STATEMENTS**

2024-2025

100+ years of saving lives

Congratulations to three of our incredible South Coast Branch clubs on **100 years of unwavering service, courage, and commitment to saving lives**—a century of making our beaches safer and our communities stronger.

Cyclone Alfred

Cyclone Alfred officially made landfall on the evening of 8 March 2025, crossing Bribie Island before moving onto the mainland, bringing damaging winds, heavy rainfall, and significant storm surges to areas stretching from the Sunshine Coast down to the Gold Coast and far north-east New South Wales.

The cyclone had a devastating impact on Gold Coast beaches, stripping an estimated 6 million cubic metres of sand. Severe erosion left the northern beaches the narrowest they've been in 25 years, exposing critical

coastal defences such as the A-Line rock wall and causing footpaths, showers, decks, patrol towers and vegetation to collapse onto the sand metres below.

Recovery efforts, including sand dredging and infrastructure repairs, are ongoing. However, persistent high tides and strong swells continue to hinder progress. Beaches north of Surfers Paradise remain closed three months on. Surfers Paradise has been prioritised by the City of Gold Coast for restoration due to its significance for tourism.

Notice of Annual General Meeting

Notice is hereby given of the 80th Annual General Meeting of the Surf Life Saving Queensland South Coast Branch that will be held at the South Coast Branch Building, 178 Hedges Avenue, Mermaid Beach, 9.00am registration for a 10:00am start on Saturday 12th July 2025.

The business to be conducted at this meeting will be as follows:

- 1 Opening – Attendance including Apologies and Alternates (Proxies)
- 2 Confirm and adopt the minutes of the 2024 Annual General Meeting
- 3 Affiliation of the Clubs to the Branch and the Branch to SLSQ and SLSA
- 4 Presentation and Adoption of the 2024-25 Annual Report and Financial Statements
- 5 Endorsement of Councillors
- 6 Election of Directors
- 7 Endorsement of the Board, Lifesaving Committee, Education Committee, Surf Sports Committee, Junior Activities Committee, Membership Committee, and other Committees
- 8 Appointment of Patrons for 2025-26
- 9 Appointment of Auditor
- 10 Appointment of Delegates to Auxiliary Organisations
- 11 Notices of Motion
- 12 Announcement of Life Membership Awards
- 13 General Business

The Chairperson reserves the rights to amend the order in which business is taken.

Member Recognition

National Medal for Service to Surf Lifesaving

Established in 1975 as a military recognition award, the National Medal has since branched out into government and voluntary organisations and is now Australia's most awarded civil medal.

The National Medal is awarded to individuals on behalf of the Governor-General of Australia and recognises long and diligent service in organisations that are dedicated to protecting life and property at a degree of risk to their members. It is awarded to individuals who risk their lives or safety to protect or assist the community in enforcement of the law or in times of emergency or natural disaster. Surf Life Saving Australia volunteers with a minimum of 30 patrolling hours over a minimum period of 15 seasons, since September 18, 1986 are eligible for the National Medal.

2024/25 South Coast Branch Recipients

National Medal - 2nd Clasp (35 Years of Service)

Miami: Anthony Wheatland

National Medal - First Clasp (25 Years of Service)

Miami: Denis Cahill, Shane Grant

Nobby's: Bruce Serisier

Surfers Paradise: Peter Anderson

National Medal (15 Years of Service)

Broadbeach: Ross Aird, Peter Ffrench, Roland Brummage, James McCarthy, Kenneth McKay, Jarred Nielson, Ashly Wilson

Coochiemudlo: Desmond Kerr, Dawn Rubie

Kurrawa: Joshua Middleton

Mermaid: Lloyd Cox, Paul Mann, Deborah Hicks, Mark Tomasoni

Miami: Emily Austin, Wade Heggie, Janita Henwood, Andrew Smith, Mark McGovern, Mark Ellis, Todd Hiscock, Glen Tuton, Gary Wills

Nobby's: Shaun Hourigan, Paul Keighley

Northcliffe: Danika Harrison, David Bryant

North Burleigh: Troy Muller, Mandy Hargrave, Russell Codlin

Point Lookout: Anthony Langenberg, William Hagan

Southport: Mark Goodman, Trevor Smith, John Wood

Order of Australia Medal (OAM) - Wayne McLennan

Mr Wayne 'Rabbit' McLennan was awarded the Order of Australia Medal (OAM) for his outstanding service to surf lifesaving. With over six decades of dedication, Wayne's journey began at Broadbeach SLSC in 1960, earning his Bronze Medallion in 1962. A Life Member of SLSA, SLSQ, and the South Coast Branch, Wayne has contributed across every level—from patrol member to club president and through key leadership roles at both South Coast and North Queensland branches.

Wayne's contributions have shaped the lifesaving community we know today:

- Pioneered helicopter rescue services
- Helped trial the first rigid hull IRBs
- Produced the first version of the "Blue Book"—now the *Public Safety and Aquatic Rescue Manual*
- Inaugural member of the iconic "Dirty Dozen"
- Lifelong champion of surf sports and lifesaving development across Queensland and Australia

Member Recognition

Surf Life Saving Australia Hall of Fame – 2025

We proudly celebrate three South Coast Branch members inducted into the Surf Life Saving Australia Hall of Fame at the 2025 National Awards of Excellence. This prestigious recognition commemorates individuals and teams who have made exceptional contributions to the development of surf lifesaving in Australia. Since its establishment in 2004, the Hall of Fame has honoured over 100 inductees across Lifesaving, Leadership, and Sport.

- **Kristyl Smith (BMD Northcliffe SLSC):** 25-time Australian Champion, dual World Ironwoman titleholder, and 14-time Australian representative.
- **Dwayne Thuys (Surfers Paradise SLSC):** World Ironman Champion, triple Australian gold medallist, 3-time Australian representative and key figure in the founding of Salt SLSC.
- **Harriet Brown (BMD Northcliffe SLSC):** Five-time World Champion, 15-time Australian gold medallist, and record-holder in the Molokai to Oahu Board Race.

Peter Connell Knighted at Lifesaving World Championships

We proudly recognise North Burleigh, South Coast Branch, SLSQ and SLSA Life Member Peter Connell, who was awarded the prestigious title of *Knight* at the Lifesaving World Championships Gala Dinner in August.

Peter becomes the first Australian official to receive this distinguished honour, acknowledging over 30 years of voluntary service and his involvement in 14 World Lifesaving Championships. His dedication exemplifies the highest standards of commitment to the International Life Saving Federation and the broader lifesaving community.

Clive Hammond OAM Award Recipient 2024—Scott Wheeler

Scott Wheeler’s journey with Kurrawa SLSC began in 1989 as a Nipper, earning his Bronze Medallion in 1993. Since then, he’s clocked nearly 1,000 patrol hours and held countless roles—parent, official, coach, patrolling member, and now IRB Officer and Director of Surf Sports.

Awarded Life Membership in 2021, Scott is known for his genuine communication and support across all levels of the Club. His leadership during the 2023 Surf Sports rebuild—after COVID-19’s impact—reinvigorated participation and strengthened the competitive IRB team. Affectionately dubbed “the Pied Piper,” he inspires unity, teamwork, and celebration in every crew he mentors.

Even through personal challenges, Scott’s presence never wavered. As a coach and Board of Management member, he champions a people-first approach—mentoring beyond medals and leading with humility, grit, and passion for Kurrawa and its members.

South Coast Branch President's Report

George Hill ESM

It is with immense pleasure and honour I present to you, Surf Life Saving Queensland South Coast Branch's 80th annual report for season 2024/2025.

Our report illustrates the continued growth and development of our organisation and the unselfish contribution to the Gold Coast City and Redland City communities by our volunteer members, patrolling surf lifesavers, office bearers, assessors, trainers and competition officials.

The year under review highlighted a number of increasing challenges and risks for Surf Life Saving. The increase of Insurance cover and Workcover, general cost of living making volunteering even more challenging, natural disasters like TC Alfred and flooding rainfalls, beach erosion, and personal time available and the expense for a volunteer to volunteer is seeing a strain on membership and long term commitment of officers and member.

Our Surf Life Saving Clubs and Branch Officers continued to deliver quality services necessary to meet our objectives with outstanding preventative work remaining the key focus on all our beaches to minimise rescues and loss of life to all beach users.

We also must acknowledge the wonderful work of our volunteers members and clubs by providing flood response support to Southern Queensland and Northern New South Wales during flooding events and through the coordination of SLSQ Gold Coast staff Nathan Fife and Brendan Scofield.

The true value of our organisation to our community can never be underestimated as we continue to protect, support and build stronger communities through our members will and passion to make a difference to those they serve.

While the challenges mentioned previously took its toll on our community, we still defied the odds to grow our membership in South Coast Branch with our Junior Activity area having the highest growth of all membership categories which goes well for our longer-term future.

Our flagged areas experienced no lives lost which is a credit to all our patrolling members, operations support services and lifeguard services.

Sadly the drowning rate continues outside the flagged areas on Gold Coast Beaches and we must continue work closely with the relevant authorities, community educators, media outlets and tourism operators to deliver the correct and effective messages to all beach users and provide extended services and systems that prevent people swimming in known high risk areas at high risk times along our beautiful coastline.

We acknowledge the wonderful support of all three levels of Government for their financial support through grant support, donations and professional guidance with our club's services, facilities, leases and events.

I want to personally thank our committed Branch Board members who are very focused on supporting our Clubs and members where ever possible and positioning South Coast Branch in a much stronger position to be able to provide the guidance, assistance and leadership our members seek to be able to do their job effectively and safely.

To Deputy President and Finance Director Darren Woodward thank you for your unwavering support and taking on the two portfolios to ensure we continue to succeed on meeting our objectives, also Jason Argent, Dean Love, Richard Morgan and Kyle Bartlett thank you also for your commitment and dedication to the Board and your respective portfolios.

I wish to thank our Club Presidents for their commitment and dedication to their respective clubs and to those representatives that attended and had input at our Branch Council meetings thank you sincerely for your opinions and recommendations to improve and grow the success of not only our region but the wider surf lifesaving community.

South Coast Branch President's Report

George Hill ESM

To all surf lifesaving award recipients and nominees, congratulations for your commitment to going above and beyond and being recognised by your peers with in your respective areas of Surf Lifesaving, it was certainly pleasing to see the high number and caliber of nominations received.

We also acknowledge Surfers Paradise and Southport SLSCs for celebrating 100 years of vigilance and service this season and Life Member, Wayne "Rabbits" McLennan for receiving the honour of OAM bestowed on him by the Council of the Order of Australia.

I would also like to thank our South Branch Administration Officer Kym Trinca for her unwavering support and dedication to the success of South Coast Branch, Kym's work truly supports all of our officers and makes sure we are meeting many of our commitments as a Branch.

To the staff of Surf Life Saving Queensland that have assisted the South Coast Branch this year, thank you for all your support and guidance that you have provided to our Clubs, members and lifesaving programs over the year. May I pay special recognition to the Gold Coast team lead by Nathan Fife you guys have certainly stepped up to aid our Board and clubs to succeed, thank you.

Next season we will have many challenges on which to focus our efforts, including delivering our new strategic plan's second year, where many key goals are targeted and realised to ensure we continue to succeed and grow as an organisation in line with the wider SLSA

organisation's objectives. Naturally we do not want to lose sight of being the collective voice for our clubs back to SLSQ and SLSA hence we will continue to seek feedback and check on the vibrancy of our clubs to deliver their services to their members and the community they serve.

We will continue to build a more proactive relationship with our parent body, SLSQ, plus the Gold Coast and Redland City Councils all of who will hopefully continue to extend their resources to support the growth and development of South Coast Branch's objectives and services to deliver safer beaches, vibrant clubs and a sustainable membership.

Member welfare, effective governance practices, providing member development experiences and expectations must be a key focus of our organisation in the immediate future to enhance member wellbeing and retention.

No doubt it has been a challenging season, however we as volunteers have all overcome much diversity to continue to proudly serve our great organisation, our Branch, and our respective clubs. For this we sincerely appreciate and thank the membership and your supporting families of SLSQ South Coast Branch for all your efforts and commitment during season 2024/25.

In closing, I commend this annual report for your perusal and wish everyone all the very best for the coming new season.

Vigilance and Service Always,

George Hill ESM

South Coast Branch Club President Reports

Point Lookout SLSC—Matt Robinson (Emu)

Point Lookout SLSC has concluded yet another successful year patrolling the beaches of North Stradbroke Island with no lives lost between the red and yellow flags during the patrol season.

North Stradbroke Island (Minjerrabah) has continued to see tourism grow this summer, placing additional pressures on various amenities including accommodation, eateries, ferries, buses, and notably, our beaches. Point Lookout SLSC maintained a resilient presence, ensuring that not only the two beaches we patrolled (Main Beach and Cylinder Beach) had the red and yellow flags flying, but also through roving patrols of our many headlands and beaches, wave runner operations, and radio room patrols, we maintained vigilance over most of Straddie. Our response to numerous rescues throughout the season yielded positive outcomes, showcasing the exemplary standards upheld by our members.

Again this season, we have continued to see a steady increase in club membership, particularly among the youth, many of whom have actively joined the patrol roster, significantly enhancing our overall patrol strength. The quality of patrol operations remained consistently high, with our members collectively dedicating over 9067.5 hours to patrolling.

There have been several notable highlights that contributed to the vibrancy and success of Point Lookout Surf Life Saving Club over the past 12 months. None bigger than winning the Queensland “Marsh Club of the year” a huge honour to our small club and really highlights our clubs commitment to surf lifesaving in our community.

Our Nipper program continues to grow, welcoming dozens of new members who enthusiastically embraced surf lifesaving “Point style”

The Prawns at the Point Fundraising event this year was another hugely successful endeavour, with generous support from our community we

raised a record total in funds raised for our club. Our Sponsor's Luncheon was a testament to the valued partnerships that sustain our operations, recognising and celebrating the generous contributions of our sponsors. Additionally, our participation in beach and IRB competitions yielded commendable results, showcasing the dedication and skill of our members.

The maintenance of our club building and facilities continues to exert a significant financial strain. This season our building and finance committee's have done a fantastic job navigating these challenges I'm sure are shared by many clubs. Huge thank you to the generous support from our Old Boys, the Supporters Club, Redland City Council, SLSQ, and all our esteemed sponsors who steadfastly support us year after year help alleviate some of the financial burden.

As we conclude our 77th season patrolling the beaches of Point Lookout, I wish to express gratitude to all our fellow SLS Club members across the state who pull on the red and yellow uniform each weekend, ensuring the safety of our beaches for the bathing public. I also want to extend my deepest thanks to our dedicated members who have assumed various roles within our club. Their donation of precious time and dedication is instrumental in sustaining Point Lookout Surf Lifesaving Club.

South Coast Branch Club President Reports

Coochiemudlo Island SLSC— Des Kerr

As we wrap up another season, I am pleased to present this report and reflect on what has been a rewarding and successful period for Coochiemudlo Island SLSC.

Our patrolling members have dedicated over 700 hours in keeping our beachgoers safe, whether that be responding to incidents, assisting the public or providing a visible presence, your efforts make a real difference in upholding what we do as a Lifesaving organisation.

Thanks goes to South Coast Branch & Brisbane Lifesaving for assisting in having patrolling members come to our club throughout the season and to Colin Sloane as our Chief Training Officer for the many hours he dedicated in training new SRC's & Bronze members.

A highlight for us once again was our Nipper program and with our incredible volunteer support they had a fun but educational experience learning all the necessary skills. It was pleasing to see the enthusiasm, and growth in water confidence and teamwork week to week.

A special thank you goes to our age managers, water safety, parent helpers & BBQ team. Your collective commitment ensured that our junior members had a safe and positive experience and built the foundation to become future lifesavers and community members.

None of what we achieved this season would be possible without the unwavering support of our committee, our members, our volunteers, our sponsors, and community partners. I want to express my gratitude to every individual who has contributed their time, resources, and expertise to make this season a success.

On a personal note, I would like to share that I am stepping down from the role of Club President at this year's AGM. After many years in a committee role, the time feels right to allow new leadership to guide the club into its next chapter. While I will no longer serve as President, I will continue to remain actively involved with the club in a reduced capacity, my commitment to this club and its mission remains strong.

I want to sincerely thank each and every member for the trust and support you have shown me during my tenure in particular Colin & Kath Sloane, Russell & Dawn Rubie, Deb Price, my wife Katrina & my daughter Eliza for their amazing support of me in the role and the time I was able to invest.

It has been an absolute honour to serve, and I'm incredibly proud of what we have achieved together.

South Coast Branch Club President Reports

Southport SLSC—Greg Foster

What a milestone season the 2024/25 one has been for our club. With the lead up to our long anticipated centenary celebrations, the long hours and dedicated planning by our events committee certainly paid off with a fabulous Life Members luncheon on Friday the 18th of October and then our club dinner on the Saturday. There were some tears shed from mateship and memories of the past mixed with copious amounts of laughter by many, and a few sore heads the next day.

A special touch was to have HMAS Sydney come close by Main Beach as it was returning from deployment just as our function was about to start, thank you to one of our members for being involved in making this memorable moment occur. We were also very fortunate to receive a letter of congratulations from His Majesty the King, who shared his gratitude to our volunteers and warm wishes on this significant occasion. Once again, brought about by a club member connection. It was a joyous occasion for our club and on behalf of our Management Committee I thank all who shared it with us.

We had another strong Nippers season, and the weather gods were kind resulting in only a couple of cancelled mornings. Our Junior Activities Committee were able to navigate their way through obstacles as they periodically came up, which is a testament to their can-do approach for the benefit of our Nippers and their families.

Our youth development shone this season, with a rejuvenated enthusiasm by the collective. The team was justly rewarded at the SCB Youth Ball by being awarded the Most Improved Youth Club of the Year and the Youth Club of the Year. If the youth are our future, the future is looking bright for us. Our Surf Sports cohort continues to grow with many new faces regularly appearing eager to sample what we are doing right. The team wore the Fried Egg with pride amongst elite competition and

achieved suitable rewards for their efforts. The vibe at training sessions at times, was electric.

We were very fortunate to have a motivated education section that continued to meet all our requirements in this domain and as such we have a very healthy patrolling base, which means the Patrols between the red and yellow flags are capable of dealing with all likely occurrences and fulfilling our commitment to the community at the highest level.

And then cyclone Albert came along. As I write this report our beach is still closed, now nine weeks since the cyclone. We have a two-meter-high barrier fence directly outside our club that runs for one hundred metres, this is to prevent members of the public from falling over a three-metre wash out. The loss of large She-oaks and Pandanus on our dunes is devastating and will take many years to replace. The ongoing financial impact to our Supporters Club businesses due to loss of trade will too affect our coming years of operation.

We are committed, focused and look forward to the season ahead and thank Branch for their professional assistance as provided to our club throughout the season.

South Coast Branch Club President Reports

Surfers Paradise SLSC—Christopher Haile

Firstly, congratulations to all the SCB clubs for another year of ensuring the safety of our swimming public. And congratulations to the Branch for running another successful season, putting on some great events and with some great results in interbranch events.

Our club has just concluded its centenary season. It completes 100 years of ensuring that those who arrived at the beach returned home safely, including incredible volunteers. The centenary celebrations started in great style with our Life Members and Walsh Fellows lunch, with the largest attendance in memory, with well over 100 guests. It was great to see all our life members reconnect with each other and recount their glory days.

In December, we held out Centenary Paddle Out, celebrating with the community our 100th season of ensuring their safety. It culminated with a demonstration rescue by the Westpac Helicopter Rescue team, manned by our Life Member Scott Andrews, who “rescued” one of our up and coming lifesavers, Lochy Adamson. Finally, only a few weeks ago in early May, we celebrated our Centenary Gala event at the JW Marriott Grand Ballroom, attended by 320 guests, including honoured guests the Gold Coast Mayor Tom Tate, the State Member for Surfers Paradise, Minister for Education and the Arts - John -Paul Langbroek, the Federal Member for Moncrieff - Angie Bell, President of SLSA, John Baker AM ESM and President of SLSQ, Gerard O’Brien.

From an organisational standpoint, our Supporters Club have had another record-breaking year, allowing them to provide financial support to the club to levels not previously seen.

This will allow us to undertake much needed refurbishments and help elevate the club to the next level.

Our Nipper squad remains strong, with

great participation at Sunday sessions. We look forward to continuing to grow our Nippers next season.

In the surf sports arena, our athlete base continues to expand, with the club sending its largest contingent to the Aussies Titles in over 15 years, with this, came some great results in both beach and surf events. Notable highlights include Lilly Alford – World Champion in the U19 Female Flags and Fynn Askew joining our coveted ranks of 9 World Ironman Champions. At the Aussies, we had more success, with young Jett Milford Ferguson claiming his hattrick of gold, defending his U19 Male Beach Flags crown and Ali Day claimed his 6th Australian Ironman title. So overall, a great centenary season, celebrated by our athletes proudly donning our heritage cap colours of Royal Blue and Old Gold.

Our sponsors took things to new heights this year in their commitment to the club, supported by amazing organisations such as The Ray White Surfers Paradise Group, Gooding’s Transport, Paradise Centre and Surfers Stingrays. Without this level of ongoing support, we could not have achieved what we did.

Our committee this season has been outstanding, and I thank them for their continued commitment and service to the club.

Finally, patrolling Surfers Paradise Beach is never a dull undertaking, which is a primary reason we have many SCB members coming to our beach to experience a patrol. To all those who have made the journey, we thank you for taking the time to support our patrols. Your contribution is deeply appreciated.

South Coast Branch Club President Reports

BMD Northcliffe SLSC— Andrew Moore

The 2024/25 was another successful season for BMD Northcliffe across lifesaving, training, junior activities and surf sports.

The season was completed with the final beach patrols conducted over the long weekend in early May. We are proud to report our lifesaving services were provided with a high level of professional competence and diligence across the season. Our volunteer patrolling numbers have remained stable with some 14 active patrol teams operating over the year. Our Club actively encourages adult/parent members through our junior activities program to gain their awards (especially their bronze medallion) and join a patrol team.

Our Junior Activities program saw a positive increase in membership numbers as well as attendance at weekend activities. Our junior members have had a great year across both nipper days and carnivals.

BMD Northcliffe had another successful season in surf sports. Our club won the overall point score at the both the Interclub World Championships and the Australian Lifesaving Championships. Our elite group of athletes

also realized individual and team success across all major events including the Coolangatta Gold, the Shaw and Partners Iron Series, the World Ocean Series and Aussies. It is pleasing that our athletes are also a committed group of lifesavers who make a significant contribution to our patrolling numbers.

From an overall perspective, we have had a very positive year with good camaraderie and teamwork across all members and areas within our club.

South Coast Branch Club President Reports

Broadbeach SLSC— Mark Fife

It gives me great pride to present the President's Report for the 2024/2025 season. This year has once again demonstrated the strength, resilience, and dedication of our club members and the broader Broadbeach community. We've had a busy season, welcoming thousands of locals and visitors to our beach and most importantly, I'm proud to report that no lives were lost on our beach under our watch.

This season also marked some significant milestones off the sand. Our club formally adopted a revised Constitution and By-Laws, ensuring we are operating in line with modern governance practices and best-practice standards. This important reform reflects the club's ongoing commitment to transparency, accountability, and future-focused leadership. This massive job was led by Matthew Thompson, and I thank him for all his hard work in completing this job.

We also celebrated the completion and grand opening of 2Stix Broadbeach, a major new addition to our club's facilities. Officially opened on 16 May 2025, 2Stix has already become a vibrant hub for members and the community. I would like to extend special thanks to Nathan and Chantel Fife and Laura Erhard for their leadership, energy, and vision in bringing this project to life. Thank you also to the many club members who rolled up their sleeves and contributed their time, skills, and labour to turn a concept into a reality.

Looking ahead, work is well underway on the development of our new Strategic Plan 2025–2030. This plan will set the future direction of our club and ensure

we are well positioned to meet the challenges and opportunities of the years ahead.

Our Junior Activities program had another outstanding season, providing our youngest members with the skills, confidence, and friendships that form the heart of surf life saving. Thank you to our age managers, water safety volunteers, and families who support our nippers every week.

I would like to highlight one extraordinary rescue. On 22 March 2025, a major search and rescue event unfolded. The team used shallow water techniques and working seamlessly under pressure. Their calm professionalism and caring nature during a moment of crisis reflects the highest standard of lifesaving of Broadbeach members.

To our dedicated Old Boys, thank you for your tireless efforts at working bees and your support at carnivals. Your contribution not only maintains our facilities but also brings in much needed funds and fosters club spirit across generations.

I'd also like to acknowledge the Supporters Club Committee for their ongoing generosity through their annual donation to the surf club. Your contribution is essential to the club's financial sustainability and continued success.

A club's patrolling foundation is only as strong as its club captain, and Broadbeach has the best in Chris Fisher. The effort and dedication to the club and patrol members are second to none. Countless hours are spent behind the scenes and on the beach with our patrol teams, ensuring another successful season at Broadbeach.

South Coast Branch Club President Reports

Kurrawa SLSC—Ian McKinnon

The 2024/25 season has been a remarkable one for Kurrawa Surf Life Saving Club, as we proudly upheld the Surf Life Saving Queensland vision of zero preventable deaths in Queensland public waters. Our dedicated patrolling members have worked tirelessly to ensure a safe and welcoming beach experience for the growing Broadbeach population and the wider Gold Coast community. Over the course of the season, our volunteers contributed more than 9,000 patrol hours—an incredible testament to their unwavering commitment to public safety and service.

Our lifesaving capabilities continue to grow, thanks to the exceptional work of our trainers and assessors—Robert Pollock, Melinda Gerry, Gavin Mahon, Andrew Leiner, Harvie Allison and Melinda Jackson. This season, over 100 members successfully attained qualifications in essential areas including Bronze Medallion, Surf Rescue Certificate, First Aid, ART, SSV and Tractor operation, and IRB Crew and Driver certifications. These achievements have significantly strengthened our patrol teams, enabling Kurrawa to maintain a high standard of service to the Broadbeach community. I extend my deepest thanks to our Club staff and coaches for their outstanding efforts throughout the year. Their dedication to delivering high-quality programs has allowed our members to grow and succeed both on and off the beach. Special thanks also go to our Surf Sports Officials, IRB crews, and Water Safety teams. Your tireless work behind the scenes ensures our events and carnivals are not only possible but run smoothly and safely. To our athletes—thank you for representing Kurrawa with pride, passion, and professionalism. Your achievements and dedication have made the entire club proud.

A major highlight of this season was our involvement in the 2024 World Lifesaving Championships. This prestigious international event placed Kurrawa on the global stage,

welcoming over 5,000 competitors from around the world. In collaboration with Surf Life Saving Queensland and the Gold Coast City Council, Kurrawa proudly played a pivotal role in hosting and delivering this world-class competition. The success of such a large-scale event is a testament to the teamwork and commitment of our staff, volunteers, officials, and event workforce. Your professionalism was integral to the event's success, and I am incredibly grateful.

Congratulations to our Kurrawa athletes who competed fiercely throughout the two-week championships, bringing home well-deserved medals and elevating the club's reputation on the international stage. I also thank our Supporters Club for their vital role in ensuring the smooth running of the event—a true reflection of the Kurrawa spirit

Unfortunately, the season concluded on a challenging note with the cancellation of the 2025 Queensland Youth and Senior State Championships due to severe weather conditions caused by Cyclone Alfred. Despite this disappointment, Kurrawa rallied at the 2025 Australian Championships held at North Kirra. Represented by 106 members across Youth to Masters divisions, our athletes delivered exceptional performances. The Club placed 4th in the Masters and 19th in the Opens competition, bringing home a total of 13 gold medals—a truly outstanding result. I extend a sincere appreciation to our office staff and coaches for their invaluable contributions throughout the surf sports season. This season also saw a leadership change in our Junior Activities Program, with Gavin Cuthbertson stepping into the role of Chairman. Under his leadership, and with over 400 juniors, the program saw one of its most successful seasons to date, with record participation through the season. Despite the cancellation of the QLD Youth Championships, our juniors performed admirably throughout the season. I thank Gavin for his passion, leadership, and dedication to re-establishing Kurrawa as a premier club for hosting carnivals.

Lastly, I extend my heartfelt thanks to the Supporters Club Board of Management for their ongoing financial support, and to our Surf Club Board of Management for their invaluable guidance throughout the season. Your commitment plays a crucial role in the ongoing success of our Club. As I reflect on an inspiring and impactful 2024/25 season, I look forward to continuing our mission, strengthening our community, and striving for excellence in everything we do.

South Coast Branch Club President Reports

Mermaid Beach AEME SLSC—Paul Mann

It is with great pride that I present this year's President's Report for the Mermaid Beach AEME Surf Lifesaving Club. The 2024–2025 season has been another outstanding year of growth, commitment, and community engagement.

We are proud to report that our club now boasts a membership of 1,097, a testament to the inclusive and welcoming culture we continue to nurture. Across the year, our dedicated members contributed an impressive 9,256 volunteer hours, reflecting the spirit of service that defines surf lifesaving. Training and education remain a strong focus, with 261 new awards achieved by our members—ensuring we continue to build capability and uphold the highest standards of beach safety.

This year marked the second successful delivery of the Bush to Beach program, with approximately 25 children from Toomelah attending. The program continues to gain momentum and recognition, with exciting plans underway to expand its reach.

The return of the Mermaid Marvels initiative further strengthened our commitment to inclusion and support for women and girls in lifesaving. In November, we proudly hosted the Pan Pacific Ocean Swim, welcoming 171 entrants to our beach. This growing event highlights our reputation for running high-quality sporting events and fostering a love of the ocean. Our performance in Surf Sports has reached new heights, with some of our best results across Nippers, Opens, and Masters divisions. The dedication of our athletes and coaches continues to inspire, and we are incredibly proud of these achievements.

One of our standout accomplishments this year was being honoured with the Branch and State Award for Innovation for our Shallow Water Rescue & Nipper Safety Continuous Improvement Program. Congratulations to Muriel and Carly, who represented the club in Sydney at the National Awards, showcasing our leadership and innovation on a national stage.

This year also marked the fourth season of our Community Day at Nippers, an event that continues to grow in participation and impact—bringing together families, local residents, and surf lifesaving for a day of fun and awareness. In closing, I extend my heartfelt thanks to our members, supporters, and partners. Your passion and commitment ensure that Mermaid Beach AEME SLSC remains a vital and vibrant part of our community. Here's to another strong and safe season ahead.

South Coast Branch Club President Reports

Nobby's Beach SLSC—Matt Jedra

The 2024/25 season has been a successful and rewarding one for Nobbys Beach Surf Life Saving Club, reflecting the dedication, resilience, and teamwork of everyone involved. While we've celebrated many achievements across all areas of the club, including our 70 year anniversary celebrations, the season has not been without its challenges.

Our patrolling member numbers have remained steady and I want to thank our reliable and consistent volunteers who have kept our beach well-manned and safe throughout the whole season, I'm very proud of the way Nobby's members understands the importance of the 'red and yellow', having upheld the highest standards of vigilance and professionalism, performing numerous rescues and delivering first aid with confidence and skill.

Our Nippers program has continued to thrive, with growing participation and the launch of innovative fundraising initiatives that are helping to strengthen and

sustain our junior development pathways.

I would like to extend a heartfelt thank-you to our Junior Activities Chair, Kylie Shields, whose outstanding leadership in her first year has already delivered impactful results that will benefit the Nippers program for many years to come.

Looking ahead to next season, the Board remains focused on implementing positive changes aimed at increasing revenue and securing the long-term financial stability of our club. We are also committed to growing our membership base and enhancing the transition of our junior members into active patrolling roles, ensuring the ongoing strength and sustainability of our club.

I'd like to sincerely thank all our members, associate members, partners, sponsors, and branch for their continued support and trust in our little club. Their contributions and efforts play a vital role in the success of Nobby's.

South Coast Branch Club President Reports

Miami Beach SLSC— David Crockett

The 2024/2025 season has been another strong and meaningful year for the Miami Beach Surf Life Saving Club. As always, our primary achievement remains the commitment of our patrolling members in maintaining zero preventable deaths on our beach – a testament to their vigilance, skill, and dedication. 72,200 beachgoers visited our beach this season, we had 12 rescues, and 1531 preventative actions.

The season began on a high note as we proudly hosted the 2024 Australian IRB Racing Championships. This was a

major event for our Club, and its success is thanks to the extraordinary effort of so many of our members who contributed their time and expertise across months of preparation and several intense days of execution. Feedback from the broader surf lifesaving community was overwhelmingly positive and reflected well on our Club and its capability.

Membership numbers remained steady this year, with a total of 772 members, and we continued to see positive engagement in our Nippers program, Surf Sports, Education and Training and IRB competition teams. These areas have not only provided fun and growth for our members but also helped strengthen the core of our patrol teams with improved skills and pathways for development.

A significant transition occurred with our administration. With Melinda Bruggy stepping into a maternity transition earlier than expected, we were fortunate to welcome Julie-Anne Warn into the role on a temporary, part-time basis. Julie-Anne has been an outstanding addition—supporting everything from cyclone preparation and recovery, to the smooth operation of our club. Her calm,

capable presence has been a true asset to the Club during a time of change.

Tragically, this season also saw the loss of one of our young members. It was a moment of deep sadness, and I want to acknowledge the compassion and strength shown by our Club community as we rallied around the member's family. It was a reminder of the bonds we share that go well beyond just Surf Lifesaving.

We were proud to see several members achieve new awards this year, including several new SRC, Bronze, Silver, ART, First Aid, IRB and many other awards being achieved and to witness the successful qualification of new trainers who began their journey in the season prior. Their efforts are helping to build the foundations for the next generation of lifesavers at Miami Beach.

As always, I would like to thank all our volunteers, patrolling members, age managers, coaches, trainers, committee members and our broader Club community. Your continued efforts are what keep this Club strong, supportive, and successful.

South Coast Branch Club President Reports

North Burleigh SLSC—Simon Tragear

This season at North Burleigh has been one of pride, progress, and resilience. Across lifesaving operations, surf sports, youth development, and community engagement, our members—on patrol, behind the scenes, and in leadership—have embodied the spirit that defines this club.

For many, the season ran smoothly with patrols completed, competitions contested, and connections strengthened. For others, including the Board of Management, it was a time of change and reflection. Stepping into the presidency during this transition, my intent was to foster unity and momentum. While challenges arose, I believe opportunity is born from adversity—and we are emerging more focused and connected.

Community safety remains our core purpose. To all patrolling members: thank you. Every time you wear the red and yellow, you represent something greater. Your service is deeply valued by all who visit North Burleigh beach.

A key initiative this year was the independent Surf Sports review, which reflects our commitment to continuous improvement and aligns with the National Integrity Framework. With experienced coaches and talented athletes, our program is already strong—but this process is about taking it even further. We thank the Surf Sports Subcommittee for leading the implementation of the Action Plan.

Our rich sporting legacy, including IRB competition, is widely respected. But continued success will take more than talent—it requires a club culture grounded in respect, accountability, and pride. That's where our greatest work lies.

Membership saw a small net decrease, and several weather events—especially Cyclone Alfred—impacted operations and revenue. While we've managed prudently, renewed focus on fundraising and partnerships, including with Devine, will be crucial moving forward.

We also saw success at the Australian Championships and celebrated a decade of our Seahorse Nippers program—one of our most meaningful community connections. I've had the privilege of being involved for nearly nine of its ten years. Our Junior Activities program remains one of the strongest on the Gold Coast, feeding both our patrols and competitive ranks.

Looking ahead, our focus must remain on culture. Strengthening our systems, filling key roles, and most importantly—treating each other with empathy and respect—will set the tone for what we can achieve together.

Thank you for the chance to serve as President this season. With unity and purpose, there is no limit to what North Burleigh can achieve.

South Coast Branch Club President Reports

Burleigh Heads Mowbray Park SLSC—Michael Boyce

As we reflect on the 2024/25 surf lifesaving season I am incredibly proud of what our Club has achieved across all areas. This year has been one of strong patrol presence, exciting new partnerships and outstanding performances both on the beach and in competition.

Firstly, a huge thank you to all our patrol members. Their dedication shown throughout the season has been exceptional, with great attendance and a strong presence on our beach every weekend. The commitment ensures the safety of our community and upholds the values our Club has stood for over generations.

We were fortunate to welcome new sponsorships this season including a major partnership with Mondrian Gold Coast who generously supported the purchase of a new drone. This investment not only enhances our patrol capability but also marks a major milestone — making Burleigh the first Surf Life Saving Club in Queensland to implement drone technology on the beach during patrols. It's a fantastic step forward in surf lifesaving innovation and safety.

Our competition teams have also had a stellar year. From Nippers through to our Senior athletes, the Club saw great success at both the Branch Championships and the Australian Surf Life Saving Championships. Congratulations to all competitors, coaches, and

supporters — your hard work continues to make us proud.

While we were disappointed that the State Championships were cancelled due to Cyclone Alfred, the safety of our members and the broader community always comes first. We look forward to State returning next year.

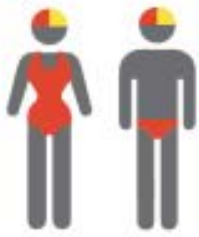

We'd also like to acknowledge Surf Life Saving Queensland (SLSQ) for their continued support. Thanks to their funding we were able to purchase a Toyota Hilux for our Club. This significantly improves our response capabilities and operational efficiency on and off the beach.

Our members, volunteers, sponsors, and the wider community — thank you for another fantastic season. The support keeps the spirit of Burleigh Heads SLSC alive and thriving. Here's to a safe, successful, and sunny 2025/26 season ahead!

Thanks to all the staff at Branch and to George for another year. Let's continue to improve and evolve and be a voice to be heard amongst our peers.

Member Development

Director of Membership Services — Kyle Bartlett

The 2024-25 Season, my first as Member Development Director, was a whirlwind of learning and fun!

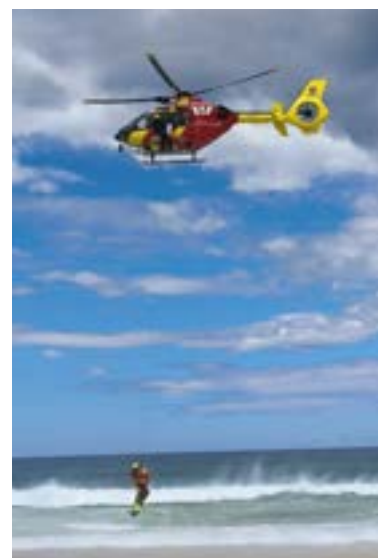

In February, I launched my first event “Level Up”, adapted from Sunshine Coasts’ Junior *PULSE* program. Working together with partners from the Sunny coast, and some fantastic guest speakers, coordinators, and office staff, we delivered a fun day jam packed with learning, skill development, and practical experience. The scenario-based training was certainly a highlight of the day, and something we will expand on in future iterations of the program. Another highlight was most definitely the inclusion of a showcase by our branch ops support, having the Lifesaver 45 helicopter and wave runner team in our own backyard proved too good an opportunity to pass up – we certainly drew a crowd! This event will return in future, with more tailored practical activity, particularly an expansion on the scenario-based component. A huge thank you to all those who helped on the day and behind the scenes,

the work that went into running and organizing this event was no easy feat, but it all paid off!

With a few events pushed to next season to workshop their delivery, we are looking forward to much bigger and better things on the South Coast Branch next season. First up will be our adaptation of the sunny coast *PULSE* program in August, the 3-day “big sibling” to the junior program aimed at member development for members 18+, please check your emails and club news blasts for the circular, we would love to see you there! In 2025-26, we will focus on building up existing programs, including the revival and revision of much-loved events from the past. The vision is to weave more connection and showcase the breadth of support and skill we have here on our amazing branch, watch this space!

Lifesaving Report

Director of Lifesaving—Jason Argent

As the 2024 season officially ends, I would like to take this opportunity to sincerely thank each one of you for your dedication, commitment, and support throughout what has been a unique and challenging season.

This year presented several challenges, from extreme weather events, including persistent rain and the significant impact of Tropical Cyclone Alfred, to the day-to-day demands of patrolling our beautiful coastline. Despite these challenges, our volunteers consistently demonstrated remarkable passion and resilience, dedicating their time and effort to ensure the safety of the bathing public on Queensland's beaches.

I am incredibly proud to report that, once again, our branch did not record any drownings between the red and yellow flags. This outstanding achievement is a direct result of the commitment and vigilance of our volunteers, who willingly give up their time to stand guard and protect all beachgoers.

A special thank you goes to the Branch Lifesaving Committee comprising of representatives from each of our clubs and specialist officers for their leadership, guidance, and support throughout the season. Together, we have raised the standard of operational services provided to the Redlands and Gold Coast communities through both proactive patrols and rapid, effective response to incidents.

Tropical Cyclone Alfred was a true test of our adaptability and resilience. It highlighted the incredible teamwork and flexibility of our clubs, who adjusted operations and maintained beach surveillance under difficult and rapidly changing conditions. While our beaches endured significant erosion and damage, our clubs remained strong, continuing to provide a safe environment and a reliable base for frontline operations. Thank you to everyone who made themselves available during this time, including those who stood by ready to assist further afield if required.

This season also saw the continuation of our patrol and first aid room inspections, which were conducted to an exceptionally high standard. We have seen clear improvement in the quality of our patrols and in the proactive presence maintained at the water's edge. I extend my thanks to our dedicated Patrol Development Officers for their efforts in carrying out these inspections and providing valuable feedback to our members on the beach during the inspections.

I would also like to acknowledge the countless members who generously gave their time this season to support patrols, mentor new members, and uphold our organisations mission. We have made meaningful progress in club operations,

member training and development and frontline services, it is our members collective effort and passion that allows us to continue to grow as a branch and maintain our strong foundations.

Thank you for the support you have shown me throughout the season, and for the exceptional effort you have demonstrated. South Coast Branch would not be where it is today without the tireless commitment of our members. The red and yellow flags that mark safe swimming areas are more than just a symbol, they represent a promise of safety, made possible only through your dedication.

This season has seen countless acts of courage, bravery, and first-class incident response. From rescues and resuscitations to critical incident management, our members have consistently risen to the occasion. You should all be proud of what we have achieved together.

On behalf of the Branch Life Saving Committee, thank you once again. It has been an outstanding season, and I look forward to seeing you all back on the beach for the 2025 /2026 season.

Stay safe and see you on the beach.

Patrol Development Team Report

Patrol Development Coordinator—Lisa Maddison

The 2024/2025 Surf Lifesaving season seems to have flown this year. I am not sure if it is life in general or that, as volunteers, we are constantly on the go and not noticing the passing of time. In terms of the Patrol Development perspective, whilst we have several willing volunteers, logistics make visits challenging. Time considerations and limited parking aspects require commitment from team members however on the positive side, the implementation of the new Patrol Development JotForm App has helped ensure feedback from visits are sent in real time.

The Patrol Development Team (PDT) 2024/2025 comprised of: James McCarthy, Brett Scott, Ashly Wilson, Evan Matthews, Jay Zender (Broadbeach), Becki Bonner (BHMP), Lisa Maddison (Miami, Surfers), Nicky Conyngham (Northcliffe), Mark Gwynne, Chris Haile (Surfers). Broadbeach SLSC stepped up this season and many of their volunteers embraced visiting other clubs to see what Lifesaving looks like from a different beach. From feedback received, they found it an enjoyable experience and they enjoyed seeing life from your beach. Our team experienced a great loss in early December when long term Patrol Development Team Member, Greg Moreton (Mermaid), passed away. Greg was a dedicated lifesaver. and he was thorough and committed to developing quality lifesaving standards. He was an extremely kind and knowledgeable man, and I feel his loss greatly. I enjoyed our conversations regarding maintaining safe lifesaving standards and miss our phone calls. PD Team members endeavoured to carry out their visits focusing upon the positive aspects of patrolling, doing their best to alleviate the stress of an 'inspection'. This year in their quest to seek the club that deserved the prestigious 'Club of The Year Award', the focus was on uniforms, active patrolling and procedural knowledge. The PDO team completed over 50 visits across the Branch. It is with pleasure that we can report that many clubs were able to achieve 100% scores. High standards of patrol viability in terms of correct uniform/ active patrolling, IRB availability, correct equipment and member knowledge was apparent to our Patrol Development Officers.

Joining the PDT in gathering information for end of year awards were the First Aid Room Inspectors who paid all South Coast Branch First Aid rooms a visit. The FA Room Inspector this season was our past Director of Lifesaving Don Stevenson (Point Lookout). In terms of First Aid Room audits the competition is heating up – this season an unheard

number of seven clubs are to be commended on the standard of their First Aid Rooms, achieving perfect scores of 100/100. After all reports are collated and finalised, winners will be determined and announced at this season's Annual Dinner and Awards night. I would like to take this opportunity to sincerely and gratefully thank all Patrol Development Team members and the First Aid Room Inspector for their commitment and time management skills used to fulfil their visits. Being acutely aware of how busy things are nowadays and, that they all carry out numerous roles in their home club, I hold them in the highest regard for their services and enthusiasm towards the Branch procedures.

Thanks to our South Coast Branch President, George Hill, for an outstanding season in office on the SCB Executive Committee and for steering the Board of Lifesaving to a successful season. Thanks also to Darren Woodward, Jason Argent and Paul Ryan (SLSQ) for their support. Congratulations to all Clubs and Lifesavers who competed in the 'South Coast Branch Surf Rescue Championships' which consisted of First Aid, Champion Lifesaver and Patrol Competition Events.

The best part of this particular volunteer position is that we get to get out there and be part of it all as we visit you on your home beaches. We see the pride that captains have in their team, we see the knowledge, skills and experience shining out of lifesavers. We are occasionally called in to lend a hand when a situation occurs whilst we are there. We get to laugh and joke with you, share anecdotes and clarify knowledge. We see beaches that are well patrolled and, patrols that work collaboratively and with diligence. We then get to share that knowledge with other patrols throughout the Branch. It seriously is a wonderful role, so if you are a PC, Trainer or Assessor who would like to gain further professional development – don't be backwards in contacting me for the upcoming season.

Huge thanks to the Patrol Captains and their teams who do a wonderful job taking on a role that sometimes requires skills that challenge comfort zones. When you have the opportunity to visit so many clubs and patrols, the awareness of how many dedicated and knowledgeable lifesavers are out there grows. To those of you who proudly wear the respected 'Red and Yellow Cap', thanks for another terrific season. We look forward to seeing you on the beach next season.

Youth Development

The South Coast Branch had an outstanding year in Youth Development, highlighted by the success of the Ground Zero program and a strong presence at the Gold Coast Youth Development Ball. Both South Coast and Point Danger branches were well represented, with an impressive turnout.

The Ground Zero Camp Day, held during the January school holidays at North Burleigh SLSC, attracted around 20 enthusiastic participants. The day featured inspiring guest speakers, interactive scenarios, and fun merchandise—making it an enjoyable and educational experience for all involved.

But the excitement didn't stop there! Nearly 200 young members gathered for the Gold

Coast Youth Development Ball at Southport Sharks Event Centre, including 120 from the South Coast Branch alone. The night was a celebration of achievement, with South Coast Branch proudly taking home 3 out of 4 major awards.

Southport SLSC had much to celebrate, winning both Youth Club of the Year and Most Improved Club of the Year for the 2024/25 season. Broadbeach SLSC also stood out, earning the Runner- Up Youth Club of the Year award.

Surf Sports Report

The 2024/25 season marked another outstanding period for surf sports across the South Coast Branch (SCB). Across ten carnivals—including one weather-affected cancellation—our athletes showcased strength, skill, and sportsmanship, supported by the unwavering professionalism of our volunteers and host clubs.

We kicked off the season in early October with the SCB Interbranch Team Trials at Mermaid Beach. Over 100 U13–U17 athletes vied for selection, with a competitive and spirited showing. In December, the team travelled to the Sunshine Coast for the Interbranch competition (see story page 39).

North Kirra for the water events. Sensible safety decisions by our officials, coaches and watersafety and Kurrawa's preparedness ensured the events remained safe, smooth, and highly successful.

Junior Competitions – U8 to U10

The Little Squirts Beach and Water Carnivals provided our youngest nippers with inclusive and engaging competition. Broadbeach SLSC stepped up at the last minute to host the beach event with cross-club volunteer support, while the water carnival at Miami offered a fun and safe environment. The season concluded with U8–U10 Beach Championships in December at Miami. Unfortunately, January's Water Championships carnival was cancelled due to surf conditions.

U11+ Competitions

Gold Coast City Titles Hosted by Kurrawa over two days in excellent conditions, our U11–U15 athletes delivered exceptional performances. Six of the top ten clubs were from South Coast Branch—a fantastic achievement. After two successful years hosted within SCB, the event now returns to Point Danger Branch. **Thank you, Kurrawa SLSC, for your outstanding support.**

Young Guns Carnival U11–U13 athletes competed in a specialised program at Kurrawa, featuring individual swim and board races and team relays—showcasing emerging talent and teamwork.

Branch Surf Rescue Championships Northcliffe hosted the competition spotlighting our lifesavers from U11 through to Masters.

SCB U11–U15 Branch Water & Beach Championships

Spanning two weekends in February, these championships demonstrated flexibility and professionalism, with rough surf prompting a move to

Thank you to the host clubs, officials, water safety, first aid and parents who made these events possible—we couldn't do it without you. Special thanks To Wayne 'Rabbit' McLennan for his tireless efforts in gear and equipment management and SLSQ's Stuart Hogben and Karen Degnian for their unwavering support.

State, National, and Private Carnivals

Apart from the Branch carnivals, SCB beaches hosted numerous prestigious events:

- QLD / Australian Pool Rescue Champs—GCAC
- Australian IRB Championships—Miami
- World Championships—Kurrawa
- State Endurance Championships—BHMP
- Kozii Iron Challenge Series—North Burleigh
- QLD Beach Series: Rounds 2 and 3—Kurrawa
- SLSA Shaw & Partners Iron Series -rounds3&4 and the next Gen—North Burleigh
- World Ocean Series—Shannon Eckstein—Northcliffe
- ASRLQ Boat Champs— BHMP

Volunteers and Officials

The success of our carnivals is attributed to our dedicated volunteers:

- **Officials:** 38 Senior, 168 Technical, and 63 Core Active Officials, with 42 newly qualified officials this season.
- **Volunteer Hours:** Over 2200 hours by officials, 800 hours by water safety, and 120 hours by First Aid.

Surf Sports Report

Athlete Highlights & Awards

2024 Interstate Pool Rescue—GCAC

The QLD Cyclones claimed victory with outstanding contributions from SCB athletes: U14: Jess Conrad (BHMP) & Cooper Hudson (NOR); U15: Ryne Spence (NBU); U17: Bianca Rayward (BHMP) & Kai Gilbert (NOR); U19: Cyra Bender (NOR) & Matthew Lowe (NOR); Open: Daniel Miller (NOR)

2024 World Championships—Kurrawa

- The Australian Lifesaving Team made history with back-to-back wins in both Open and Youth divisions.
- BMD Northcliffe were crowned Open Interclub World Champions, with their Youth team placing 3rd overall.

2024 Coolangatta Gold: Ali Day (Surfers Paradise) made history, claiming his 10th title.

2025 Interstate Ocean/Beach—Wanda

QLD Cyclones finished 2nd overall with SCB representatives: U17: Bianca Rayward (BHMP) & Kingston Lowe (NOR); Open: Jenaya Massie, Charlize Menefy & Sam Frost (BHMP), Asher Ward (NOR), Brodee Trinca (SPT), Lily Alford (SPA)

These athletes joined teammates: Fletcher Warn (BHMP) Jackson Collins & Olivia May (KUR), Jade Slee & Emersen Hardy (NOR) and Morgan Trinca (SPT) to represent QLD in the 15-team **National Super Surf Teams League**, where the QLD Seawolves triumphed over the QLD Makos.

2024/25 Shaw & Partner Iron Series: Lucy Derbyshire (Surfers Paradise) earned the female series crown.

2025 Aussies North Kirra

- 🏆 BMD Northcliffe secured their 22nd consecutive point score victory, BHMP claimed the handicapped point score
- 🏆 6-Person Mixed Taplin: 1st Northcliffe, 3rd BHMP, 4th Surfers Paradise, 5th Southport
- 🏆 Competitors of the Championships: Jasmine Rayward & Ethan Callaghan (BHMP)
- 🏆 Open Iron Titles: Ali Day (Surfers Paradise) & Georgia Fitzsimmons (Northcliffe)

2025 QLD Pathways Team

Congratulations to selected SCB athletes: Elke Rayward & Jess Conrad (BHMP), Summer Murray & Cooper Cotter (NBU), Evie Van Hooven (MEB)

2024 Interbranch Championships

Every four years our South Coast Interbranch team makes the journey north for the prestigious Interbranch Team Carnival which was held on November 30 at the Sunshine Coast. Comprising dedicated athletes from the U13 to U17 age groups, South Coast competitors called the Sport and Rec Camp at Currimundi their home.

Under the guidance of our experienced coaches Bonnie Palmer, Anne-Maree & Sam Mueller, and the leadership of team captains Imogen Dowker and Hayden Van Hooven, the team showcased outstanding performances across sand and water events. The Sunshine Coast Branch may have clinched the win (as they have every year since 2009, except for 2020, when South Coast

claimed victory) but our team gave it their all and proudly secured 2nd place.

We extend our deepest gratitude to all the SCB officials who continue to dedicate their time and expertise—a special thank you to Kylie Innes, Karyn Wood, Mel Jackson, and John Roehrig—your ongoing commitment to supporting our team is truly valued. We also recognize the incredible leadership of Team Manager Kevin Skelton, alongside our Age Managers and chaperones: Luke O'Connor, Renae Bentley, Damien Thomas, Adam Bear, Carolyn Hudson, Emily Doddy, and Jill Williams. And finally a huge thank you to our IRB crew, Rohan Dutton and Chris de la Port, as well as our parent water safety.

Finance

Director of Finance & Property—Darren Woodward

It is with privilege that I present the South Coast Branch Inc (SCB) Financial Report for the 2024 / 2025 Lifesaving Season.

From a financial standpoint, the SCB was able to fulfil its objectives of supporting the Clubs in our region especially in areas that were identified as being important to their strategic and operational objectives.

The accompanying audited financial reports outlines our finance related activities for the season with the underlying message being that your Branch has netted out close to an “as budgeted” position for the year and is well positioned to expand its support for our clubs across the spectrum of volunteer activities in the seasons to come. Together with our SLSQ Regional office, your Board has and will continue to work with all clubs to ensure priority areas identified on our SCB strategic plan will attract priority of further investment and support from both Branch and Surf Lifesaving Queensland (SLSQ).

The support from our principal strategic partner – the City of Gold Coast (COGC) has been invaluable as we now enter the 2nd of a 2 year funding agreement – with work well and truly in progress on an innovative future funding arrangement to be implemented in the 2026/27 season and as such I’d like to take this opportunity to thank the COGC for their ongoing support of our clubs in the region.

As previously reported, clubs and their members continue to be challenged by rising costs across all areas of operations. Rapidly escalating costs of insurance was one area that SCB clubs prioritised as requiring urgent action with respect to better transparency and more effective support from SLSQ to ensure the impact of these costs is kept to a minimum. With the ongoing support and encouragement of our clubs, we have continued our advocacy at the State level over the past 2 seasons to bring about essential adjustments to the process with the resultant outcome being SLSQ implementing an insurance advisory “round table” which has 2 of our club presidents - Michael Boyce (BHMP) and Andrew Moore (Northcliffe) - as representatives. This will help ensure future direction by SLSQ will more directly consider the needs and expectations of our front-line clubs as part of the decision-making process.

Through the dedicated efforts of our Administrator – Kym Trinca – the Branch continued its success where we could in attracting grant commitments that were again aimed at funding specific projects within the Branch.

We would like to specifically acknowledge the following for their contribution to the Branch and the Clubs within our region ongoing financial viability: -

The Queensland Government

City of Gold Coast

Redland City Council

Surf Lifesaving Queensland

The Surf Lifesaving Foundation – Grant Seeking Unit

Our investment in the Surf Lifesaving Foundation – Surf Rescue Fund - continued to perform effectively achieving a maximum balance of \$270,000 as of April 2025. During this year, Branch Council voted in favour of withdrawing \$65,000 from the fund in April of this year and move it to our Cash Reserve account so that it can be readily accessed for agreed priorities and projects of significance that will benefit Clubs and your members.

Looking ahead to the 2025/26 season and beyond, we will commence this period in a strong position with just over \$300,000 in cash reserves and a further \$217,000 in long term investments.

2025/26 saw the 3rd year of implementation of the Services Agreement with SLSQ. Thanks to the improved alignment and ongoing commitment of our Regional Manager – Nathan Fife – and his team, we were able to make some necessary adjustments to the agreement to ensure it better aligns with the needs of our Branch and Clubs. For the first time in several years, we have a full complement of SLSQ professional resources dedicated to our region covering each of the important portfolios of Lifesaving; Education; Membership and Sport – along with a dedicated and very experienced resource in the complex area of complaints management. All of this being essential in supporting a healthy and effective volunteer organisation.

In closing, I would like to thank my fellow members members of the Branch Board; Branch Councillors; SLSQ; Carol Shanks (our ever-diligent bookkeeper!); Wayne (Rabbits) McLennan for his astute management and care of branch gear and equipment; and finally, Kym Trinca – our Administrator for her dedicated and professional support and assistance throughout the past year.

Yours in Surf Life Saving

SURF LIFE SAVING QUEENSLAND, SOUTH COAST BRANCH INC. Committee's Report For the Year ended 30 April 2025

Your committee members submit the financial accounts of the Surf Life Saving Queensland, South Coast Branch Inc. for the financial year ended 30 April 2025.

Committee Members

George Hill ESM
Jason Argent
Dean Love

Darren Woodward
Richard Morgan
Kyle Bartlett

Principal Activities

The principal activities of the association during the financial year were:

"Promote, demonstrate and instruct the methods of Surf Life Saving and advance and control the work of Surf Life Saving".

Significant Changes

No significant change in the nature of these activities occurred during the year.

Operating Result

The profit after providing for income tax amounted to \$54,664.00, (2024: (\$25,185.00)).

The committee has determined that the association is not a reporting entity.

The committee has determined that this special purpose financial report should be prepared in accordance with the accounting policies in note 1 to the accounts.

In the opinion of the committee the accompanying accounts:

1. Present fairly the financial position of Surf Life Saving Queensland, South Coast Branch Inc. as at 30 April 2025 and the results and cash flows of the association during the year ended on that date in accordance with applicable Australian Standards and other mandatory professional reporting requirements; and
2. At the date of this statement, there are reasonable grounds to believe that the association will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

George Hill ESM
President

Darren Woodward
Acting Director of Finance and Property
Deputy President

2024/25 Financial Statements

SURF LIFE SAVING QUEENSLAND, SOUTH COAST BRANCH INC. **Independent Auditor's Report to the members**

We have audited the accompanying financial report, being a special purpose financial report, of SURF LIFE SAVING QUEENSLAND, SOUTH COAST BRANCH INC. (the association), which comprises the Statement by Members of the Committee, Income and Expenditure Statement, Balance Sheet, a summary of significant accounting policies and other explanatory notes for the financial year ended 30 April, 2025.

Committee's Responsibility for the Financial Report

The committee of SURF LIFE SAVING QUEENSLAND, SOUTH COAST BRANCH INC. is responsible for the preparation and fair presentation of the financial report, and have determined that the basis of preparation described in Note 1 is appropriate to meet the requirements of the Associations Incorporation Act of Queensland 1981 and is appropriate to meet the needs of the members. The committee's responsibilities also includes such internal control as the committee determine is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion of the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the association's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial report presents fairly, in all material respects, the financial position of SURF LIFE SAVING QUEENSLAND, SOUTH COAST BRANCH INC. as at 30 April, 2024 and of its financial performance for the year then ended in accordance with accounting policies described in Note 1 to the financial statements, and the Associations Incorporation Act of Queensland 1981.

2024/25 Financial Statements

SURF LIFE SAVING QUEENSLAND, SOUTH COAST BRANCH INC.
Independent Auditor's Report to the members

Basis of Accounting and Restriction on Distribution

Without modifying our opinion, we draw attention to Note 1 to the financial statements, which describes the basis of accounting. The financial report has been prepared to assist SURF LIFE SAVING QUEENSLAND, SOUTH COAST BRANCH INC. to meet the requirements of the Associations Incorporation Act of Queensland 1981. As a result, the financial report may not be suitable for another purpose.

2024/25 Financial Statements

SURF LIFE SAVING QUEENSLAND, SOUTH COAST BRANCH INC.

Notes to and forming part of the Financial Statements

For the year ended 30 April 2025

1. Statement of Accounting Policies

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the *Association Incorporations Act*. The committee has determined that the association is not a reporting entity.

This report has been prepared in accordance with the requirements of the *Associations Incorporation Act*, and the following Accounting Standards and other mandatory professional reporting requirements:

AASB 112:	Accounting for Income Tax
AASB 1031:	Materiality
AASB 110:	Events after Balance Sheet Date
AASB 117:	Leases

No other Australian Accounting Standards or authoritative pronouncements of the Australian Accounting Standards have been applied.

The financial report has been prepared accruals basis and is based on historic costs and do not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

(b) Property Plant and Equipment

Plant and equipment is stated at cost less accumulated depreciation. Buildings are valued at fair value less accumulated depreciation. Building Improvements are stated at cost less accumulated depreciation.

The Branch Headquarters are designated as a special purpose non-residential building and net replacement value is utilised as fair value. The building was independently valued on 30 April 2004. The building has since been revalued using ABS Index 6427 – Construction of Non-Residential Buildings Queensland. This revaluation was made effective from 1 May 2010. A review of this index in May 2012 revealed that the variation in this index was -0.4%. The Committee resolved that this movement was immaterial and not to revalue the building in 2013/14. No further revaluation has been made at 30 April 2025.

Depreciation has been applied over the useful life of the assets as follows:-

Buildings	2% straight line
Building Improvements	20% diminishing value
Lifesaving Equipment	25% diminishing value
Surf Sport Equipment	25% diminishing value
Other Equipment	25% diminishing value
Motor Vehicles	25% diminishing value

2024/25 Financial Statements

2. Joint Ventures

The South Coast Branch SLSQ Inc is a party to a joint venture. This joint venture is for Gold Coast Youth Development with the SLSQ Point Danger Branch Inc.

Youth Development

The purpose of this venture is to run programs for clubs in both Branches to assist them in developing and retaining younger members up to the age of 18. Administration of this venture is undertaken by SLSQ South Coast Branch.

A full set of statements has been prepared and are included in the report.

3. Grants and Subsidies Income

Details of grants received during 2024/25 are:

	This Year	Last Year
	\$	\$
DES Subsidy	33,283	25,193
GCCC Grants General	50,000	-
SLSQ Regional Subsidy	-	26,773
Other	9,951	12,500
	<u>93,234</u>	<u>64,466</u>

4. Financial Earnings

	This Year	Last Year
	\$	\$
Net Earnings from Investment	24,715	29,844
Bank Interest	1,865	2,083
Total	<u>26,580</u>	<u>31,927</u>

Investment earnings include capital gains/losses less fees. See Note 12 for additional information on investments.

5. Insurance

Insurance has been assessed on an accrual basis in 2024/25. The amount expensed represents insurance cover for the period 1 May 2024 to 30 April 2025. An amount of \$2,916 is included on the Balance Sheet as a prepaid expense and represents the balance of the premium for the period 1 May 2025 to 1 October 2025.

2024/25 Financial Statements

6.	Lifesaving Expenses		
		This Year	Last Year
		\$	\$
	Lifesaving Expenses – Uniforms	4,246	-
	Lifesaving Expenses – Other	97	11
	Total Lifesaving Expenses	4,343	11

7.	Sports Expenses		
		This Year	Last Year
		\$	\$
	Carnival Expenses	38,230	74,355
	Officials Expenses	34	2,754
	Interbranch Expense	32,260	14,957
	Equipment	-	21,694
	Training	-	1,181
	Total	70,524	114,941

8. **Cash**
Details of Cash Items held as at 30 April 2025 are:

	This Year	Last Year
	\$	\$
<i>Accounts held with Westpac</i>		
Interest Earning Account	93,060	35,317
Cash Reserve	212,025	145,162
Gift Fund Account	1,376	1,374
	306,461	181,853

The Westpac Cash Reserve account is used to enable the Branch to take advantage of higher interest rates and lower fees from this account structure.

9. **Receivables**
As at 30 April 2025 aged accounts receivable were as follows:-

Total Due	0-30 Days	31-60 days	61-90 days	90 Days
\$13,700	\$13,750	\$0.00	\$0.00	(\$50)

10. **Other Assets**
Other Assets comprise prepaid expenses and deposits. As at 30 April 2025 these comprised:-

	This Year	Last Year
	\$	\$
Prepaid Medals	2,910	2,910
Prepaid Insurance	2,916	2,669
	5,826	5,579

2024/25 Financial Statements

11. Investments

On the 16th May 2004 South Coast Branch invested an amount of \$100,000 in the Surf Rescue Trust Fund administered by the Surf Lifesaving Foundation. The foundation engaged Perpetual Trustee Co Ltd as fund managers. Funds can only be withdrawn from the investment fund upon resolution of the Branch Council. This is in accordance with the initial resolution by the Branch Council and subsequent instructions given to the Trustees.

As at 30 April 2025 the balance of our account was \$207,619. This represents a net decrease of \$40,285 after management fees of \$854 were deducted and a 10% return on our investment over the 12 months to 30 April 2025. This amount is included under the Financial Earnings in the Profit and Loss statement. Movements in the account for 2024/25 were:-

	This Year	Last Year
	\$	\$
Opening Fund Value	247,905	218,061
Capital withdrawals	(65,000)	
Earnings	11,822	11,528
Capital Value Movement	13,747	19,041
Less Fees and Charges	(854)	(726)
Closing fund Value	<u>207,620</u>	<u>247,904</u>

The investment is part of the Lifesavers medium Term Fund and represents 1.0271% of the total value of this fund. Portfolio asset allocation of this fund as at 30 April 2025 was:-

Asset Class	Market Value
Australian Cash	0.44%
Australian Fixed Interest	15.72%
Australian Property	7.02%
Australian Shares	31.65%
International Shares	45.17%
International Fixed Interest	0.00%
