SURF LIFE SAVING QUEENSLAND SOUTH COAST BRANCH

81st ANNUAL REPORT & FINANCIAL STATEMENTS

2025-2026

Notice of Annual General Meeting

Notice is hereby given of the 81st Annual General Meeting of the Surf Life Saving Queensland South Coast Branch that will be held at the South Coast Branch Building, 178 Hedges Avenue, Mermaid Beach, 1.00pm registration for a 2:00pm start on Saturday 25th July 2026.

The business to be conducted at this meeting will be as follows:

- 1 Opening – Attendance including Apologies and Alternates (Proxies)
- 2 Confirm and adopt the minutes of the 2025 Annual General Meeting
- 3 Affiliation of the Clubs to the Branch and the Branch to SLSQ and SLSA
- 4 Presentation and Adoption of the 2025-26 Annual Report and Financial Statements
- 5 Endorsement of Councillors
- 6 Election of Directors
- 7 Endorsement of the Board, Lifesaving Committee, Education Committee, Surf Sports Committee, Junior Activities Committee, Membership Committee, and other Committees
- 8 Appointment of Patrons for 2026-27
- 9 Appointment of Auditor
- 10 Appointment of Delegates to Auxiliary Organisations
- 11 Notices of Motion
- 12 Announcement of Life Membership Awards
- 13 General Business

Member Recognition

National Medal for Service to Surf Lifesaving

Established in 1975 as a military recognition award, the National Medal has since branched out into government and voluntary organisations and is now Australia's most awarded civil medal.

The National Medal is awarded to individuals on behalf of the Governor-General of Australia and recognises long and diligent service in organisations that are dedicated to protecting life and property at a degree of risk to their members. It is awarded to individuals who risk their lives or safety to protect or assist the community in enforcement of the law or in times of emergency or natural disaster. Surf Life Saving Australia volunteers with a minimum of 30 patrolling hours over a minimum period of 15 seasons, since September 18, 1986 are eligible for the National Medal.

2025/26 South Coast Branch Recipients

National Medal - 1st Clasp - 25 Years of service

Kurrawa: Amanda Hanmer

Nobby's: Darren Sessarago

Surfers Paradise: Scott Andrews

National Medal - 15 Years of service

Kurrawa: Mark Scott

Miami: Zachary Henwood

Nobby's: Ryan Black, Owen Smith

Northcliffe: Wayne Baker, Scott Davies, Natasha Rowe

Southport: Richard Morgan

Knight—Dr Shayne Baker OAM

Dr Shayne Baker OAM (Kurrawa/Miami) received the prestigious international award—Knight in the Order of Lifesaving—from the International Life Saving Federation (ILS) at the World Conference on Drowning Prevention 2025. This recognition honours his outstanding contribution to drowning prevention and lifesaving research worldwide, and his lifelong commitment to improving water safety in Australia and beyond.

Surf Life Saving Australia Hall of Fame – Ali Day

Surf Life Saving Australia proudly announced the induction of champion Ironman Alastair 'Ali' Day into the SLSA Hall of Fame. Day retires from the professional Ironman Series as one of the most decorated athletes in the sport's history, holding a record 11 Coolangatta Gold titles and becoming the first Ironman to win the Coolangatta Gold, Iron Series and Australian Championships in the same season. From his beginnings as a Kiama SLSC nipper to his dominance with Surfers Paradise SLSC, Day's 15 year career includes five Nutri-Grain Series titles, four Australian Ironman crowns, a World Ironman Championship, and multiple State honours.

Beyond his athletic achievements, Day is celebrated for his humility, sportsmanship, and commitment to mentoring young lifesavers and supporting surf education programs.

Member Recognition

SLSQ Life Member—Nick Marshall OAM

Cr Nick Marshall OAM was awarded Life Membership of Surf Life Saving Queensland in October 2025. As a proud member of Nobbys Beach SLSC, Nick has worn many hats: patrolling member, coach, team manager, and tireless advocate. His visionary leadership saw the creation of the Albatross Nippers program — a groundbreaking initiative that opened the beach to children of all abilities, setting a new standard for inclusion in Surf Life Saving. Beyond the red and yellow, Nick continues to serve as our Division 12 Councillor, bringing the same passion, integrity, and community-first mindset to local government.

Clive Hammond OAM Award 2025 — Garry Jackson

Garry's contribution to Kurrawa SLSC is exceptional, built on decades of humble, professional and deeply committed service. As Club Captain, he leads with calm authority and compassion, inspiring confidence across every patrol and committee. His roles span Patrol Captain, Board of Management, Lifesaving Committee, Duty Officer and IRB Captain—each carried out with genuine dedication to his community.

Last season, Garry contributed over 145 hours across patrols, Waverunner operations and Nipper water safety, adding to more than 1300 patrol hours over 29 seasons. He also dedicated more than 280 hours officiating at major carnivals including the Australian Open and IRB Championships, Lifesaving World Championships and Surf Boat Rowers League.

Beyond the beach, Garry is a thoughtful contributor to strategic planning, member engagement and club culture. His warm, approachable communication and trusted presence strengthen Kurrawa through mentorship, development pathways and proactive governance—including emergency readiness—quietly doing whatever is needed to support his club and its people.

Vale SCB Life Members Mick Buttrum & Ron Hendy

In July 2025 we saw the passing of two remarkable men — Michael (Mick) Buttrum and Ronald (Ron) Hendy.

Mick Buttrum's 55 years of service began with his Bronze in Ballina in 1966 and grew into a legacy that helped shape Broadbeach SLSC and the wider movement. He pioneered Nipper programs, led as President, fundraised tirelessly, officiated surf boats for over three decades, and mentored generations as an Assessor. A life member at Broadbeach, South Coast Branch, and SLSQ, Mick was known for his fairness, deep knowledge, and unwavering commitment.

Ron Hendy, a man of strength, humility, and quiet wisdom, dedicated over 40 years to Surfers Paradise SLSC and South Coast Branch. A life member, leader, mentor, examiner, and calming presence on every beach and in the clubhouse, Ron guided countless life-savers with his steady heart and simple, practical wisdom. A champion boxer, determined waterman, and beloved family man.

South Coast Branch President's Report

George Hill ESM

It is with honour I present to you the Surf Life Saving Queensland South Coast Branch's 81st annual report for season 2025/26.

Firstly, a huge thank you to all our members for your commitment and dedication and to all your families and friends for their support of Surf Life Saving with in South Coast Branch this season.

Our report will highlight the continued growth and success of the South Coast Branch and the unselfish and dedicated contribution to the Gold Coast City and Redland City communities, by our volunteer surf lifesavers, office bearers, assessors, trainers, surf sport officials, junior activities and the supporting volunteer members.

The year under review has highlighted again the continued success of our Club's lifesaving patrol services with the number of lives saved, preventative actions and first aid cases undertaken were exceptional.

Many of the rescues carried out saw our members putting their lives on the line at times to preserve another person's life.

The true value of our organisation to society in general should never be underestimated as we continue to protect, support and build stronger communities through our members involvement and commitment to make a difference and support public safety while serving their respective surf life saving club.

Even with a challenging economy and competing social priorities, our Branch continued to defy the odds to grow our membership numbers overall with our Junior Activities area of operation continuing to be our key area of growth and development.

Sadly the drowning rate continues to grow outside the flags on Gold Coast Beaches and we must continue to work closely with the relevant local authorities, community educators, media outlets and tourism operators to deliver the most effective messaging and provide systems and services that prevent people swimming in known high risk times and areas along our popular coast-line.

This is an area we must focus more of our attention and resources as the prevention of loss of life on any beach is the very reason we exist.

In acknowledgement, may I first recognise our twelve South Coast Branch Club Presidents for their support and commitment to their clubs, members and the Branch.

For those presidents that are standing down this season, thank you for your commitment and support and all the very best with your future endeavors.

To our newly elected Presidents, we welcome you and wish you well with your new role and look forward to working with you in the season ahead.

Thank you to the wonderful support of our local levels of Government, Gold Coast City and Redland City Councils, Queensland Government and Federal Governments for their financial assistance, general support and guidance with our club's services, lifesaving facilities, events and facility leases.

The Gold Coast City Council's support of our Branch and our Club's is very much needed funding to maintain our Gold Coast services and the further development of our lifesavers. Your support is very much appreciated.

To our dedicated SCB Board Members, thank you for your dedication and support in your respective portfolios. You have remained focused on supporting and developing our Clubs, their members and our events and workshops wherever possible, while also positioning South Coast Branch in a stronger position than ever to be able to provide the guidance and assistance, our members need to be able to go about their volunteer roles effectively and safely.

South Coast Branch President's Report

George Hill ESM

A special mention to Deputy President and Finance Director, Darren Woodward for not only carrying 2 portfolios for several seasons and for being a driving force with SCB strategic focus, Presidential support and our Board and staff's development.

We are proud of the fact we have worked hard with financial management and investment as a Board to ensure we continue to be sustainable and have not had to charge clubs for affiliation and award fees or increase carnival entry costs significantly to help operate the Branch.

I would like to acknowledge Surf Life Saving Queensland's support of our branch in the way of staffing support and financial assistance to assist us carry out many of the day-to-day tasks required of a branch to support our Club's.

Thank you in particular to the Gold Coast regional team lead by Nathan Fife who have been fantastic supporting our clubs and meeting with us to deliver seamless support to our members.

To all our office bearers, who volunteer to make our Branch operate effectively and to the members who have been award nominees and recipients this season, a huge congratulations for your commitment for going above and beyond within your respective areas of Surf Lifesaving, thank you for your efforts and dedication to your roles and areas of service.

I would also like to thank our South Coast Branch Administration Officer, Kym Trinca. Kym this year as well as the administration of our Surf Sport events, also took on the extra duties of Acting Secretary and Administrator of Coochiemudlo SLSC on behalf of the Branch of which both areas have been well managed. Kym is always a pleasure to work with and gets things done that we as volunteers do not have the time to do.

To the Staff and Board Members of Surf Life Saving Queensland that have supported the South Coast Branch, we thank you for this support and the guidance that you have provided to our clubs and members over the season.

We wish Damien Marangon all the very best in his new role as SLSQ CEO and look forward to working with him to further enhance Surf Life Saving's vision and brand within Queensland and South Coast Branch.

We extend a warm welcome to all SLSQ staff and Board Members to you anytime through out the year to attend our meetings and workshops so you can better understand the challenges we face and the strategic priorities we have in our region.

As we look forward to next season, we have many opportunities on which to focus our efforts with updating our Strategic Plan, review of our Constitution's By-Laws, growing our member development offerings, continued oversight and membership rebuild of Coochiemudlo SLSC, maintenance of our SCB building, to mention a few priorities.

We will continue to build a more proactive relationship with our Clubs, Pt Danger Branch, SLSQ and our Regional Team to better address and deliver the support our club's and member's need to fulfil their lifesaving experience and objectives.

Like every year in office, it has been a challenging and rewarding season however we as volunteers will continue to step up to overcome the challenges to continue to proudly serve our great organisation, in particular South Coast Branch and our respective Surf Life Saving Clubs.

We sincerely appreciate your dedication and efforts and thank the membership of SLSQ South Coast Branch for all your wonderful commitment during the 2025/26 season.

In closing, I commend this annual report for your review and enjoyment. We wish you all the very best for the season ahead.

Vigilance and Service Always,

George Hill ESM

South Coast Branch Club President Reports

Point Lookout SLSC—Matt Robinson (Emu)

Point Lookout SLSC completed another successful season patrolling North Stradbroke Island (Minjerribah), with no lives lost between the red and yellow flags. Tourism to the island continues to grow, placing added pressure on local infrastructure and on our patrolling members, particularly when limited transport options affected their ability to travel to and from patrols. Patrol Captains worked hard to ensure Club vehicles were available so members could fulfil their duties and return home safely—an issue that requires future support from Local and State Government.

Despite these challenges, the Club maintained a strong operational presence across Main Beach and Cylinder Beach, supported by roving patrols, wave runner operations and radio room monitoring which extended our reach across many of Straddie's beaches and headlands. Our members' professionalism resulted in numerous rescues and preventative actions, reflecting the high standard of lifesaving at Point Lookout.

Membership growth remained strong, especially among younger members progressing into active service. This season we completed 39 new Bronze Medallions, along with multiple IRB, First Aid and Resuscitation qualifications. Collectively, members contributed thousands of volunteer hours, continuing the proud tradition of surf lifesaving on Minjerribah.

Our Nipper program thrived once again, welcoming new families and developing vital surf awareness skills. Fundraising efforts were highlighted with the 25th

annual "Prawns at the Point" achieving a record result and continuing to play a crucial role in supporting club operations.

In surf sports, Point Lookout athletes excelled across beach, pool and IRB disciplines. The dedication and commitment shown by our athletes and officials continues to reflect positively on the club both within the branch and across the broader surf lifesaving community.

The ongoing maintenance and upkeep of our clubhouse and facilities continues to present significant financial challenges. A major milestone this year was securing a new long-term lease for our clubhouse site, providing certainty for the next 50 years thanks to the dedication of our Building and Finance Committees.

We extend our sincere thanks to the Point Lookout Old Boys, SeaLink, Redland City Council, SLSQ, JJ Richards, SEQLD Tilt Tray and all sponsors whose support eases the financial burden on our volunteer club.

As the patrol season concludes, I would like to acknowledge all Queensland surf lifesavers who volunteer their time each weekend, and especially the dedicated members of Point Lookout SLSC who contribute across patrols, administration, training, surf sports, fundraising and club operations. Your commitment and passion are what makes this club such a special place.

South Coast Branch Club President Reports

Coochiemudlo Island SLSC— Brad Minton

As we wrap up the 2025/26 season at Coochiemudlo Island, I am incredibly proud of what our small but determined club has achieved. This year brought unique challenges, including working with SLSQ to secure an exemption from standard patrol requirements. This allowed us to focus our patrols on Sundays alongside our Nipper program — an important step in teaching our young members the meaning of the red and yellow flags and the responsibility that comes with wearing the uniform. It also gave us the breathing room needed to rebuild and prepare for a return to full patrol operations next season.

Our Nipper program was a standout success. Under the leadership of JAC Kerry Bevan and our dedicated Age Managers, our young members developed vital water safety and beach skills, growing in confidence each week. We welcomed several new parents into support roles, with some completing their SRC to strengthen our water safety team. Thank you to our JAC, age managers, water safety crew, BBQ team, and our wonderful families for making this program thrive.

This season also saw major progress thanks to fundraising, community grants, and the support of Redland City Council, Cr Lance Hewitt, and Sports & Recreation Councillor Cr Jason Colley. Their support enabled key upgrades, including a new concrete ramp, improvements to the first aid and training rooms, a

new lean-to for storage and weather cover, and securing a new 10-year clubhouse lease. We were also proud to endorse two new Life Members: Jason Argent and Jarrod Salt.

I would like to acknowledge Col and Kath Sloane, who retire after an extraordinary 25 years of service. Col has contributed almost 2,000 patrol hours and shaped the club across decades through his roles as President, Deputy, and Chief Training Officer. Kath has been the steady force behind essential operations — from BBQ and uniform coordination to countless behind-the-scenes contributions that kept the club running.

We also extend our deepest gratitude to Des Kerr, who has dedicated 20 years to the club, including five years as President and three as Deputy. Des has now hung up his noddie after more than 1,100 patrol hours, leaving a remarkable legacy of service.

Finally, a special thank you to South Coast Branch's George Hill, Darren Wood, Jason Argent, Kym Trinca, and Bec Bonner — and to SLSQ's Nathan Fife, Alex Walker, and Max Jones — for their ongoing support throughout the season.

I look forward to what next season brings as we continue to grow, rebuild, and strengthen our club for the future.

South Coast Branch Club President Reports

Southport SLSC—Greg Foster

As had been well publicised through out the media the Northern Beaches were heavily impacted by Tropical Cyclone Alfred (Alfred) in March 2025. In the lead up to the start of the season there were concerns as to if we would even be able to operate a full season of patrols, let alone a Nipper program. Everything was on the table to find a way to overcome the obstacle of not having a safe and accessible beach.

Immediately post Alfred, our Supporter's Club had to be closed for two weeks undergoing water inundation repairs, the loss of trade due to this and the ramshackle state of the surrounds was a large financial hit as the start of the season approached.

As all clubs do, we picked everything up and dusted it off and got on with business. The effort by the members and our staff along with the whole Supporters club team was tremendous.

Fortunately, after many meetings and prolonged large-scale assistance from the City of Gold Coast and SLSQ our Main Beach slowly started to return and by September the beach was open all be it with limited access, and Patrols commenced. The Nipper season got underway and things started to feel normal.

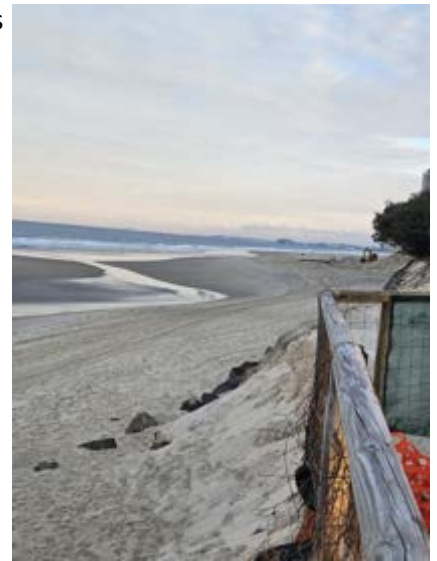

Today, 15 months later, the scars from Alfred remain visible, with over 10 meters of sand dune width lost, along with well-established standing of coastal Sheoak and Pandanus vegetation. Our coastal

Oceanway footpath is no longer, and hopefully soon to be replaced. Our patrol tower 40 is still in a temporary location but thank fully operational and beach access is still less than ideal.

Our 2025/26 season has been one to remember as we have continued to recover as a club in all facets of operations, despite this our members have still competed with vigor, patrolled with vigilance and found time to celebrate together in true "Fried Egg" spirit.

As a club, we look forward to a 2026/27 season with quiet optimism and an "ambitious for growth" mindset, however, now fully conscious of our fragility when it comes to our exposure to natural disasters along our Northern most coastal strip.

On behalf of our Management Committee, I thank the Branch board for their ongoing leadership and support to our club for the past season.

South Coast Branch Club President Reports

Surfers Paradise SLSC—Cassandra Sedgman

Surfers Paradise SLSC has had a great 2025/26 season and continued with “Zero Lives Lost” on Queensland’s busiest beach.

It has been one of our busiest seasons ever on our beach with significant increases in rescues and beach visitations. Our patrolling members continue to demonstrate that they provide a rescue service of the highest standard for the benefit of the local and international communities.

The increase in rescues is a result of the legacy left by Cyclone Alfred. It left our beach unstable, unpredictable and there were many days where the safest place at the start of patrol became the most dangerous several hours later. This resulted in flags having to be pulled down and moved 3-4 times each patrol to ensure the safety of all visiting Surfers Paradise Beach. The hard work of our patrolling members to make this happen needs to be commended.

Club Captain, Megan Crockford has done an amazing job managing Surfers Paradise Beach especially around Christmas period where we have always struggled with patrol attendance. This season Megan put processes in place which showed record numbers of patrol members committing to the Christmas period.

With the Gold Coast City Council closure of The Esplanade in front of Surfers Paradise SLSC it has brought many

benefits to the club with the most important being the safety of our nippers. Nippers no longer have to cross 2 pedestrian crossings to get to the beach. They can now walk straight on to the beach for the first time in the history of the club. The closure of The Esplanade has seen a significant increase of beach visitations something which is expected to continue in the years to come as the Surfers Paradise foreshore is developed.

Our nippers have seen an increase in membership which we hope will continue to grow on this coming season and work toward the development of our youth members and growing our patrolling base. Through the work of Leon Zagel and Bonnie Hancock we have seen a significant increase in our nippers attending training and also nippers wanting to participate in carnivals.

This season has seen the retirement of one of Surf Life Savings greatest ironmen, Ali Day. Ali’s career has seen him win 11 Coolangatta Golds, 6 Iron Series, 4 Australian Ironman Championships and a World Ironman Championship. Ali is truly a gentleman of the sport, the way he carries himself, the respect he shows for officials and his fellow competitors is something legends are made of. We may never see another Ali Day again and Surfers Paradise SLSC is proud to have had him wear the Gold Star and be part of SPLOVE.

Thank you to all that put their hands up to assist in a successful season for Surfers Paradise SLSC and also to all from South Coast Branch, Regional Office and SLSQ.

South Coast Branch Club President Reports

BMD Northcliffe SLSC— Andrew Moore

The 2025/26 season was another positive and successful season for BMD Northcliffe for our club across lifesaving, training, junior activities and surf sports.

The season was completed with the final beach patrols conducted over the long weekend in early May. Our patrolling season was particularly busy. Across 15 patrols, 252 volunteer members contributed more than 10,000 hours of service to almost 35,000 people who visited our beach. During the season, members carried out 882 preventative actions, provided 79 first aid treatments and completed 18 rescues. We are proud to report our lifesaving services were provided with a high level of professional competence and diligence across the season.

Our Junior Activities program has long been an important pathway into the Club, helping maintain a strong future pipeline of volunteer patrolling members. It consistently provides children and parents with a positive opportunity to begin their involvement in the surf lifesaving movement. Our Nipper program again recorded excellent overall membership numbers as well as high attendance at weekend activities. Our junior members have had a great year across both nipper days and carnivals.

BMD Northcliffe had another successful season in surf sports. Our club won the overall pointscore at the both

the Australian Championships and the Queensland State Championships. Our club also actively participated in other major sport events over the season including the Coolangatta Gold, the Shaw and Partners Iron Series, the Shaw and Partners World

Ocean Series, surf rescue, pool rescue, beach series and Aussies. The Club also hosted the Shannon Eckstein Iron Classic which is widely regarded as one of Australia's premier surf sports events and is a credit to the entire Club. It is pleasing that our athletes are also a committed group of lifesavers who make a significant contribution to our patrolling numbers.

From an overall perspective, we have had an excellent year with good camaraderie and teamwork across all members and areas within our club. Our Club is a place where friendships are formed, people find purpose, and teamwork continues to thrive.

South Coast Branch Club President Reports

Broadbeach SLSC— Mark Fife OAM

The 2025/26 season moved ahead brighter and busier as the months passed and left us all with the satisfaction that goes hand in hand with being a member of Broadbeach SLSC. The most important thing is saving lives on Broadbeach.

Our Kiosk 2Stix has been extremely successful with the local community and members supporting us each day for their regular coffees. The funds generated are going directly back into the Club and has supported many areas such as patrol and Junior Activities. We would not have been successful without the efforts of Nathan Fife, Chantel Fife and Laura Erhard. These members put in many hours and continue to do so to make the Kiosk a successful source of income for the Club. I would also like to acknowledge our local Councillor Darren Taylor who has supported us on this venture and helped to make this happen. Along with our major sponsor Alder Constructions.

To our competitors, especially the IRB Team. Congratulations on your wonderful achievements throughout the season, Ocean Roar, States and Australian Championships. Also, to our Nippers who competed at the State and Australian Titles.

Our Junior Activities area goes from strength to strength each season with the early morning board sessions and learning how to read the surf and negotiating the waves and currents. You have all demonstrated great skills. To the BBQ convenors, Age Managers, Age Manager Assistance, Water Safety, NSA's and Committee members thank you for your participation throughout the season.

The Old Boys Association this season have undertaken many working bees conducting repairs and maintenance around the surf club. Also raising funds to help purchase a new side by side vehicle for next season. A major activity for the Association was the Australian Titles Workforce. To you all thank you for your service throughout the season.

The Club also ran a successful Trivia and Bingo event that was supported by our members and the community. Its these types of nights that bring us all together for a bit of fun.

Another amazing achievement was that of Chris Fisher who was awarded the 2025 Queensland Lifesaver of the Year. Chris contributes to the Club in so many ways from patrols, Nippers, training and competition. He was also the driving force of introducing Search and Rescue (SAR) to all members as part of our Clubs annual skills maintenance. Chris has a vision of saving lives and will continue to pass on his skills and knowledge to all members.

In the off season, we hope to undertake the refurbishment of the female bathroom facilities. Also adding a parent/disability area for our members use. This also includes moving the first aid room and club office to a new area within the club.

South Coast Branch Club President Reports

Kurrawa SLSC— Andrew Leiner

First and foremost I'd like to thank all those active members of the Kurrawa Surf Lifesaving Club who have given up their time to make Kurrawa beach safe during the 2025/26 patrolling season by ensuring zero preventable deaths between our flags.

This season:

- the club had 1131 registered members of which 233 were Active.
- Active members completed 9669 patrolling hours to keep our beach safe during the busy season.
- Our total Active member retention rate was 75% while overall member retention was at 64%
- Junior Membership (U10 to U15) was stable at 413 for the season.
- Our Surf Sports ended the summer season finishing 10th out of 143 competing clubs at the Australian Open Championships.

On reflection this season has marked the beginning of many exciting new developments for the club.

Our Training section has been bolstered by additional trainers with the view of increasing delivery of Bronze courses.

The Board of Management has remained focused on delivering innovative and meaningful outcomes for members.

Key initiatives this season have included:

- continuation of the Youth Bursary Scheme for members aged 16 to 24.

- revised and expanded incentive plans for both Summer and Winter athletes.
- realignment of our Constitution with SLSQ and other Australian Surf Lifesaving Clubs.
- delivery of our rolling three-year Strategic Plan for 2026/29.

Throughout the season, the Board has remained committed to the philosophy of "One Club, One Kurrawa."

Encouragingly, I believe we are beginning to see a positive cultural shift across the club in this direction.

It is vital that we continue to develop clear pathways for our younger members so they can enjoy their time both in the water, on the beach and in the club. We have seen a 20% drop in numbers of members moving from the U12 age group and into U13 age group. We should encourage them to build lifelong skills in lifesaving and surf sports and support their progression into the senior ranks.

As a movement, we also need to recognise that many members may step away from lifesaving for periods of time to focus on careers and family commitments.

If we can foster a strong sense of belonging at Kurrawa, those members are far more likely to return with their families in the future, helping to secure and strengthen the long-term future of our club.

South Coast Branch Club President Reports

Mermaid Beach AEME SLSC—Steven Sing

Season 2025/26 marked a milestone year for Mermaid Beach AEME Surf Lifesaving Club, with the club celebrating 80 years of service to the beach and community since its founding in 1945. It was another successful season across lifesaving, surf sports and community engagement, built on the commitment of the club's volunteer members.

Lifesaving remained at the core of the club's work, with members contributing 7,672.5 patrol hours across 40,849 visitations to the patrolled area. Members performed 14 rescues and a further 205 preventative actions and attended 59 incidents and first aids throughout the season. A total of 202 awards were gained over the year, reflecting the club's continued focus on training, education and building capability above minimum award levels.

Membership remained strong, reaching 1,121 members, including 376 junior members and 290 active members.

Surf Sports results continued to improve. The club entered strong contingents at the Australian Championships, with 32 Youth, 20 Masters and 42 Open Carnival competitors. The Opens recorded some of the club's best results to date, finishing 12th overall with 69 points, while the Masters finished 11th with 102 points. A key focus for the club is converting this surf sports momentum into the lifeblood of the club, keeping youth engaged through surf sports and other activities so that

they progress through to become strong, competent and active patrolling lifesavers.

Community programs again were a highlight for the season. The Bush to Beach program enjoyed its third successful delivery, continuing to bring children from remote communities to the beach, for many their first experience of the ocean, and will return for a fourth-year next season. The Mermaid Marvels initiative celebrated its fourth year, sustaining the club's commitment to inclusion and to supporting women and girls in lifesaving.

Few moments in the season captured the club's spirit better than the day generosity and togetherness took centre stage at the Community Lapathon. The club put the event on to get behind Jack Muller, a member of the Mermaid Beach family, and the response was overwhelming, with Nippers, parents, competitors and helpers showing up in force, joined by neighbouring clubs and locals from right across the area. That kind of turnout speaks volumes about the community the junior program has fostered, and it left the day standing as one of the year's most rewarding.

The club gratefully acknowledges the ongoing support of its Supporters Club, sponsors and Doors. These long-term partnerships provide the stability to plan for the future and the confidence to implement the plans that will see the club achieve its strategic goals and objectives.

In closing, the 2025/26 season was a year of growth, improving results and community spirit for Mermaid Beach AEME Surf Lifesaving Club. As the club marks 80 years of service, it remains steadfast in its commitment to safeguarding lives, fostering sporting excellence and serving the community, and looks forward to continued progress in the seasons to come.

South Coast Branch Club President Reports

Nobby's Beach SLSC—Matt Jedra

I am pleased to congratulate all clubs within the South Coast Branch on another successful season. Your commitment to keeping our coastline safe and serving our local communities continues to set an exceptional standard.

This has been a significant year for our club. Our partnership with the Bears Group to manage our commercial operations has allowed us to refocus our energy on what matters most—our surf lifesaving services and our members. This collaboration has also secured a much-needed renovation for our facilities, which we anticipate completing by the end of 2027.

Importantly, the partnership has strengthened our financial position, enabling us to reinvest directly into our members through improved benefits, enhanced support, and long-term stability for the club. It marks a major step forward in ensuring Nobby's Beach SLSC remains strong, sustainable, and community-focused for many years to come.

Even with these accomplishments, we continue to face challenges around membership numbers and retention. This remains one of our most important priorities. Over the next 24 months, we will be placing a strong focus on growing our membership base, strengthening engagement, and ensuring our members feel supported, valued, and connected to the club. Building a stable and active membership is essential to our long-term success, and it will be a key strategic goal moving forward.

I would also like to acknowledge and thank the Branch for their dedication throughout the past season. Their transparency, support, and effective communication between our clubs and SLSQ have been invaluable.

Finally, I extend my sincere appreciation to the Board of Nobby's Beach SLSC for their hard work and leadership over the past 12 months. The achievements of this past year are a testament to your collective effort, and I congratulate you all on what we have accomplished together.

South Coast Branch Club President Reports

Miami Beach SLSC— David Crockett

The 2025/26 season was another strong one for Miami Beach Surf Life Saving Club, with our purpose unchanged: helping ensure there are no preventable deaths in the waters of Miami Beach. That commitment to surf lifesaving continues to define the Club and was reflected in the service and professionalism of our volunteer members. During the season we welcomed 64,421 beach attendees, carried out 972 preventative actions, treated 83 minor and 16 major first aid cases, and responded to 2 rescues, continuing to provide a safe beach environment through consistent, high-quality patrols.

A defining strength of Miami Beach remains the willingness of members to step forward wherever needed. Through patrolling, training, officiating, coaching, fundraising, administration and junior activities, the Club continues to be built on a strong culture of volunteerism, community and service.

That culture was clearly evident in patrol operations, where members contributed more than 9,190 patrol hours and filled every rostered patrol across the season. The overwhelming majority met all patrol obligations, and our top ten female and top ten male patrol members together contributed well over 1,400 volunteer patrol hours.

Membership remained strong at 683, including 186 award holders and 150 proficient members. Education

and Training also remained a major strength, supported by 15 trainers, 13 assessors, 10 Surf Sports officials and 10 Surf Sports development coaches. Members achieved awards across patrol operations, IRB operations, first aid, junior activities, leadership and surf sports, with encouraging growth in Bronze Medallion, IRB Crew, Surf Rescue Certificate, Resuscitation and First Aid, further strengthening patrol capability and the Club's future leadership pipeline.

Our Nippers program again delivered a successful season, supported by an outstanding team of volunteers across age management and operational roles. Strong engagement also continued through the youth program, and it was pleasing to see more members progress from Junior Activities into active patrol service and broader Club involvement, helping build the next generation of lifesavers at Miami Beach.

The Club was also proud to host the final round of the 2026 Shaw and Partners Iron Series, a national event that required a tremendous volunteer effort and demonstrated Miami Beach's capacity to support Surf Life Saving Australia and the broader surf sports community. In competition, our IRB teams finished first overall in the 2025 Sharkskin OceanRoar IRB Premiership Series and claimed Under 23, Open and Masters division titles, an outstanding result reflecting the dedication of competitors, coaches, officials and support crews.

I thank our committee members, patrol captains, trainers, assessors, age managers, coaches, officials, administrators and volunteers for the countless hours they contribute behind the scenes. Surf lifesaving clubs only succeed because people are willing to give their time in service of others, and Miami Beach is fortunate to have so many members committed to that cause.

South Coast Branch Club President Reports

North Burleigh SLSC—Dane Murray

The 2025/26 season was one of significant growth and achievement for North Burleigh Surf Life Saving Club. A newly established Board navigated new processes and strengthened governance, ensuring we continued to deliver for our members and community.

A major operational change was the restructure of patrol team arrangements to maintain full weekend patrols. This placed increased demands on volunteers, yet our members responded with exceptional commitment. One member completed an extraordinary 356 patrol hours, with six others exceeding 100 hours — an outstanding demonstration of dedication that kept our beaches safe and our Club operating at a high standard. Patrol incentives introduced over the Christmas/New Year period further supported strong attendance during peak times.

Surf sports delivered outstanding results across all age groups. Our nippers were crowned State Champions, youth athletes excelled at Youth Aussies, and senior competitors achieved national success, including first-time national medals for several athletes. These results reflect the strength of our coaching team, volunteers, and Club culture.

Our Seahorse Nipper Adaptive Program proudly completed its 11th season, continuing to provide inclusive opportunities for children of all abilities. This program remains a cornerstone of our identity and a testament to the welcoming culture of North Burleigh.

The Club also benefited greatly from the support of Frank Developments, whose partnership enabled substantial upgrades to patrol equipment and operational resources. Their contribution has already made a meaningful impact, and we look forward to a long and successful relationship.

With renovations now complete within our Supporters Club, members and the community can enjoy a modern, functional, and welcoming venue that strengthens our connection with the local area.

I extend sincere thanks to our Board members and their families for their significant commitment throughout the season. The achievements of the year were only possible through the collective efforts of our volunteers, coaches, officials, sponsors, and supporters. The season highlighted the resilience and unity that define North Burleigh, and we look forward to building on these successes into the future.

South Coast Branch Club President Reports

Burleigh Heads Mowbray Park SLSC—Michael Boyce

Another year has ticked over with the 2025/26 surf lifesaving season now behind us. Our Club had some major achievements during this season and some outstanding performances both on the beach and in competition. The requirements and tasks to run a Club are forever increasing and the demands upon the Volunteers continues to grow. At Burleigh we know how to deal with most matters as our Committee personnel are always actively involved to solve all the issues and challenges. I am extremely grateful to them.

Firstly, I must thank our patrolling members who once again protected the community from everything that they came across. It was a great effort for all that attended their patrols and Burleigh Beach was always appropriately manned and equipped. This is very important to me as the President. The safety of all beach goers is of paramount importance and this is something we continue to do well at Burleigh.

In the competition area our Nippers, Seniors and Boaties excelled in their commitment to training and competition. This started with our professional and

dedicated Coaches and all the competitors of Burleigh had a fantastic season and the results achieved were sensational.

On the building side we are nearing completion of our Stage 6 fourth level Club room which has exceeded its expectations with an area in excess of 250 m² and a balcony of 130 m². This massive area will be used for Club functions, training and education.

At this time I would like to acknowledge and thank Surf Lifesaving Australia and Queensland for their continued support. Thanks to the funding that we received throughout the season which always goes towards purchasing much needed life saving equipment.

To our members, volunteers, sponsors and the wider community we thank you for another fantastic season . We trust that the season ahead will be a safe and successful one.

Thank you to all the staff at Branch particularly Nathan, Stu and Kym for your continued support and assistance.

Member Development

Director of Membership Services —Josie Christensen

The 2025/26 season has been one of continued growth, development and opportunity for South Coast Branch members. Across our 12 affiliated clubs, volunteers have continued to demonstrate an unwavering commitment to Surf Life Saving through patrol operations, youth development, leadership programs, emergency response capability and community engagement activities.

South Coast Branch concluded the season with a total membership of 10,253 members, including 2,479 active members and 3,463 junior members. While overall membership experienced a modest decline compared with the previous season, the Branch remains one of the largest and most active regions within Surf Life Saving Queensland. Several clubs recorded growth across total, active and junior membership categories, reflecting the ongoing success of local recruitment and engagement initiatives and the dedication of club volunteers in fostering strong and welcoming member experiences.

A key focus throughout the season has been supporting opportunities for member development and leadership growth. South Coast members were strongly represented across SLSQ and SLSA development programs, with five members participating in the Lifesaving Development Program (LDP), ten members participating in the Youth Excellence Program (YEP), and two members participating in the Leadership Excellence Program (LEP). South Coast members also achieved representation at a national level, with one member

attending the National Leadership Conference and another participating in the SLSA Masterclass program.

Equally significant was the contribution of South Coast members to the delivery of these programs. Nine members served on the LDP Coordination Team, five members served on the YEP Coordination Team and two members served on the LEP Coordination Team. These appointments demonstrate the depth of leadership capability within the Branch and the recognition of our members as respected leaders, mentors and contributors within the wider organisation.

The season also saw South Coast members continue to expand their capabilities beyond traditional surf lifesaving activities. Four members successfully completed Emergency Flood Response training in Tasmania, strengthening the Branch's capacity to support emergency management and disaster response operations. This specialised training highlights the evolving role of Surf Life Saving and the willingness of our members to contribute their skills wherever they may be needed.

South Coast Branch was also well represented at the SLSQ Conference and Awards of Excellence. The Branch's emerging leaders were particularly engaged in the Youth Workshop held in conjunction with Conference, with a passionate group of young members participating in discussions focused on leadership, personal development and the future of our movement.

Member Development

Director of Membership Services —Josie Christensen

Another highlight of the season was the annual Gold Coast Youth Ball. The event was extremely well attended and showcased the strong collaboration between South Coast Branch and Point Danger Branch. The Youth Ball continues to provide an important opportunity for young members to connect, celebrate achievements and strengthen relationships across the Gold Coast region.

Membership services extends beyond recruitment and retention. It is about creating opportunities for members to develop, connect and contribute throughout their Surf Life Saving journey. The participation of South Coast members across leadership, development and specialist training pathways throughout the season demonstrates a healthy and engaged membership base with a strong focus on personal growth and organisational sustainability.

Looking ahead to the 2026/27 season, there are many exciting opportunities on the horizon. As announced at the Youth Ball, South Coast and Point Danger Branches will work together on a number of Gold Coast regional initiatives designed to strengthen member development pathways. These initiatives will focus on supporting members transitioning from Nippers to Surf Rescue Certificate (SRC) and from SRC to Bronze Medallion, helping to improve retention, engagement and the long-term sustainability of our volunteer membership base.

The continued success of our clubs relies on our ability to attract, develop and retain members at every stage of their Surf Life Saving journey. The enthusiasm shown by our young members throughout the season provides great confidence in the future of South Coast Branch and the next generation of leaders who will continue to drive our organisation forward.

I would like to thank our club leadership teams, membership officers, administrators and volunteers for their ongoing efforts in supporting our members throughout the season. Their commitment continues to strengthen our clubs, our Branch and the broader Surf Life Saving movement.

As I reflect on the season, I am incredibly proud of what has been achieved across South Coast Branch. I look forward to building on these successes and working alongside our clubs to continue creating opportunities for our members, strengthening development pathways and supporting the growth of our Branch in 2026/27 and beyond. I am excited to see what more our outstanding Branch can achieve in the seasons ahead.

Lifesaving Report

Director of Lifesaving—Jason Argent

The 2025 / 26 patrol season has been another significant year for the Surf Life Saving Queensland South Coast Branch, with clubs from Point Lookout to Burleigh Heads continuing to provide a vital frontline lifesaving service across some of the busiest beaches in the state.

Throughout the season, volunteer lifesavers have demonstrated exceptional dedication in protecting beachgoers between the red and yellow flags. Faced with periods of heavy surf, powerful conditions, intense summer heat, and consistently high visitor numbers, lifesavers have responded professionally to a wide range of incidents while maintaining a strong preventative presence on the coastline.

Across the branch, thousands of volunteer patrol hours were undertaken by members who gave their time to ensure Gold Coast and Redlands beaches remained safe and welcoming for locals and visitors alike. Preventative actions totalling 28659 continued to form the foundation of patrol operations, with lifesavers proactively identifying hazards, relocating swimmers away from dangerous conditions, and educating the public on beach safety before incidents could escalate. This proactive approach remains one of the most effective tools in preventing coastal drownings. Additionally, 477 rescues were completed across the region coupled with over 1.3 million beach visitations during the patrolling season.

The season also highlighted the importance of strong operational capability across the branch. Clubs maintained a high standard of patrol readiness through regular training, proficiency assessments, emergency response exercises, and coordinated support between clubs and emergency services. Rescue watercraft operations, Duty Officers, Westpac Lifesaver Rescue Helicopter Service, and communications teams, all played critical roles in supporting safe beach environments throughout the patrol season.

Several significant weather events and peak holiday periods tested operational resources across the branch. Despite these challenges, patrol members consistently adapted to changing conditions and increased demand, reinforcing the professionalism and resilience that underpin surf lifesaving operations on the South Coast.

Importantly, the season served as a reminder that the red and yellow flags remain the safest place to swim. Lifesavers across the branch have continued to advocate strongly for public beach safety awareness, encouraging all beach users to swim at patrolled locations and follow the direction of patrol members. Demonstrated evidence of this has been through our dedicated Patrol Development officers who spend countless hours inspecting and assisting club services across the Gold Coast maintain best practice. Data gathered during inspections indicate a strong presence on the water's edge and high patrolling standards.

As another season concludes, the South Coast Branch can reflect with pride on the collective efforts of its volunteers and support personnel. Their commitment, vigilance, and service to the community continue to save lives and uphold the long-standing tradition of surf lifesaving across Queensland's coastline. Thank you for your commitment and dedication.

Education Report

Director of Education—Becki Bonner

The 2025/26 patrol season has been another significant year for education within Surf Life Saving Queensland South Coast Branch.

The changes to annual Skills Maintenance and the introduction of the Lifesaver CPR requirement presented significant challenges for our Branch CTOs. Despite receiving very little notice, they rose to the challenge and did an outstanding job ensuring all active members completed their Skills Maintenance. This helped keep our patrols on the beaches while also supporting members in gaining new skills and qualifications. Throughout the season, our CTOs worked collaboratively, consulting with one another and sharing what was working—and what wasn't—within their individual clubs to support each other. I would like to sincerely thank them for their hard work, dedication, and commitment to their clubs and members in keeping qualifications current and ensuring everyone remained patrol-ready.

We have also been very fortunate to have had Josh Clemson and John Hamrey from SLSQ Education supporting our branch through their guidance and assistance with courses delivered throughout the season. Since July 2025 alone, Josh delivered more than 101 ART courses and 260 First Aid qualifications, helping countless members update their awards. As a branch, we also delivered multiple Silver Medallion Patrol Captain courses to support our clubs. We look forward to what the new season will bring with Jake Morris, who has hit the ground running after stepping into Josh's role.

The 2026/27 season promises to be just as successful, with the opportunity to achieve even more across our branch.

We remain committed to delivering First Aid and ART courses throughout the branch, supported by new training equipment generously provided through the Gold Coast City Council. This equipment will help members whose previous ART (Aid) qualifications are no longer valid, as well as those needing to renew their First Aid awards.

I would also like to take this opportunity to thank Lisa Maddison for her incredible hard work and dedication to Surfers Paradise and Miami as CTO over many seasons. As Lisa steps away from the role to focus on other passions and responsibilities, we thank her for everything she has contributed. Lisa has not only been an exceptional CTO, but also a trainer, assessor, and volunteer across numerous SLSQ roles—all while maintaining a full-time career in education. She has excelled in every role she has taken on. Thankfully, Lisa will continue to play an active role in education, and we are grateful that we will continue to benefit from her knowledge and experience.

I would also like to acknowledge Shane Roberts from Southport, who stepped into the CTO role and embraced the challenge while balancing a full-time career in education. We are incredibly grateful for all your hard work and dedication and hope to continue seeing you involved in the training and assessing space.

Finally, to Gary (Point Lookout), Colin (Coochiemudlo), Shane (Southport), Lisa (Surfers Paradise and Miami), Ash (Broadbeach), Rob (Kurrawa), Caroline and Callum (Northcliffe), Shaun (Nobby's), Ian (Mermaid), the North Burleigh team, and Mick (Burleigh)—thank you. You are an outstanding team of CTOs, and both SLSQ Education and the South Coast Branch are incredibly fortunate to have you leading education and supporting your clubs.

Most members have no idea of the time, effort, and dedication you invest behind the scenes to ensure they can patrol, train, and compete safely. You do it with professionalism, compassion, and a genuine commitment to supporting every member. Alongside your trainers and assessors, you have delivered an exceptional range of courses throughout the season, including Observers, SRC, Bronze, First Aid, ART, Radio, IRB, and many more.

As both a member and Education Director, I can honestly say we could not achieve what we do without each and every one of you. Thank you for everything you do.

Patrol Development Team Report

Patrol Development Coordinator—Lisa Maddison

The 2025/2026 Surf Lifesaving season has once again been a highly active and productive period for the Patrol Development Team (PDT), with a strong emphasis placed on active patrolling, frontline visibility, the sharing of operational knowledge, and continued improvement in educational outcomes across all clubs. Throughout the season, there has been a clear Branch-wide focus on ensuring members are not only patrol ready, but visibly present and actively engaged at the waterline where they are most effective in preventing incidents before they occur.

One of the most positive developments this season has been the increased visibility of lifesavers at the waterline. This heightened presence has directly contributed to a rise in preventative actions, reinforcing the importance of proactive patrolling in maintaining safe beaches and improving public safety outcomes. Members have continued to demonstrate a strong understanding that active patrolling and early intervention remain among the most valuable tools in reducing risk on our beaches.

Across the Branch, patrol standards remain

consistently high. Teams continue to demonstrate strong compliance with required equipment, uniform

standards, and procedural knowledge. There is clear commitment from patrol members to ensure beaches are well prepared and operations are delivered effectively, even under challenging conditions.

This year has also seen further refinement of the Patrol Development feedback process. PDT Officers have worked closely with captains to ensure feedback is more collaborative and constructive, with an emphasis on shared learning and continuous improvement. The introduction and ongoing use of the PD JotForm system has supported real-time reporting, improving communication and responsiveness across the Branch.

It has been particularly pleasing to see patrol teams engaging positively with visits and embracing the process as an opportunity for development rather than inspection. The focus remains on supporting clubs to maintain strong operational standards while encouraging open discussion and professional growth.

The PDT for 2025/2026 consisted of:

Lisa Maddison (Coordinator) , Patricia Johnson, Chris Fisher, Ash Wilson, Brett Scott, Evan Matthews, Gavin Kugler, Chris Haile with Don Stevenson completing all First Aid Room Inspections.

Patrol Development Team Report

Patrol Development Coordinator—Lisa Maddison

Throughout the season, there has been a continued push to encourage Patrol Captains and experienced members to broaden their exposure by participating in visiting PDTs. The model of working in pairs and visiting multiple clubs each season offers valuable insight into different operational environments and is something we would like to see expanded further in coming years.

Competition for the Steve Owen Club of the Year Award reached its closest level to date, with six clubs finishing within 0.3 of each other. This extremely tight result highlights the consistently high standards being achieved across the Branch, particularly in active

patrolling, increased water coverage, and preventative lifesaving actions. The 2025/2026 Awards Night will be exciting in terms of discovering who will take out the prestigious patrolling awards.

The PDT has also noted the strong commitment from

clubs in maintaining high-quality patrol operations, including equipment readiness and procedural understanding. These standards continue to reflect the professionalism and dedication of all involved in frontline lifesaving.

Finally, a genuine thank you to all Patrol Captains and patrol members across the Branch. The pride, teamwork, and commitment demonstrated on beaches throughout the season has been outstanding. The increased focus on active, visible patrolling has made a clear difference to both member performance and public safety.

Every member who proudly wears the iconic red and yellow cap represents far more than a uniform. It is a visible symbol of a rescue-ready lifesaver — identifiable to the public, trusted in times of need, and committed to protecting our beaches. The professionalism, vigilance, and dedication shown throughout the season continues to uphold the proud traditions of Surf Life Saving.

I would also like to sincerely thank SCB President George Hill and Director of Lifesaving Jason Argent for their continued support of the PDT throughout the season. Their encouragement, leadership, and commitment to maintaining high operational standards across the Branch is greatly appreciated and plays an important role in the ongoing success of the program.

Surf Sports Report

Each season, South Coast Branch delivers a full program of nipper carnivals, and our beaches host a range of major surf lifesaving competitions.

South Coast Branch U8–U15 Carnivals

Across nine days and eight carnivals, the 2025/26 season saw no cancellations, despite challenging ocean conditions. The season opened in September with the SCB Interbranch Team Trials at Mermaid Beach, where more than 100 U13–U17 athletes competed to represent the South Coast Branch at the annual Interbranch Championships (see page 38).

Junior Competitions – U8 to U10

The Little Squirts Beach and Water Carnivals, followed by the Water and Beach Championship Carnivals, provided opportunities for our youngest nippers to improve their beach and surf skills. Thank you to Miami and Broadbeach for hosting the beach carnivals, and BHMP for hosting both water carnivals. Challenging shoreline conditions tested our littlest competitors at both events.

U11+ Competitions

Young Guns Carnival U11–U13: Held at Kurrawa, this event featured individual swim and board races and team relays, giving this age group an opportunity to improve their competition skills.

SCB Surf Rescue Championships: Mermaid Beach hosted this key event, highlighting lifesaving skills across U11 through to Masters.

SCB U11–U15 Water & Beach Championships: After tough surf conditions at Kurrawa on the first day of racing, Sunday's events were relocated to North Kirra the following weekend, to ensure the safe delivery of the state-qualifying water program.

Volunteers and Officials

The success of our carnivals is driven by our dedicated volunteer workforce:

Officials: 31 Senior, 170 Technical, and 50 Core Active Officials

New Officials: 38 newly qualified this season

Volunteer Hours: Officials—2,600+ hours, Water Safety—850+ hours, First Aid—120 hours

Special thanks to Wayne 'Rabbit' McLennan for his tireless work managing carnival gear and equipment, and to SLSQ's Stuart Hogben and Karen Degnan for their unwavering support throughout the season.

State and National Carnivals

Beyond our Branch run carnivals, South Coast clubs proudly hosted a series of high-profile state and national events throughout the season. These included:

- Queensland State Surf Rescue Championships (Broadbeach)
- Queensland Beach Series — Rounds 2 (Kurrawa) and 3 (Burleigh Heads)
- SLSA Shaw & Partners Iron Series — Final Rounds (Miami)
- World Ocean Series — Round 1 (Burleigh Heads) and Final Round at Northcliffe

These events showcased our club's capacity to deliver elite competition environments.

Representative Teams

IRB Racing

Kurrawa, Broadbeach and Miami continued their dominance at both the Queensland and Australian IRB Championships. Our Queensland Interstate IRB Team claimed victory over all other states at the Australian Titles held at South West Rocks.

2025 Interstate IRB Team

Kurrawa: Oliver van Eck, Anthony Edser, Siana Duncan, Liam Christie, Simone van Eck, Courtney Keech, Georgia Hart, Dayna Fewings, Lara Fewings, Alex Sheppard, Ella Wheeler, Taylor Edwards **Broadbeach:** Paul Ryan, Ryan Wilson, Kate Born, Eithne Jack, Simone Clegg, Chantel Fife **Miami:** Maeka Free, Isaac Henwood, Ethan Lewis **Point Lookout:** Lincoln Somerville, Bailey Somerville, Jayden Robinson

Surf Sports Report

Representative Teams

Pool Rescue

Northcliffe, Kurrawa and Burleigh Heads Mowbray Park were standout performers in the pool this season, with athletes from all three clubs selected to represent QLD, competing in Adelaide and securing the national title.

2025 Queensland Interstate Pool Rescue Team

Kurrawa: Lewis Bear, Claudia Hart **Northcliffe:** Cooper Hudson, Tom Crawshaw, Matthew Lowe, Matthew Gibbs, Jessica-Marie Garbanzo, Savannah Voigt **BHMP:** Elke Rayward, Stella de la Port, Jessica Conrad

QLD Cyclones Ocean & Beach Team

In January, the Queensland Cyclones Ocean/Beach Interstate Team travelled to Sydney, once again finishing 2nd overall. South Coast Branch athletes formed a strong contingent within the squad.

2026 Cyclones Interstate Team

BHMP: Jessica Conrad, Layla Wyper, Taylah Birch, Dakota Luke, Corey Fletcher, Jy Timperley **Mermaid Beach:** Kingston Lowe **North Burleigh:** Byron McParland **Northcliffe:** Britney Ingr, Asher Ward **Southport:** Brodee Trinca **Surfers Paradise:** Emily Holyman, Alexandra Clarke

These athletes joined teammates Fletcher Warn, Taj Andrews, Charlotte Cross, Chelsea Wood, Bianca Rayward, Cruz McKee, Sienna Bush and Amelie Green to represent Queensland in the **National Super Surf Teams League**, where both QLD teams — the Seawolves and the Makos — dominated the final pointscore. South Coast Branch members formed the backbone of both teams.

QLD Cyclones Pathways Team

Each year, the U14-15 Pathways Interstate event is contested at the Australian Titles, and once again South Coast Branch athletes were strongly represented.

2026 Cyclones Pathways Team

North Burleigh: Zahnie Freeman, Summer Murray, Harper Skelton **Mermaid Beach:** Sophie Whitefield, James Burgess, Dylan O'Connor **Northcliffe:** Eljay Slater **BHMP:** Elke Rayward

Club & Athlete Highlights

World Ocean Series Champions:

Ethan Callaghan — Burleigh Heads Mowbray Park
Lana Rogers — Northcliffe

Shaw & Partners Iron Series Champion:

Ali Day — Surfers Paradise

2026 QLD State Championships — Maroochydore/Mooloolabah

North Burleigh claimed the Junior pointscore and Northcliffe the Senior pointscore, with Burleigh Heads Mowbray Park not far behind.

Open Ironperson Champions:

Carla Papac — Burleigh Heads Mowbray Park
Zach Morris — Northcliffe

2026 Australian Surf Life Saving Championships — North Kirra

Northcliffe secured their 23rd consecutive Open Pointscore Title.

Open Ironman: Young gun Ethan Callaghan (BHMP) claimed the Open Ironman Title, whilst also receiving the Dean Mercer Memorial Shield as the youngest competitor in the event.

Champion Lifesavers: Father and son, Trent & Ethan Rowe were both crowned Champion Lifesaver in their respective age categories.

Farewell to a Legend — Ali Day

A defining moment of the season was the farewell of **Ali Day**, marking the close of one of surf sports' greatest careers. Ali capped off his final season by winning the **Shaw & Partners Iron Series**, and Claiming the **Coolangatta Gold for an unprecedented 11th time**.

His legacy will continue to inspire athletes across the South Coast Branch and beyond.

Surf Sports

2025 Interbranch Championships

In November, the South Coast Interbranch Team proudly represented our Branch at the Interbranch Team Carnival, competing against the four QLD branches across ocean and sand events at Tweed Heads & Coolangatta and pool rescue at Palm Beach Aquatic Centre. The team featured dedicated athletes from U13 to U17, all demonstrating outstanding commitment and teamwork.

Guided by experienced coaches Bonnie Hancock, Anne-Maree Mueller and Corbin Zahn, and led with pride by Team Captains Kostya Krywenko and Jessica Conrad, the team delivered a strong and united performance. While

Sunshine Coast Branch claimed the overall win — as they have every year since 2009, except for South Coast's 2020 victory — our athletes gave their all, finishing 2nd overall and 2nd on a handicapped basis behind QLD Country.

We extend our sincere thanks to the SCB officials, especially Senior Official Kylie Innes, whose ongoing dedication and expertise make this event possible. We also appreciate the efforts of our parent Team and Age Managers and thank our IRB driver Brad Birch and our parent water safety whose collective support ensures our athletes can compete safely.

Finance

Director of Finance & Property—Darren Woodward

It is with pleasure that I present the Finance Report for the 2025/26 season. From a simple profit and loss reporting perspective, the Branch delivered an exceptional 2025/26 season, recording a surplus of \$46,755 against a budgeted deficit of \$38,508. Income exceeded budget by \$56,261 (30.4%), driven by the GCCC Grant \$45,000 and investment earnings of \$18,544. Expenses came in \$40,189 below budget through effective cost management and where needed avoidance.

The Branch enters 2026/27 in its strongest financial position in recent memory with combined bank holdings of \$320,843.50 as at 30/4/26 PLUS the SLSF long-term investment \$232,867.

SLSF Investment

Net movement for the season: +\$9,264. Fund peaked at +\$17,500 above the start of the season balance in October 2025.

Grant Activity

We are in the final stages of acquitting grants received over the past couple of years. The annual GCCC grant of \$45,000 received represents the conclusion of the current 2-year agreement.

We are in discussion with GCCC for a new funding arrangement for 2026/27.

Grant applications are considered on an ongoing basis – as and when opportunities arise.

Outlook 2026/27

- HQ building maintenance some provisioning is required in next year's budget.
- New GCCC funding arrangement under development
- 4th year of SLSQ Services Agreement – including Gold Coast Regional Office.
- Insurance advocacy remains a priority for Branch with SLSQ.

Income Item	Actual
GCCC Grant	\$ 45,000
SLSQ Admin Recovery	\$ 60,246
Rent-SLSQ	\$ 23,340
Investment Earnings	\$ 18,544
Carnival Nominations	\$ 34,023
Club Levies/Subscriptions	\$ 18,146
Other Grants/Income	\$ 19,217
Other / Misc	\$ 21,390
Total Income	\$ 239,906

Expense Item	Actual
Wages & Salaries	\$ 47,524
Interbranch	\$ 15,377
Building Maintenance	\$ 11,580
Education & Training	\$ 9,785
Annual Dinner	\$ 7,764
Insurance Premiums	\$ 7,597
Superannuation	\$ 5,848
Carnivals / awards	\$ 15,540
All Other Expenses	\$ 62,404
Total Expenses	\$ 183,419

Acknowledgements

In closing, I'd like to thank the following:

- The Branch council for your ongoing interest and support as a collective. One of the highlights for me in a volunteer role like this is the opportunities to connect with our clubs and their members. My wish is to be able to do more of it!
- Carol Shanks (Bookkeeper) for her diligent support.
- Wayne McLennan (Equipment and Property) for your dedication and persistence.
- Nathan Fife and the entire SLSQ Regional team—and SLSQ.
- Our entire SC Branch Board—it is often a thankless task to contribute at this level so my gratitude to you all for your dedication and contributions.
- Finally, and especially to Kym Trinca (Administrator) - without whom I wouldn't be anywhere near as effective as what I need to be. You are a lifesaver in every sense of the word!

SURF LIFE SAVING QUEENSLAND, SOUTH COAST BRANCH INC. Committee's Report For the Year ended 30 April 2026

Your committee members submit the financial accounts of the Surf Life Saving Queensland, South Coast Branch Inc. for the financial year ended 30 April 2026.

Committee Members

George Hill ESM
Jason Argent
Dean Love

Darren Woodward
Rebecca Bonner
Josie Christensen

Principal Activities

The principal activities of the association during the financial year were:

"Promote, demonstrate and instruct the methods of Surf Life Saving and advance and control the work of Surf Life Saving".

Significant Changes

No significant change in the nature of these activities occurred during the year.

Operating Result

The profit after providing for income tax amounted to \$58,072.00, (2025: 54,644.00).

The committee has determined that the association is not a reporting entity.

The committee has determined that this special purpose financial report should be prepared in accordance with the accounting policies in note 1 to the accounts.

In the opinion of the committee the accompanying accounts:

1. Present fairly the financial position of Surf Life Saving Queensland, South Coast Branch Inc. as at 30 April 2026 and the results and cash flows of the association during the year ended on that date in accordance with applicable Australian Standards and other mandatory professional reporting requirements; and
2. At the date of this statement, there are reasonable grounds to believe that the association will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

George Hill ESM
President

Darren Woodward
Acting Director of Finance and Property
Deputy President

2025/26 Financial Statements

SURF LIFE SAVING QUEENSLAND, SOUTH COAST BRANCH INC.

Independent Auditor's Report to the members

We have audited the accompanying financial report, being a special purpose financial report, of SURF LIFE SAVING QUEENSLAND, SOUTH COAST BRANCH INC. (the association), which comprises the Statement by Members of the Committee, Income and Expenditure Statement, Balance Sheet, a summary of significant accounting policies and other explanatory notes for the financial year ended 30 April, 2026.

Committee's Responsibility for the Financial Report

The committee of SURF LIFE SAVING QUEENSLAND, SOUTH COAST BRANCH INC. is responsible for the preparation and fair presentation of the financial report, and have determined that the basis of preparation described in Note 1 is appropriate to meet the requirements of the Associations Incorporation Act of Queensland 1981 and is appropriate to meet the needs of the members. The committee's responsibilities also includes such internal control as the committee determine is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion of the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the association's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial report presents fairly, in all material respects, the financial position of SURF LIFE SAVING QUEENSLAND, SOUTH COAST BRANCH INC. as at 30 April, 2026 and of its financial performance for the year then ended in accordance with accounting policies described in Note 1 to the financial statements, and the Associations Incorporation Act of Queensland 1981.

2025/26 Financial Statements

SURF LIFE SAVING QUEENSLAND, SOUTH COAST BRANCH INC. **Independent Auditor's Report to the members**

Basis of Accounting and Restriction on Distribution

Without modifying our opinion, we draw attention to Note 1 to the financial statements, which describes the basis of accounting. The financial report has been prepared to assist SURF LIFE SAVING QUEENSLAND, SOUTH COAST BRANCH INC. to meet the requirements of the Associations Incorporation Act of Queensland 1981. As a result, the financial report may not be suitable for another purpose.

2025/26 Financial Statements

SURF LIFE SAVING QUEENSLAND, SOUTH COAST BRANCH INC.

Notes to and forming part of the Financial Statements

For the year ended 30 April 2026

1. Statement of Accounting Policies

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the *Associations Incorporations Act*. The committee has determined that the association is not a reporting entity.

This report has been prepared in accordance with the requirements of the *Associations Incorporation Act*, and the following Accounting Standards and other mandatory professional reporting requirements:

AASB 112:	Accounting for Income Tax
AASB 1031:	Materiality
AASB 110:	Events after Balance Sheet Date
AASB 117:	Leases

No other Australian Accounting Standards or authoritative pronouncements of the Australian Accounting Standards have been applied.

The financial report has been prepared accruals basis and is based on historic costs and do not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

(b) Property Plant and Equipment

Plant and equipment is stated at cost less accumulated depreciation. Buildings are valued at fair value less accumulated depreciation. Building Improvements are stated at cost less accumulated depreciation.

The Branch Headquarters are designated as a special purpose non-residential building and net replacement value is utilised as fair value. The building was independently valued on 30 April 2004. The building has since been revalued using ABS Index 6427 – Construction of Non-Residential Buildings Queensland. This revaluation was made effective from 1 May 2010. A review of this index in May 2012 revealed that the variation in this index was -0.4%. The Committee resolved that this movement was immaterial and not to revalue the building in 2013/14. No further revaluation has been made at 30 April 2026.

Depreciation has been applied over the useful life of the assets as follows:-

Buildings	2% straight line
Building Improvements	20% diminishing value
Lifesaving Equipment	25% diminishing value
Surf Sport Equipment	25% diminishing value
Other Equipment	25% diminishing value
Motor Vehicles	25% diminishing value

2025/26 Financial Statements

2. Joint Ventures

The South Coast Branch SLSQ Inc is a party to a joint venture. This joint venture is for Gold Coast Youth Development with the SLSQ Point Danger Branch Inc.

Youth Development

The purpose of this venture is to run programs for clubs in both Branches to assist them in developing and retaining younger members up to the age of 18. Administration of this venture is undertaken by SLSQ South Coast Branch.

A full set of statements has been prepared and are included in the report.

3. Grants and Subsidies Income

Details of grants received during 2025/26 are:

	This Year	Last Year
	\$	\$
DES Subsidy	34,281	33,283
GCCC Grants General	45,000	50,000
SLSQ Regional Subsidy	-	-
Other	19,217	9,951
	<u>98,498</u>	<u>93,234</u>

4. Financial Earnings

	This Year	Last Year
	\$	\$
Net Earnings from Investment	25,247	24,715
Bank Interest	805	1,865
Total	<u>26,052</u>	<u>26,580</u>

Investment earnings include capital gains/losses less fees. See Note 12 for additional information on investments.

5. Insurance

Insurance has been assessed on an accrual basis in 2025/26. The amount expensed represents insurance cover for the period 1 May 2025 to 30 April 2026. An amount of \$3,242 is included on the Balance Sheet as a prepaid expense and represents the balance of the premium for the period 1 May 2026 to 1 October 2026.

2025/26 Financial Statements

6. Lifesaving Expenses

	This Year \$	Last Year \$
Lifesaving Expenses – Uniforms	691	4,246
Lifesaving Expenses – Other	-	97
Total Lifesaving Expenses	691	4,343

	This Year \$	Last Year \$
Prepaid Medals	-	2,910
Prepaid Insurance	3,242	2,916
	3,242	5,826

2025/26 Financial Statements

11. Investments

On the 16th May 2004 South Coast Branch invested an amount of \$100,000 in the Surf Rescue Trust Fund administered by the Surf Lifesaving Foundation. The foundation engaged Perpetual Trustee Co Ltd as fund managers. Funds can only be withdrawn from the investment fund upon resolution of the Branch Council. This is in accordance with the initial resolution by the Branch Council and subsequent instructions given to the Trustees.

As at 30 April 2026 the balance of our account was \$232,867. This represents a net increase of \$25,247 after management fees of \$746 were deducted and a 12% return on our investment over the 12 months to 30 April 2026. This amount is included under the Financial Earnings in the Profit and Loss statement. Movements in the account for 2025/26 were:-

	This Year	Last Year
	\$	\$
Opening Fund Value	207,620	247,905
Capital withdrawals	-	(65,000)
Earnings	10,813	11,822
Capital Value Movement	15,180	13,747
Less Fees and Charges	(746)	(854)
Closing fund Value	<u>232,867</u>	<u>207,620</u>

The investment is part of the Lifesavers medium Term Fund and represents 1.0271% of the total value of this fund. Portfolio asset allocation of this fund as at 30 April 2026 was:-

Asset Class	Market Value
Australian Cash	2.12%
Australian Fixed Interest	13.26%
Australian Property	6.60%
Australian Shares	31.32%
International Shares	46.70%
International Fixed Interest	0.00%
Other	0.00%
Total	<u>100.00%</u>
