring, particularly with potential changes with the pending election of a new State President and the Branch Council identifying Education as one of the top three issues of concern for Clubs across the Branch. Although Club CTOs are under considerable pressure, Clubs need to be aware of the ongoing pressure being placed on Club CTOs, with constant pressure to get Awards signed off seemingly the primary objective, not the maintenance of standards required to gain these Awards and a lack of appreciation of the paperwork/processes behind the courses being delivered.

To help improve the support for CTOs, more frequent meetings were established, with bi-monthly meetings, with one month being the Education Committee and the second month being open to all Branch Trainers, Assessors and Facilitators (TAFs). The primary focus of the TAFs meeting is to ensure there is a forum for TAFs to attend and engage with other TAFs to share ideas, issues, and concerns, as opposed to the CTOs meeting, which is overall Club issues and a decision-making Committee.

A significant milestone this season, was the release of the commitment by the new State President issuing a letter to all Clubs announcing that *"without question, Member Education, and specifically the way we deliver it to, and through, our volunteers, is the #1 issue across our organisation."* This resulted in a commitment for transformation of our education system, with the objective to reduce the complexity within the education system, and the release of Phase 1, which included several key initiatives, including:

- The roll out of an "Education College" including the employment of paid Cert IV TAE trainers in each Branch. These trainers will lead the College for the Branch and facilitate both accredited and non-accredited training.
- Progressive removal of some qualifications from the RTO (accredited) structure, although maintaining accredited training for Bronze/Cert II, SRC and Emergency Care Awards.
- The integration of First Aid into the Bronze medallion.
- Gradual removal of accredited training UOC's, from all other awards aligned with SLSA – which is currently being reviewed for all IRB Awards.

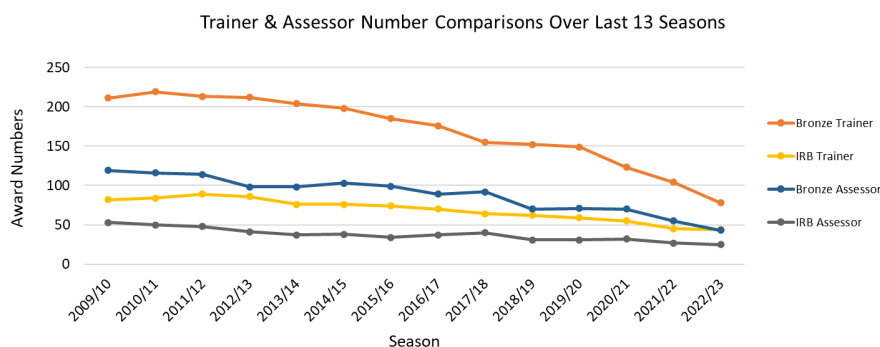

Although these changes have been welcomed throughout the Branch, it cannot be overstated enough, that these changes are about process and Awards meeting the needs of the movement, this must not be seen as a reduction in the quality of training, volume of learning and members demonstration of their capability. Standards of training and the quality of our lifesavers must not be compromised.

The biggest impact of these initial changes will be the path-

way for the developing of new TAFs for these Awards, as the constant alignment with accredited Trainer and Assessor Awards is one of the most significant impediments on developing new TAFs and keeping current TAFs engaged.

The ongoing retention of TAFs has again been impacted this season, with 115 Branch TAFs being required to update their Trainer Awards by November this year, (28 Cert IV holders, 12 Assessors & 75 Trainers) with initial feedback, that many are unhappy with this further workload.

The following graph provides a clear indication of how this is impacting the Branch.

Although the ongoing reduction in TAFs is adding to the pressure on CTOs it also appears to be having an impact on Awards delivered during the season. Although the Aquatic Awards (Bronze/SRC) seem to be consistent, all other Awards have reduced, some considerably (Table 1). It should also be noted, the TAF numbers being presented does not necessarily represent the number of active TAFs within the respective Clubs, some CTOs expressing concerns they are down to a couple of active trainers, with others only helping on an ad-hoc basis. It should also be noted that some Clubs do not have the resources to run basic Bronze and IRB Courses and are relying on neighboring Clubs to Train their members.

The reduction in qualified TAFs has resulted in SLSQ introducing more flexible arrangements for minor Awards and Skills Maintenance, with the introduction of more options to introduce Endorsed Delegates, which, although provides approval for more members to engage in Education, it can create an easier pathway to Education, erode the skill base for Assessment and discourage members from following the formal Trainer/Assessor pathway. The introduction of Endorsed Delegates has also pushed more work back onto CTOs, who are now required to engage these members and ensure their approvals are endorsed. Table 2, identifies the Awards updated through annual Skills Maintenance, and although these are consistent with last season, it is showing an overall decline in numbers of members maintaining their Awards and with the reduction in new Awards, we do need to address this decline.

Although the current situation has been the result of many years of decline, the reforms proposed by the State President, were raised at the most recent State Education meeting, and discussions across the State clearly signaled support for these reforms and a clear focus on where improvements can be made. The initial discussion around the removal of Units of Competencies from the IRB Awards and the potential changes for Trainer and Assessor requirements were a clear indication that SLSQ is taking this review seriously and have agreed to support several workshops to investigate all options of the Education system.

South Coast Branch is blessed with many dedicated and high-quality Trainers and Assessors who year-on-year continue to keep Clubs running and provide hours of their time willingly and voluntarily. and unless we support the pathway for reform, it is likely we will witness more fallout and more Clubs not being able to run sufficient course to grow.

Finally, and as with every season, I would like to extend my appreciation and thanks to all the Trainers and Assessors within the Clubs, those who provide water safety, general assistance, and administration, as without this support, the delivery of Courses and Skills Maintenance at both Club and Branch

level would not be achieved.

I trust the 2023/24 season will be the season of change.

Patrol Development Team Report

Lisa Maddison—Patrol Development Coordinator

End of season reporting allows us to take this opportunity to thank all the Patrol Development Team members for their commitment to Surf Life Saving Queensland this season.

As our lives become busier and volunteers' spare hours become more precious, I am extremely grateful to the group of men and women below who took on additional roles within the Branch to help ensure that South Coast Branch patrols maintain the Surf Lifesaving standards that the public expects of us.

The Patrol Development Team (PDT) this season comprised of:

Darren Bailey (SPA)	Harrison Henwood (MBH)
Shelley Schultz (KUR)	Chris Haile (SPA)
Mick Slattery (BHMP)	Greg Moreton (KUR, MEB)
Chris Wright (SPA)	Ashley Wilson (BRB)
Lisa Maddison (MBH, SPA)	Julie Ward (PTL)

The Patrol Development Team endeavoured to carry out their visits focusing upon the positive aspects of patrolling, doing their best to alleviate the stress of an 'inspection' and use the time to chat with patrolling members and help should an incident arise.

Experienced team members Darren, Greg, Mick, Chris and Ash have been fulfilling this role for a few years now and I am indebted to them for their enthusiasm and altruism. Shelley had moved to Bribie and was going to wind back her duties but continued to drive down and support Coochiemudlo, alleviating many hour long drives to Coochie for some of the Gold Coast Team. We also had newcomers Harrison, Chris and Julie join the team. I loved reading their reports and enjoyed conversations as they shared inspiring patrolling stories.

There are some amazing volunteers out there on our South Coast beaches and in the role of being a Patrol Development Team Member, a volunteer gets to step out of the familiarity of their home club and see what is going on at other beaches. It is eye opening for a club member from a quiet accessible club on the Gold Coast to understand how Point Lookout operates two beaches and that all members must pay for ferries and organise a 45-minute bus ride to get to patrol.

To gain new perspective either witnessing the dedication of Coochiemudlo watching their family friendly beach, a small patrol at Surfers herding 500 visitors away from rips or, the Burleigh crew managing sweeps, rips, and a multitude of territorial surfers. Every beach in the South Coast Branch has its own personality and it is a wonderful option to be able to learn more about our beaches and our incredible humans that monitor each beach each weekend throughout our season.

This year in their quest to seek the club that deserved the prestigious Club of The Year Award', the focus was on uniforms, active patrolling and sharing developing procedural knowledge. This year the team completed nearly 73 visits across the Branch. It is with pleasure that we can report that many clubs were able to achieve 100% scores. High standards of patrol viability in terms of correct uniform/ active patrolling, IRB availability, correct equipment and member knowledge was apparent to our Patrol Development Officers.

Huge thanks to the Patrol Captains and their teams who do a wonderful job taking on a role that sometimes requires skills that challenge comfort zones. When you have the opportunity to visit so many clubs and patrols, the awareness of how many dedicated and knowledgeable lifesavers are out there grows.

Joining the PDT in gathering information for end of year awards, was our hard-working Director of Lifesaving, Don Stevenson, who visited every club in the South Coast Branch to assess their First Aid room. In terms of First Aid Room audits, three clubs are to be commended on the standard of their First Aid Rooms, achieving perfect scores of 100/100.

One of the highlights of my inspection season is always my Point Lookout visit. I go incognito (catching a ferry later than the patrols) and surprise them with a visit. I then join them on patrol for the afternoon and always, enjoy a sleepover in their bunkrooms. If you are lucky and Emu is the chef – then a good roast will be on the menu, and nothing beats dining in the big hall with the Point crew with everyone singing aloud to Sweet Caroline – 13-year-old SRC's alongside life members as everyone pitches in and does the dishes and sweeps the hall.

This is what surf lifesaving is all about.

As always, I remain thankful and grateful to our DOL, Don Stevenson, our DOE Richard Morgan and our SCB President, George Hill who alongside his executive team, continually support me in my quest to manage this role.

We are always looking for people willing to carry out this role during a season – so if you have a passion for sharing experience and knowledge, please do not hesitate to get in touch. This experience makes you a better lifesaver as the knowledge derived adds to your knowledge, skills and understanding. It builds perspective.

To those of you who proudly wear the respected 'Red and Yellow Cap', thanks for another terrific season. We look forward to seeing you on the beach next season.

Youth Development

South Coast Branch and Point Danger Branch once again joined forces to offer their youth opportunities to develop teamwork and leadership skills at the GC Youth Development Camp held in January at which 41 young people from South Coast Branch participated.

The Gold Coast Youth Ball was held in June at Currumbin RSL and about 140 South Coast U12-U17 members joined with Point Danger Branch members to celebrate the end of the season. SCB was awarded 2 of 4 awards on the night.

Congratulations to the Youth Club Of The Year – Mermaid Beach AEME and Emily Jayne-Browne for having the highest patrol hours.

Brianna Free (Southport SLSC) and Paul Ryan (SLSQ Membership Development Coordinator GC)

It is with great pleasure I present the 2022/2023 South Coast Branch Annual Surf Sport's Report.

Another massive season for surf sports involving clubs in our Branch. Twelve carnivals and a number of special events were hosted by clubs in the South Coast Branch in the 2022/23 summer season. The winter IRB racing and pool rescue events are being conducted as this report is written with carnivals being held on our beaches and in our pools. The diversity of events offered to our members is extensive across short distance, long distance; ocean, beach, craft, IRB, boats, surf rescue, pool rescue, R&R, March Past; and ages U08 to Masters. A substantial undertaking from a core group of volunteers within each club.

The Interbranch team trials were held at North Burleigh SLSC in early October with over 100 U13-U17 talented athletes trialing for their place in the Team. The strength of the team, their professionalism, teamwork and sportsmanship was excellent. Thank you very much to the support crew from coaches to age managers, water safety and team manager, parents and officials, selectors and pool setters. Without you this event would not take place. Congratulations to all involved.

The World Championships were held in Italy with members of South Coast Branch Clubs representing their country. Both the Australian Open and Youth Teams were crowned World Champions. Congratulations to Youth Team Members Claudia Bailey (Northcliffe), Cyra Bender (Northcliffe), Britney Ingr (Kurrawa), Jake Morris (Northcliffe), Lily O'Sullivan (BHMP) and Jasmine Rayward (BHMP); and to Open team members Harriet Brown (Northcliffe) and Naomi Scott (Northcliffe),

The U08-U10 carnivals always prove to be a highlight with the march pasts, team cries and active participation wonderful to watch. The rolling flag pit also proved very popular with Team Managers, parents, nippers and Officials. This is a great event to start the season for our younger members.

The Branch Surf Rescue Championships were held at Southport SLSC and the club was a wonderful host ensuring a smooth and well run event. The Boaties went to Mermaid with the Qld Navy Series and the Beachies headed to Kurrawa and Burleigh Heads Mowbray Park for the Beach Series. Miami SLSC

Melinda Jackson—Director of Surf Sports

continued their support of the Junior Activity carnivals. The Shannon Eckstein Shaw and Partners Classic/Summer of Surf event was again hosted at Northcliffe and the SLSA Nutri-Grain Rounds, and Next Gen races, were conducted at Kurrawa. Burleigh Heads Mowbray Park hosted the annual Burleigh Ocean swim and North Burleigh hosted the Kozii Iron Challenge.

After an end of season review, it was decided to hold the South Coast U11-U15 Branch Championships over three days. Miami and North Burleigh successfully hosted these events with some amazing racing witnessed by all. Weather and a busy surf sports calendar again played havoc with our carnival schedule. With as few as 25 Seniors indicating they would be attending the Senior Branch Championships it was decided to cancel the carnival.

To all the clubs who hosted Surf Sport's events, we thank you for the considerable time and effort your members committed to guaranteeing surf sports in our Branch continues to prosper.

There have been many individual, team and club competitive successes over the last 12 months. Congratulations to the following South Coast Branch clubs, their competitors, coaches, team managers and extended surf sport community for a successful 2022/23 Championship event season.

Top 6 South Coast Branch Clubs 2022/23 Season	
Queensland IRB	1st Broadbeach , 2nd Kurrawa , 4th Miami

Surf Sports Report cont'd

I would like to congratulate all South Coast Branch Clubs and their competitors for their involvement in the various carnivals throughout the season ensuring another successful competitive year. The calendar of events and variety of racing on offer continues to require significant juggling.

Without the dedication from all voluntary officials our carnivals would not be able to run. Your time, wisdom, professionalism and commitment to providing opportunities for our athletes to compete in a fair and safe environment is much appreciated. There are currently 39 Senior, 188 Technical and 41 Core Active Officials registered in South Coast Branch clubs. We have 40 new officials this season (14 Technical and 26 Core) and a further 27 started the courses towards the end of the season. 114 members of South Coast Branch clubs officiated at our local carnivals throughout the season for a total of nearly 1400 hours of volunteering. 115 individuals helped out with water safety (522 hours), 21 with first aid (68 hours) and 9 assessed in surf sport competition (84 hours). Many of these people also travelled to other Branches and states throughout the year to assist with carnivals.

Along with our officials, carnivals require a massive workforce, both volunteer and professional, to ensure the standard of the events are maintained. An enormous and heartfelt thanks to everyone who assisted in any way – club coaches, deep water rescue teams, first aid officers, host club workforce, IRB drivers and crew, parents, team managers and water safety personnel and coordinators. I dare not leave out our ever-reliable Wayne 'Rabbit' McLennan who maintains our gear and equipment and ensures everything is on the beach before the rest of us arrive. Rabbit and his helpers go above and beyond season after season, often the first to arrive and the last to leave. There is always a spot for anyone who would like to assist.

The endless support from the SLSQ Sport's team of Ryan Bennett, Karen Degnan, Stuart Hogben and Dan Homer is greatly appreciated. Please accept my personal thanks. Kym Trinca and Cathleen Edgar continued with their tireless assistance in getting the carnivals on the beach and the competitors in the water.

To the members of the Branch Executive and Council, thank you for your continued support of Surf Sports in our Branch.

My apologies to anyone I have missed in this report, it is certainly not intentional. I have enjoyed the energy on the beach and the wonderful people we get to spend time with throughout the season. Thank you to everyone who has played some part, however big or small, in the success of surf sports in the South Coast Branch. See you on the beach or pool deck in 23/24.

SOUTH COAST

2022-2023

SLSQ South Coast Branch Inc.
Financial Statements

Darren Woodward—Director of Finance and Property

It is with privilege that I present the South Coast Branch Inc Financial Report for the 2022 / 2023 Lifesaving year.

This being my first season in the role, I'd like to firstly acknowledge the contribution of outgoing Director of Finance - Denis Cahill for his many years of dedicated service to the Branch. Not only did he maintain a professional and consistently managed portfolio during his time in the position, his guidance when required as I transitioned into the role was genuinely appreciated and we wish him well in his future Life Saving endeavours.

From a financial standpoint, the Branch was able to fulfil its objectives of supporting the Clubs in our Region and return a modest surplus of \$16,195 for the season against an originally budgeted position of -\$19,933. Main revenue streams were generated via a significant increase in successful Grant applications and also Carnival Nominations with expenditure generally maintained in line with budget forecasts including the addition of a much needed part time administrator being reinstated.

All Gold Coast Clubs should be encouraged to acknowledge Gold Coast Council for their continued support in respect to the continuation of their annual grant program – this year being for \$50,000 - which continues to support the provision of equipment for lifesaving services and also the development of Junior Activities on the beaches of the Gold Coast. In addition, and through the dedicated efforts of our Administrator – Kym Trinca – the Branch was successful in attracting grant commitments in excess of \$25,000 aimed at funding specific projects within the Branch – most of which will be implemented during the course of the upcoming season.

We would like to specifically acknowledge the following for their contribution to the Branch and the Clubs within our region ongoing financial viability: -

The Queensland Government

Gold Coast City Council

Redland City Council

Surf Lifesaving Queensland

The Surf Lifesaving Foundation – Grants Seeking Unit

Looking ahead to the 2023/24 season and beyond, we will commence this period in a strong position with just under \$300,000 in cash reserves and a further \$218,000 in long term investments. Importantly, the South Coast Branch Board is

preparing a revised Strategic Plan that is directly aimed at further supporting all of our member Clubs in delivering their services to the communities we operate in and their membership. This will also include targeting a number of areas that Clubs have highlighted that present challenges to their ongoing operational viability. The Branch Council will continue to be engaged on this journey and the required proposed funding mechanisms that leverage off our strong base to deliver on committed strategically important initiatives.

2023/24 will also see the commencement of a new era for the Branch and its partnership with Surf Life Saving Queensland through the recently executed Services Agreement. This arrangement includes the re-establishment of a number SLSQ funded resources; with the addition of SLSQ funded resources dedicated to delivering solutions in training and assessing for our Clubs; along with a realignment of key operating guidelines that will help guide both parties towards a mutually beneficial future.

In closing, I would like to thank my fellow members members of the Branch Board; Branch Councillors; SLSQ; Carol Shanks (our ever diligent book keeper!); Wayne (Rabbits) McLennan for his astute management and care of branch gear and equipment; and finally Kym Trinca – our Administrator for her dedicated and professional support and assistance throughout the past year.

Yours in Surf Life Saving

SURF LIFE SAVING QUEENSLAND, SOUTH COAST BRANCH INC.

Committee's Report For the Year ended 30 April 2023

Your committee members submit the financial accounts of the Surf Life Saving Queensland, South Coast Branch Inc. for the financial year ended 30 April 2023.

Committee Members

George Hill ESM
Darren Woodward
Richard Morgan
Dean Love

Ian Tannahill
Don Stevenson
Melinda Jackson

Principal Activities

The principal activities of the association during the financial year were:

"Promote, demonstrate and instruct the methods of Surf Life Saving and advance and control the work of Surf Life Saving".

Significant Changes

No significant change in the nature of these activities occurred during the year.

Operating Result

The profit after providing for income tax amounted to \$16,195.00, (2022: \$30,850.00).

The committee has determined that the association is not a reporting entity.

The committee has determined that this special purpose financial report should be prepared in accordance with the accounting policies in note 1 to the accounts.

In the opinion of the committee the accompanying accounts:

1. Present fairly the financial position of Surf Life Saving Queensland, South Coast Branch Inc. as at 30 April 2023 and the results and cash flows of the association during the year ended on that date in accordance with applicable Australian Standards and other mandatory professional reporting requirements; and
2. At the date of this statement, there are reasonable grounds to believe that the association will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

George Hill ESM
President

Darren Woodward
Director of Finance and Property

SURF LIFE SAVING QUEENSLAND, SOUTH COAST BRANCH INC. **Independent Auditor's Report to the members**

We have audited the accompanying financial report, being a special purpose financial report, of SURF LIFE SAVING QUEENSLAND, SOUTH COAST BRANCH INC. (the association), which comprises the Statement by Members of the Committee, Income and Expenditure Statement, Balance Sheet, a summary of significant accounting policies and other explanatory notes for the financial year ended 30 April, 2023.

Committee's Responsibility for the Financial Report

The committee of SURF LIFE SAVING QUEENSLAND, SOUTH COAST BRANCH INC. is responsible for the preparation and fair presentation of the financial report, and have determined that the basis of preparation described in Note 1 is appropriate to meet the requirements of the Associations Incorporation Act of Queensland 1981 and is appropriate to meet the needs of the members. The committee's responsibilities also includes such internal control as the committee determine is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion of the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the association's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial report presents fairly, in all material respects, the financial position of SURF LIFE SAVING QUEENSLAND, SOUTH COAST BRANCH INC. as at 30 April, 2023 and of its financial performance for the year then ended in accordance with accounting policies described in Note 1 to the financial statements, and the Associations Incorporation Act of Queensland 1981.

Basis of Accounting and Restriction on Distribution

Without modifying our opinion, we draw attention to Note 1 to the financial statements, which describes the basis of accounting. The financial report has been prepared to assist SURF LIFE SAVING QUEENSLAND, SOUTH COAST BRANCH INC. to meet the requirements of the Associations Incorporation Act of Queensland 1981. As a result, the financial report may not be suitable for another purpose.

Signed on: 27 JUNE 2023

Notes to and forming part of the Financial Statements

For the year ended 30 April 2023

1. Statement of Accounting Policies

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the *Association Incorporations Act*. The committee has determined that the association is not a reporting entity.

This report has been prepared in accordance with the requirements of the *Associations Incorporation Act*, and the following Accounting Standards and other mandatory professional reporting requirements:

AASB 112:	Accounting for Income Tax
AASB 1031:	Materiality
AASB 110:	Events after Balance Sheet Date
AASB 117:	Leases

No other Australian Accounting Standards or authoritative pronouncements of the Australian Accounting Standards have been applied.

The financial report has been prepared accruals basis and is based on historic costs and do not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

(b) Property Plant and Equipment

Plant and equipment is stated at cost less accumulated depreciation. Buildings are valued at fair value less accumulated depreciation. Building Improvements are stated at cost less accumulated depreciation.

The Branch Headquarters are designated as a special purpose non-residential building and net replacement value is utilised as fair value. The building was independently valued on 30 April 2004. The building has since been revalued using ABS Index 6427 – Construction of Non-Residential Buildings Queensland. This revaluation was made effective from 1 May 2010. A review of this index in May 2012 revealed that the variation in this index was -0.4%. The Committee resolved that this movement was immaterial and not to revalue the building in 2013/14. No further revaluation has been made at 30 April 2023.

Depreciation has been applied over the useful life of the assets as follows:-

Buildings	2% straight line
Building Improvements	20% diminishing value
Lifesaving Equipment	25% diminishing value
Surf Sport Equipment	25% diminishing value
Other Equipment	25% diminishing value
Motor Vehicles	25% diminishing value

2. Joint Ventures

The South Coast Branch SLSQ Inc is a party to a joint venture. This joint venture is for Gold Coast Youth Development with the SLSQ Point Danger Branch Inc.

Youth Development

The purpose of this venture is to run programs for clubs in both Branches to assist them in developing and retaining younger members up to the age of 18. Administration of this venture is undertaken by SLSQ South Coast Branch.

A full set of statements has been prepared and are included in the report.

3. Donations/Sponsorships

Donations received in 2022/23 were:-

	This Year \$	Last Year \$
Donations	-	-
Sponsorships: Surf Sports	-	-
Other	-	-
Total	-	-

4. Grants and Subsidies Income

Details of grants received during 2022/23 are:

	This Year \$	Last Year \$
DES Subsidy	25,193	25,193
GCCC Grants General	52,941	29,406
SLSQ Regional Subsidy	41,227	-
Other	25,171	-
Total	144,532	54,599

5. Financial Earnings

	This Year \$	Last Year \$
Net Earnings from Investment	8,074	1,504
Bank Interest	1,106	14
Total	9,180	1,518

Investment earnings include capital gains/losses less fees. See Note 14 for additional information on investments.

6. Insurance

Insurance has been assessed on an accrual basis in 2022/23. The amount expensed represents insurance cover for the period 1 May 2022 to 30 April 2023. An amount of \$2,531 is included on the Balance Sheet as a prepaid expense and represents the balance of the premium for the period 1 May 2023 to 1 October 2023.

7. Lifesaving Expenses

	This Year	Last Year
	\$	\$
First Aid	-	-
Lifesaving Expenses – Travel	-	-
Lifesaving Expenses – Training	-	-
Lifesaving Expenses – Uniforms	451	-
Lifesaving Expenses – Other	-	309
75 th Anniversary	-	-
Total Lifesaving Expenses	451	309

8. Sports Expenses

	This Year	Last Year
	\$	\$
Trophies & Medallions	-	-
Carnival Expenses	34,569	22,870
Officials Expenses	1,078	501
Interbranch Expense	7,842	14,671
Other	-	-
SLSQ Awards + Conference	-	-
Total	43,489	38,042

9. Club Disbursements

The Association receives a donation from the Gold Coast City Council and disburses these to Clubs within the Gold Coast City Council area under a grant scheme. The Association also distributes a portion of revenue it receives from carnival nomination fees to host clubs. Details of disbursements in 2022/23 are:-

	This Year	Last Year
	\$	\$
Carnival Disbursements	-	-
GCCC Grant Disbursements	66,437	-
Club Disbursements	-	-
	66,437	-

Financial Statements 2022/23

10. Cash

Details of Cash Items held as at 30 April 2023 are:

	This Year \$	Last Year \$
<i>Accounts held with Westpac</i>		
Interest Earning Account	151,598	93,810
Cash Reserve	143,079	141,973
Gift Fund Account	1,274	1,274
	<u>295,951</u>	<u>237,057</u>

The Westpac Cash Reserve account is used to enable the Branch to take advantage of higher interest rates and lower fees from this account structure.

11. Receivables

As at 30 April 2023 aged accounts receivable were as follows:-

Total Due	0-30 Days	31-60 days	61-90 days	90 Days
\$0.00	\$0.00	\$0.00	\$0.00	\$0.00

12. Other Assets

Other Assets comprise prepaid expenses and deposits. As at 30 April 2023 these comprised:-

	This Year \$	Last Year \$
Prepaid Medals	2,910	2,910
Prepaid Insurance	2,531	2,383
	<u>5,441</u>	<u>5,293</u>

13. Investments

On the 16th May 2004 South Coast Branch invested an amount of \$100,000 in the Surf Rescue Trust Fund administered by the Surf Lifesaving Foundation. The foundation engaged Perpetual Trustee Co Ltd as fund managers. Funds can only be withdrawn from the investment fund upon resolution of the Branch Council. This is in accordance with the initial resolution by the Branch Council and subsequent instructions given to the Trustees.

As at 30 April 2023 the balance of our account was \$218,061. This represents a net increase of \$8,074 after management fees of \$652 were deducted and a 3.845% return on our investment over the 12 months to 30 April 2023. This amount is included under the Financial Earnings in the Profit and Loss statement. Movements in the account for 2022/23 were:-

	This Year \$	Last Year \$
Opening Fund Value	209,987	208,482
Earnings	8,943	3,681
Capital Value Movement	(217)	(1,431)
Less Fees and Charges	(652)	(745)
Closing fund Value	<u>218,061</u>	<u>209,987</u>

The investment is part of the Lifesavers medium Term Fund and represents 1.0271% of the total value of this fund. Portfolio asset allocation of this fund as at 30 April 2023 was:-

Asset Class	Market Value
Australian Cash	1.71%
Australian Fixed Interest	17.24%
Australian Property	6.83%
Australian Shares	33.16%
International Shares	41.06%
International Fixed Interest	0.00%
Other	0.00%

Rates	-	-
Total	2,139	592

Member Recognition

2023 Surf Woman of the Year

Brianna with Carol Fox—SLSQ Deputy President

Congratulations Brianna Free (Southport SLSC) for being awarded the 2023 Surf Woman of the Year. This program aims to develop skills and experiences to further careers within and outside surf lifesaving. Brianna also raised funds for her club and organized events to showcase her contribution to the community.

Eliza Trout (Point Lookout SLSC) was one of four other participants in the program.

Clive Hammond OAM Award Recipient Greg Foster—Southport SLSC

The Clive Hammond OAM Award recognises individuals who have made an outstanding and special contribution to the development and / or well-being of their Club or Branch.

Greg Foster has been an Associate member of Southport SLSC since 2017 and is currently the Deputy President and Sponsorship & Marketing Officer for the Club. Although Greg's role primarily looks after sponsorship & building development, he is involved in all facets of the club.

He cannot participate in active patrolling duties; however, he immensely supports our club and members, dedicating a lot of time to the club. He continually brings ideas and enthusiasm to benefit the club, assist in making it run more efficiently, and helping it move forward. He is an excellent support to other members, respectful and courteous in all interactions, and you can always expect to have a laugh when he is around!

With Greg's recent venture into his role as Deputy President and Sponsorship Officer, he has helped generate a new sponsorship package and secured two major sponsors for the club. Greg went above and beyond to sustain the relationship between both

parties. He is continually looking for new ways to attract additional sponsorship, all with a smile on his face. This season, Greg has led the building and works committee, ensuring we stay on top of the maintenance, saving the club money in the long run - Our club has never been this well maintained.

Everything Greg has done in his ventures for the Surf Club's success has been positive, relaxed, and joyful. His drive to help the Surf Club succeed is infectious! Any member will tell you that he always has the time of day for you and thoroughly promotes the lifesaving mindset of helping others.

South Coast Branch Award Winners 2021/22
